## GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

My Brethren,

I welcome each one of you to the One Hundred and Fifty-Seventh Annual Communication of your Grand Lodge. It is a privilege to welcome the Masters of our constituent Lodges with us this morning. My Brethren, it is you who are the real Leaders in this fraternity, for it is on the floor of your Lodges where the tenets and principles of Freemasonry are put into practice every day of the week. The vitality that exists in our Lodges determines the future of our Craft. That vitality is due in large part to the contributions you make as Craft Lodge leaders and we thank you for giving of your time and talents to lead our Lodges.

It is a special privilege to welcome Distinguished guests from our Sister Grand Lodges as well as the representatives of the concordant Masonic bodies. Brethren, among these distinguished visitors are some of the most respected leaders in Freemasonry in North America. Brethren, a warm fraternal welcome. Our personal thanks for your attendance and I hope we will be able to return that wonderful hospitality shown to us during our visits to your jurisdictions. We thank you for your gifts of friendship and through you convey our best wishes to the Brethren and Ladies of your jurisdictions.

### NECROLOGY

This great fraternity offers us the ability to share our lives with men of high moral character, devotion, loyalty and integrity. Without doubt, our lives have been enriched by these individuals and at their passing we suffer a great loss. In Romans 12:10, we read: *Love one another with brotherly affection. Out do one another in showing honor.* We remember the contributions of them all and we honour them for their friendship. Time constraints allow us to mention only several. Representative of those who have departed us this past year are:

- **R.W. Bro. James Murray Jolley** (1925–2012) Past Master of Kilwinning Lodge No. 565, Toronto; Past District Deputy Grand Master, Toronto District No. 1, 1972–1973; retired to Meaford and affiliated with Pythagoras Lodge No. 137. R.W. Bro. Jolley was a flawless ritualist with an imposing voice that commanded attention. Resplendent in his kilt, he followed the piper and led the procession at the opening of Grand Lodge for many years. As staunch a Mason as he was an Anglican, R.W. Bro. Jolley considered Masonry an important moral and spiritual aspect of his life and was often heard to say, “Masonry made me what I am today.” Many newly made Masons considered him a mentor and role model.
- **R.W. Bro. Clifford Malcolm Tootell** was a Mason for over 53 years. He was Worshipful Master of Ionic Lodge No. 549 in 1969–1970, and again in 2003–2004. He was elected D.D.G.M. of Hamilton District “C” 1988–1989 and was a charter member of Centennial Daylight Lodge No. 679, Hamilton. In Scottish Rite Masonry, Cliff was an honoured recipient of the John Ross Matheson Award. He was a member of Merton Lodge of Perfection, Hamilton Sovereign Chapter Rose Croix, Moore Sovereign Consistory, was a 33rd Degree Mason, and a member of the Royal Order of Scotland. Cliff was a Canadian Armed Forces reservist for 55 years retiring as an Honorary Colonel. In all aspects of his life, Cliff’s dedication to doing his best resulted in a better environment, a better culture, and a better life. A mentor to everyone, Cliff led

by example.

- **R.W. Bro. Richard Foster Hewitt**, Past Grand Junior Warden 2004–2005. Richard was a retired Railway Conductor from Omemee, Ontario. He served as Worshipful Master of Lorne Lodge No. 375 in 1995 and Somerville Lodge No. 451 in 1997–1998, both in Victoria District. He was elected and served our Grand Lodge as Grand Junior Warden in 2004–2005. He also served our Grand Lodge as an active and vibrant member of the Grand Lodge Blood Donors' Committee as well as the Grand Lodge Buildings (Advisory) Committee. A gentle man with a deep voice who served our Fraternity well.
- **V.W. Bro. Donald N. Campbell**, Past Grand Tyler. Don's mother Lodge was Minerva Lodge No. 304, Stroud, where he served as Worshipful Master in 1967. He was also a charter member of Innisfil Lodge No. 737 and served our Grand Lodge as Grand Tyler in 1983. He was also the Grand Representative of the Grand Lodge of Canada near the Grand Lodge of Sao Paulo, Brazil. Don served as T.P.G.M. of Barrie Lodge of Perfection, M.W.S. Spry Chapter of Rose Croix, and C.I.C. of Barrie Consistory. Don was coroneted as an Honourary Inspector General 33° in 1983 and crowned as an active Member of Supreme Council in 1996. He served the Scottish Rite as Deputy for Ontario from 1997 until this year. He was elected Grand Secretary General in 2007. Quiet and unassuming, Don will be fondly remembered by all he touched.
- **R.W. Bro. Henryk (Henry) Krajewski**, Past District Deputy Grand Master, Niagara District "A." Henry was initiated in Seymour Lodge No. 277, St. Catharines in 1982. He served as Worshipful Master in 1990 and District Deputy Grand Master of Niagara "A" District in 1997–1998. Henry served on the Board of General Purposes from 2008–2011, and on the Board for the Masonic Foundation 2008–2011. He was Seymour's Secretary from 1991 to 2010. He was a 33° member of the Ancient and Accepted Scottish Rite, a member of York Rite, and a member of many other Masonic bodies in Canada and elsewhere. Bro. Krajewski had a passion for Freemasonry, and was devoted to the Craft, his Grand Lodge and his Mother Lodge. He was always supportive of others and continued to promote the ideals of Freemasonry as long as his health would allow.

We mourn their passing, we remember them fondly, we value their friendship.

### PAST RANK

Pursuant to Section 73 of the Book of Constitution, I recommend the rank of Past Master be conferred upon the following:

- W. Bro. Russell Hickingbottom, Malahide Lodge No. 140
- W. Bro. Richard Thain, Percy Lodge No. 161

I further recommend that the rank and title of Past Grand Senior Warden (Honourary) be conferred upon **V.W. Bro. Robert Kliaman** for the untold hours he spends in the service of this Grand Lodge. His willingness to assist whomever, wherever and whenever has contributed many benefits, mostly unrecognized, to this jurisdiction.

I also recommend that the rank and title of Past Grand Senior Warden (Honourary) be conferred upon **V.W. Bro. A. Douglas Nichols** for the dedication and leadership he has shown as President of the Masonic Foundation of Ontario over the last four years.

### **WILLIAM MERCER WILSON MEDAL**

Our Grand Jurisdiction rewards a number of its devoted servants with the prestigious William Mercer Wilson Medal – awarded for steadfast service, loyalty, dedication not only to the Craft, but to community and church as well. This award is presented to a Brother who has not, nor will likely be the Master of a Lodge. These Brethren are however, part of the very fibre of their Lodges and are those around who a Lodge culture is built. The Awards Committee for last year recommended the medal be presented to five Brethren. It was my privilege to present the following with this distinguished award:

- Bro. Bruce Fleming, North Bay Lodge No. 617, North Bay (Nipissing East District)
- Bro. Alan Wayne Levere, St. Andrew's Lodge No. 560, Ottawa (Ottawa 1 District)
- Bro. Harold Wesley Masters, King Hiram Lodge No. 37, Ingersoll (Wilson North District)
- Bro. Kenneth Elmer Scott, Tudor Lodge No. 141, Mitchell (South Huron District)
- Bro. John Lindsay Toshack, Mississippi Lodge No. 147, Almonte (Ottawa 1 District)

Regrettably, the following three are no longer with us:

- Bro. Harris Wesley Masters
- Bro. Kenneth Elmer Scott
- Bro. John Lindsay Toshack

Five new recipients will be announced by the Chairman of the Awards Committee at this Communication to join this elite corps of worthy Brethren.

### **GRAND MASTER'S MERITORIOUS SERVICE AWARD**

The Grand Master's Meritorious Award is presented to those Brethren who have laboured tirelessly, over many years to promote Freemasonry, its principles and its values, not only in their Lodges, but in their Districts and across the jurisdiction. These men earn the respect and esteem of not only their Brethren, but their friends and colleagues by their words and actions, by their leadership and accountability and by their quiet and unassuming demeanour. It is my privilege to grant the Grand Master's Meritorious Service Award to the following recipients:

- R.W. Bro. Earl M. Jones
- R.W. Bro. John P. Hunter
- R.W. Bro. Terry A. McLean

The contributions of these three individuals to their Craft Lodges, their Districts and this Grand Lodge have been outstanding. Thanks to each of you and may you wear this award with pride and honour.

### **AD HOC COMMITTEE ON RESTRUCTURING**

This committee, under M.W. Bro. Mumby, continued work on fulfilling part two of its three part mandate. The recommendations of this Ad Hoc Committee were received and presented to the Board earlier this week.

## **SPECIAL EVENTS**

### **HANDS ACROSS THE BORDER**

On March 10, 2012, Brethren from the Grand Lodge of Canada in the Province of Ontario met with a large delegation from the Grand Lodge of Quebec for a fraternal visit in Ingleside, Ontario at an emergent meeting of Hawkesbury Lodge. M.W. Bro. Paul H. Mailhot led a strong delegation of Grand Lodge Officers and Brethren to share in the events of the day. Although this was the fourth annual visitation, it was the first time that both Grand Masters were able to be in attendance. A great morning and afternoon of fellowship took place and the Brethren were treated to a sumptuous banquet in the Lodge Hall. Both Grand Masters expressed their hopes that the annual visitation would continue in future years.

### **PRINCE HALL FRATERNAL VISITATION**

Formal recognition of Prince Hall Freemasonry in Ontario by the Grand Lodge of Canada in the Province began back in 2005. In 2006 and 2007, fraternal visits were held in both jurisdictions. Many Brethren on both sides devoted countless hours to formulating a plan which culminated in July 2008 with the Grand Lodge of A.F. and A.M. of Canada in the Province of Ontario granted full recognition to the Prince Hall Grand Lodge, F. & A.M. of Ontario (and Jurisdiction). Since then senior Grand Lodge officers have attended each other's Annual Communications.

On March 16, 2012, an historic lodge meeting was held at Kilwinning Lodge No. 64 in London. On that evening the Grand Master of the Grand Lodge of Canada Ancient Free and Accepted Masons, in the Province of Ontario and the Grand Master of the Prince Hall Grand Lodge of Free and Accepted Masons of Ontario and Jurisdiction met for the first time in Lodge as ruling Grand Masters. Approximately 60 Grand Lodge Officers from both jurisdictions were in attendance.

It was a wonderful evening of warmth and good fellowship. Thanks were extended by both Grand Masters to W. Bro. Jim Hughes and the Brethren of Kilwinning for making the evening a great success. Both Grand Masters applauded those who had gone before to make such a visit a reality and to enable all Masons in Ontario to share the common bond of fraternal love and affection.

### **INCORPORATION OF GRAND LODGE**

This year, our Grand Lodge became a Registered non-Profit Corporation and I would like to extend thanks to R.W. Bro. Jim Sutherland, Chairman of Audit & Finance for his dedication and effort in making this happen. One of the offshoots of this incorporation is that the ownership of our registered Square and Compasses Logo will transfer to Grand Lodge from the Masonic Foundation of Ontario, where it had previously been held.

### **BROCK UNIVERSITY PARTNERSHIP**

Our Partnership with Brock University continues to achieve success in bringing

awareness of the role played by Freemasonry in shaping our national culture, into the Academic Community and providing education on Freemasonry for Masons and non-Masons alike. This year, the third Sankey Lecture took place on May 6. Dr. Steven Bullock, Professor of History, Humanities and Arts at Worcester Polytechnical Institute was the guest lecturer. His topic, "The Heart of Masonry; Upstate New York and the New Nation 1776–1826," was directed in part to the celebrations this year of the 200th Anniversary of the War of 1812.

Plans for the International Conference on the History of Freemasonry in 2015, to be sponsored by this Grand Lodge, are well underway.

### **CANADA LODGE UD, KANDAHAR, AFGHANISTAN**

The success of Canada Lodge U.D. in Afghanistan continues. Credit must go again to V.W. Bro. Rick Fulford who has acted as Worshipful Master of this lodge.

One significant event took place this year in the Lodge. V.W. Bro. Fulford was back home on leave when a meeting was scheduled. It was my privilege, in concert with M.W. Bro. Paul Litteral, Grand Master of the American-Canadian Grand Lodge of Germany, to grant dispensation for one of his Past Masters to sit in the East in Canada Lodge U.D. and conduct the Lodge using our ritual, during Bro. Fulford's absence.

On a personal note, I am pleased to report that I had the privilege of personally meeting three young Masons who had attended Canada Lodge U.D. To a man they expressed their gratitude and thanks for providing them with the opportunity to share the Masonic experience in such a difficult place. Two of these Brethren were from Ontario and one Brother was a member of the Grand Lodge of Maryland. This Brother made a special effort to seek me out while I was in attendance at their Annual Communication – just to say thanks. As at last count, we have initiated more than 30 candidates and accepted several affiliations from servicemen and civilians throughout the world.

### **MASONICHIP INCORPORATION**

Due to the tremendous success of our MasoniChIP program since its inception, we realized that it had outstripped our ability to manage it as a committee of this Grand Lodge and to effectively deal with any liability issues that might be incurred. Therefore, it was decided to create a separate legally chartered non-profit corporation to manage all activities related to this program. On January 7, 2012, the first meeting of the new corporation was held and the Officers and Board of Directors officially placed in their positions. Thanks must go to all members of the original committee that studied this proposal and especially to R.W. Bros. Ray Dobbs, Murray Coulter and John Lawer for the work they did to make it happen.

**AMALGAMATIONS AND SURRENDER OF WARRANTS**

Regrettably, dwindling numbers, economic conditions, employment, and financial constraints are still having an impact on the Lodges in this jurisdiction. Amalgamations or Surrender of Warrants are never desired outcomes, but at some point, our Brethren faced with long suffering burdens must consider the options. While every attempt is made to avoid such outcomes, in a number of situations, it is inevitable. In such cases, it is sincerely hoped that the outcome leads to a rejuvenation of those Masons who have given so much to these Lodges over time. We must however, be ever mindful that the combination of two weak Lodges will, not likely, lead to the creation of a strong and vibrant Lodge, without the added infusion of new blood.

To those Brethren who chaired the joint committees for the Amalgamations, on behalf of your Grand Lodge, please accept our thanks and appreciation for a job well done.

The following Amalgamations were approved and presided over:

- October 5, 2011: Parvaim Lodge No. 395 and Central Lodge No. 402 – now Parvaim-Central Lodge No. 395, Erie District
- January 31, 2012: Henderson Lodge No. 388 and Myra Lodge No. 529 – now Harmony Lodge No. 388, London West District
- February 6, 2012: Fairbanks Lodge No. 592 and Metropolitan Lodge No. 542 – now Fairbank Lodge No. 592, Toronto Don Valley District
- May 5, 2012: St. John's Lodge No. 284 and Wingham Lodge No. 286 – now Wingham Lodge No. 286, North Huron District
- June 7, 2012: Cornwall Lodge No. 125 and Corinthian Lodge No. 669 – now Cornwall-Corinthian Lodge No. 125, Eastern District

It is our sincere hope that these newly amalgamated Lodges can build on, not only the strengths of each Lodge prior to Amalgamation, but on the resurgence of Freemasonry in this jurisdiction, to create for themselves a new sense of vitality that will lead to sustainability and a renewed energy that will lead to the continued practice of Freemasonry in these areas for many years into the future.

Regrettably, after many valiant attempts at survival, and with no visible future for change one of our Daylight Lodges has had to surrender its Warrant. We therefore conducted the Ceremony of Extinguishing the Lights in:

- Centennial Daylight Lodge No. 679, Hamilton District C, on June 19, 2012

To the Brethren of Centennial Daylight who worked so hard to sustain their Lodge, we trust that you will find a rewarding and enjoyable Masonic future in the Lodges to which you affiliate. Thank you for your efforts in the past.

## **MASONIC FAMILY EVENTS**

### **MASONIC LEADERS**

As in past years, our Masonic Leaders met to discuss common issues, share mutual concerns and exchange information. Regrettably, due to scheduling demands, we were only able to meet once in the fall of 2011. It is hoped that we will be able to get back to more regular meetings in the coming year.

### **INTERNATIONAL PLOWING MATCH**

Again this year, Grand Lodge was able to participate in the International Plowing Match hosted by the Brethren of Eastern District. Our Masonic Leaders met at the Plowing Match and took part in a Meet and Greet later that Day near Hawkesbury (Chute a Blondeau). Thanks to all the Brethren on the organizing committee who worked so hard to make this event a success.

### **SUPREME COUNCIL, AASR**

It was my honour and privilege, as your Grand Master to attend the annual Scottish Rite Supreme Council Session, held in Thunder Bay, September 14–17, 2011. It was a wonderful session, and hats off to our Brethren in Thunder Bay for making it a great success. Wendy and I were most appreciative of the hospitality and courtesies extended to us.

### **ROYAL ARCH MASONS GRAND CHAPTER**

It was also an honour and privilege to represent your Grand Lodge at the annual Grand Chapter Communication, held in Woodstock, April 19–21, 2012. This was

another wonderful opportunity to engage our Brethren in the Royal Arch and share information, concerns and challenges. Wendy and I would also like to thank the organizing committee for their warmth and hospitality during the sessions.

### **IMPERIAL SHRINE SESSION**

The Imperial Shrine Sessions were held in Charleston, North Carolina, June 30–July 5, 2012. We were grateful to be able to be in attendance with Nobles from all three Ontario Shrine Temples to participate in discussions, attend the sessions, and engage in the sharing of ideas with this branch of our Masonic Family. We thank the Nobles of the Shrine in our jurisdiction for the invitation to be with them.

Scheduling conflicts prevented attendance at a number of other Masonic related events. Where possible, our Grand Lodge was represented, but regrettably a number of invitations had to be declined.

### **CONFERENCES**

The Deputy Grand Master and I attended the Conference of Grand Masters of North America, held in Atlanta, February 18–22, 2012. This was a wonderful opportunity to meet with peers from across North America as well as from around the world. It is definitely an eye opener to learn of unique challenges confronting some jurisdictions, while on the other hand it is comforting to know that many jurisdictions, especially in North America, are wrestling with the same issues and concerns.

The Deputy Grand Master, Grand Secretary and I attended the All Canada Conference of Canadian and District Grand Lodges of Canada, held in Winnipeg, March 29–April 1, 2012. I was privileged to serve as Conference President, with M.W. Bro. Chibu Usson, Grand Master of Manitoba acting as Vice President. Our peers from all across Canada offered their time and talents as presenters and panellists, and through their efforts the Conference was deemed to be a most rewarding and educational experience.

Summaries of both conferences were distributed to our Past Grand Masters, District Deputy Grand Masters and Members of the Board of General Purposes, so they might better understand the nature of these sessions.

### **COMMUNICATIONS OF OTHER GRAND LODGES**

I was privileged to represent this Grand Lodge at a number of Annual Communications of Canadian and American Grand Lodges. The warmth and friendship shown to us by our hosts was outstanding. We have made many new Masonic friends and we thank our visiting guests for the hospitality extended to both of us.

I have delivered and circulated, reports on all Communications attended in order to bring the highlights of Freemasonry as it exists outside Ontario, to the attention of our Brethren. I can assure the Brethren of Ontario, that the challenges and opportunities that face all our jurisdictions are very, very similar. The approach to resolution of issues or to turning them into opportunities seems only differentiated by the size of our respective Grand Lodges. As with visitation between our Craft Lodges, reciprocal visitation between our neighbouring Grand Lodges gives us a different perspective that can only enhance our own thinking.

Those Annual Communications attended were:

- Grand Lodge of Maryland
- Grand Lodge of Washington, District of Columbia
- Grand Lodge of Pennsylvania
- Grand Lodge of New Jersey

- Grand Lodge of New York
- Grand Lodge of Indiana
- Grand Lodge of New Hampshire
- Grand Lodge of Manitoba
- Grand Lodge of Vermont

Our Grand Lodge was represented at the Grand Lodge of West Virginia and the Grand Lodge of Nova Scotia by our Deputy Grand Master and at the Grand Lodge of Quebec by Past Grand Master, M.W. Bro. Raymond S. J. Daniels.

## **DISCIPLINE**

The flow of petty piques and quarrels between Brethren in our Lodges continues to occupy our time. It is always interesting that Brethren who cannot seem to agree to disagree, and cannot solve their own issues, want their own Lodge Brethren to choose sides to help solve their problems and when that doesn't work, they expect that the Grand Master and Grand Lodge will 'legislate' against one side or the other. My Brethren, one of the earliest lessons learned representing you as your Grand Master is that, like it or not, there are always two sides to every story. It therefore behoves each of us from time to time to look into the mirror and ask that tough question – what is to be gained from this situation, regardless of whether I am right or wrong! Fortunately, none of these issues has lead to suspensions.

However, two matters relating to the suspension of several Brethren at this Communication last year were placed into the hands of the Committee on Discipline for final resolution by Review Committee and or Trial Commission. I regret to inform the Brethren that these two situations remain unresolved. In the opinion of your Grand Master, it is unacceptable that the execution of such Discipline policies and procedures, as defined in our Constitution, cannot be completed within a year. This is unacceptable for the Brethren under suspension and unacceptable to this Grand Lodge. I can assure you that steps will be taken to remedy this situation.

In the case of Brother "A" the Reviewing Committee has not completed its work. In the case of Brother "B" the Trial Commission has recently completed its task and the remaining steps in the Disciplinary process are now being executed. Until this process has been completed in its entirety, the suspension of Brother "B" remains in effect.

## **USE OF ELECTRONIC DEVICES**

Because of the increasing use of electronic devices in our Lodges, we instructed our Protocol and Etiquette Committee to address the concerns. In Issue No. 16, the March 2012 issue of *P&E Essentials* published an article on Cell Phone Etiquette. I urge the Brethren to re-read that article. Since then a number of Brethren have asked about the use of such devices as Blackberrys, Ipods, Laptops, etc. in Lodge. My response to the questions raised was two-fold. First, the use of any electronic device in Lodge that disturbs the harmony or flow of the meeting must be discontinued. Second, no, I repeat no, excerpts or copies of any portion of our ritual are allowed to reside on any personal electronic devices.

## **GRAND MASTER'S BANQUET**

Brethren, this evening, we are privileged to have V.W. Bro. Harry Ansara as our Guest Speaker. Harry was initiated, passed and raised in Kingsway Lodge No. 655 and served as its Master in 1989 and 1996. He affiliated with Sunnylea Lodge No. 664 in 2007. Harry served as Assistant Grand Organist in 2003. He is a distinguished Toastmaster and a frequent keynote speaker, facilitator and presenter.

He has earned a reputation for delivering passionate, motivational and confidence-building speeches based on real life experiences. Harry's topic this evening will be "A Father's Love for Canada and the Craft."

Our dinner entertainment will feature two students from the University of Toronto Faculty of Music.

## CONDITION OF MASONRY

Brethren, if you believe that in any hierarchical organization, the buck stops at the top, then it seems to me that the Condition of Masonry in the jurisdiction is the ultimate responsibility of the Grand Master. I feel therefore, that the Grand Master should report to his Brethren on the Condition of Masonry as he sees it.

We are, Brethren, extremely fortunate in this jurisdiction to be a part of a resurgence in interest in Freemasonry. For the last couple of years we have initiated over 1500 new men into our Fraternity. As I have stated throughout the year, I believe these men are searching in the world around them with frustration for higher standards of morality and for ethical behaviour in dealings with others. Their researches have led them to Freemasonry. Those so called 'old fashioned' Masonic values of morality and virtue have stood the test of time and allowed Freemasonry to once again become the benefactor.

As these new members get assimilated into our Lodges we find that they are challenging the old guard by asking questions and seeking knowledge. This is leading to demands for educational material, instruction and leadership training, updated and relevant Grand Lodge programs and better communications.

## LISTENING TO THE BRETHREN

Our jurisdiction wide survey, completed in the spring of 2011 provided your Grand Lodge with some insight into what the Brethren of the jurisdiction see as their key priorities:

- Our survey told us that the top three reasons for joining the Craft are Brotherhood, Self-Improvement, and Knowledge.
- Our survey told us that our candidates were provided with little, if any, material to explain Freemasonry.
- Our survey indicated that our pre degree instruction was lacking and that some of our existing programs, while considered important, were less than effective or not well communicated to the Brethren whom they were designed to assist.
- One particular area of concern was that, despite the influx of new men, approximately 59% of the respondents felt there was a serious risk of their Lodge going dark.

Also, as I see it, there remains a significant disparity between the membership wanting Grand Lodge to assist in and become more involved in areas such as providing educational material, managing Lodge finances, administration, best practices, managing Temple Boards, etc. while on the other hand we find an attitude of reluctance to accept Grand Lodge support, by labelling it interference. This disparity is cause for concern.

Our Lodge Leaders, our District Leaders, but more importantly our Grand Lodge Leaders must step up to these and other challenges.

## MEETING THE CHALLENGES

Our Grand Lodge has been actively addressing some of these challenges this year and will continue to do so next year. I would like to summarize several of this year's initiatives. Details can be found in the Committee Chairmen's reports.

- To address Communications, we embarked upon an extremely significant investment in a new Grand Lodge website. We trust that as the remaining phases are implemented, the Brethren will find that we have delivered a first class, two-way, communication and instructional environment. Regrettably, we were not able to sustain the production of the Ontario Mason Magazine, a valuable communication tool.
- Also this year, we increased our emphasis on meeting the Brethren face-to-face in informal Town Hall sessions, a project initiated under M.W. Bro. Daniels. Comments received from attendees, indicate this opportunity to meet with Grand Lodge officers on an informal basis is welcomed.
- Planning: While we can all be busy doing the work of Grand Lodge, we need to ensure that what we are working on are the right things. Our in depth analysis of the 2011 survey results and a similar ‘gap’ study conducted in 2008, finally gave us the opportunity to integrate some of the priorities identified by our Brethren into our planning process. Thus, if you take the time to study our tactical or operational plan for 2012–2013, you will see some initiatives designed to deal directly with those survey priorities. We are getting better at listening.
- To address our educational needs, we resurrected our Monthly Educational bulletin, we held our first (successful) regional educational Conference in Ottawa, and we continued our Sankey Lecture series. We have also spent a great deal of time and effort in analysing our College of Freemasonry offerings and you will see significant changes and additions to the College in the future.
- To address our organizational effectiveness and our ability to respond to changing times, the Ad Hoc Committee on Restructuring, lead by M.W. Bro. Mumby, initiated an in-depth review of our Grand Lodge Committee structure. The Committee’s recommendations, as stated earlier, were presented to the Board of General Purposes for approval at our meetings this week.

### MOVING AHEAD

As your Grand Master, I believe that there are still some significant challenges that require our attention and that we need to face head on in the coming year:

First, I believe that we still have difficulty bringing ideas to fruition, not only in Grand Lodge, but in our Lodges and our Districts. We have lots of great ideas being put on the table each and every month, but no one is willing to take the bull by the horns and say “I’ll be accountable for that”. Everyone wants to be told what to do. That, Brethren, is not leadership.

Second, I believe that if we had a third party organizational effectiveness review conducted, we would find room for improvement. We are first and foremost a Fraternity and we must never forget that. But, we cannot deny that we are a multi-million dollar organization and we require business skill sets to run this organization effectively. I have been criticized at times for taking this ‘business’ view of Grand Lodge, but we cannot provide the services we need to support you, the Brethren, without attracting the business skills necessary to run a million dollar organization. I would ask you to give consideration to this when you select your leaders.

Third, our Grand Lodge is in the business of providing services to our members. There are two perspectives on service – reality and perception – and in my travels around the jurisdiction, I see a definite gap between these two. For example, we now charge our customers \$8 per member more than last year, and I would pose the question – was that just to maintain and sustain or will your Grand Lodge be offering more in terms of customer enhancements and services?

Fourth, our system doesn’t allow us to hear the wants and needs of our

Brethren very well. Communication is a top priority. Over and over again, I hear that the messages of our Grand Lodge are not getting to the Brethren, nor do they have an opportunity to have input to our decision making. Our survey was a step in the right direction, but we still have a long way to go. We need to close that gap between reality and perception.

Thus, we do have challenges and opportunities ahead. We cannot possibly deal with all these challenges and opportunities at one time and this is exactly why we have a strategic plan to show us the long road to the future and a yearly tactical plan that allows us to set short term goals and objectives consistent with the strategic plan. We are getting better at setting those short term initiatives based on your input (real, not perceived), based on our changing conditions, based on available leadership skills and based on our capacity to deliver. Masonry is a progressive science and we are making progress towards our Vision.

### SUMMARY

To summarize this section on the Condition of Masonry, I would say to you that these are exciting times in this jurisdiction. You, the Brethren in our Lodges, must assume the responsibility for dealing with this new influx of members – you are the ones that must mentor, educate, train and engage. **You must show them that Freemasonry is indeed all that it is cracked up to be!** But, your Grand Lodge must provide you with all the support you need in the form of tools, programs, services, training and skills.

Freemasonry is indeed relevant in the 21<sup>st</sup> century – but the status quo is not acceptable. We must blend the enthusiasm of our new members with the experience and wisdom of our older members to enable us to practice our tenets and principles in the culture of the world that surrounds us today.

From the foregoing, I think you can appreciate that our top three priorities will remain as Communication, Extending our Learning Opportunities and being responsive to the Condition of Masonry in our jurisdiction.

## ACKNOWLEDGMENTS AND APPRECIATION

### THE PAST GRAND MASTERS

This year, we have drawn on the advice and wise counsel of our Past Grand Masters more than ever before. They have responded with enthusiasm and dedication and have taken an active role in providing comments and support on all issues referred to them. For this, the Deputy Grand Master and I are most appreciative.

### THE DEPUTY GRAND MASTER

To our Deputy Grand Master, I thank you for your friendship, encouragement and all your support. You are committed to this fraternity and I have enjoyed the opportunity of working with you for the betterment of the Craft.

### THE DISTRICT DEPUTY GRAND MASTERS

As the Grand Master's Representatives in your respective Districts, I thank each of you for carrying out your duties with energy and enthusiasm this past year. This is an immense jurisdiction in terms of miles to be travelled and your willingness to attend to local matters on behalf of this Grand Lodge is much appreciated.

### THE MEMBERS OF THE BOARD OF GENERAL PURPOSES

To our colleagues on the Board, the Deputy Grand Master and I say thank you. You are the backbone of this Grand Lodge. You are the ones challenged to implement our tactical plan and keep the ship moving in the right direction. You bring to your position a wide array of skills and talents and are always willing to

use those as best you can to deliver the best service possible to our Brethren.

Regrettably this year, due to retirement, we are losing several valuable, long serving Members of this Board. I would like to offer them our congratulations on their retirement, extend best wishes to them and their Ladies for health and happiness in the future, and most importantly thank them for their contributions.

The Brethren retiring from the Board this year are:

- R.W. Bro. Greg Hazlitt – 1995
- R.W. Bro. Terry McLean – 1997
- R.W. Bro. Barry Hutton – 2003
- R.W. Bro. David Dainard – 2003
- R.W. Bro. David Bell – 2004
- R.W. Bro. Patrick McGrenere – 2009
- R.W. Bro. John Logan – 2011

A combined total of 62 years of service to this Grand Lodge. I think we owe a deep debt of gratitude to all these Brethren, but especially to R.W. Bro. Hazlitt and R.W. Bro. McLean for 17 and 15 years of service respectively.

#### **GRAND LODGE DIRECTOR OF CEREMONIES AND ASSISTANT**

To R.W. Bro. Bruce Lyle and V.W. Bro. Ray Charles, a sincere thank you for all you have done this year. Many of our brethren have no idea of the time and effort required in your positions. Thanks to you and your Ladies for the friendship and what you have done for Wendy and I this year.

#### **THE CUSTODIAN OF THE WORK**

To M.W. Bro. Donald H. Mumby, I wish to express my personal gratitude and the thanks of this Grand Lodge for carrying on as Custodian of the Work. Even though you had expected to retire from this position, you shouldered the load once again and dedicated yourself to the raising of the bar in the performance of our rites and ceremonies. Although many of the questions and concerns brought your way may be repetitious, you handle them all with equal poise and aplomb.

#### **THE GRAND SECRETARY**

Allow me to express my sincere appreciation to M.W. Bro. Terence Shand for all the guidance and support you have provided this year. Your devotion, skill and dedication to serving the Grand Lodge Office and the Brethren is to be commended. I thank you for personally keeping me on track. We do on occasion disagree, but once issues have been discussed, you have remained supportive. This has been a trying year for you on a personal level, yet you remain committed to fulfilling your duties. Our thoughts and prayers remain with you and your family. Thanks are also extended to the Ladies in our Office who are the ‘front line’ and are always ready and willing to lend a hand.

#### **FAMILY**

Finally, to my Lady Wendy, my best friend, confidant and supporter, I give you my deepest love and thanks. You have given up so much to travel this path beside me, to boost my confidence when needed and to encourage me in my convictions. Your ease of manner and confidence in meeting and greeting the Brethren and their Ladies all across the jurisdiction has made our journey thus far a wonderful experience. To the rest of our family, thanks for putting up with all the changes in your plans to accommodate our schedule. The support you have shown for us in all our Masonic endeavours is truly appreciated.

#### **CONCLUSION**

Lastly, let me thank the Brethren of this Grand Jurisdiction for the confidence they had in electing me to this Office. I have tried, and will continue to try, to effect

those changes that are necessary to the manner in which we operate in the 21<sup>st</sup> Century in order for Freemasonry to be as relevant in the future as it has been in the past.

I believe in our Vision. I believe in Freemasonry!

D. Garry Dowling  
Grand Master

## **Independent Auditor's Report**

To the Most Worshipful Grand Master,  
Officers and Members of  
Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of  
Ontario Inc.

Most Worshipful Sir and Brethren:

We have audited the accompanying financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., which comprise the statement of financial position as at April 30, 2012, and statements of operations and changes in fund balance, the statement of operations and changes in fund balances for the General and Segregated Funds and statement of expenses – General fund and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. as at April 30, 2012, and the results of its statements of operations and

changes in fund balance, the statement of operations and changes in fund balances for the General and Segregated Funds and changes in fund balance and statement of expenses – General Fund for the year then ended in accordance with Canadian generally accepted accounting principles.

## 1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

## 2. Significant accounting policies

### *Fund accounting*

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

### *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

### *Capital assets*

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized. Amortization is provided using the straight-line method over the useful life of the assets as follows:

#### Computer equipment and workstations

3 years

The donations-in-kind revenue used to acquire capital assets has been deferred and will be recognized as income at the same rate as the asset is depreciated in order to match revenues and expenses.

### *Revenue recognition*

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Donated materials which would otherwise be paid for by the Organization are recorded at fair market value when provided. The value of these donations-in-kind, as determined by the fair market value to acquire similar goods, amounted to \$7,200 in 2012 (2011 - \$18,110) and have been included in Masonic Child I.D. Program revenue - donations-in-kind, and capital assets for the year.

## 2. Significant accounting policies (continued)

### *Financial instruments*

Financial instruments classified as held-for-trading are measured at fair value with changes in fair value recognized in the statement of operations. Financial assets classified as held-to-maturity or as loans and receivables and financial liabilities not classified as held-for-trading are measured at amortized cost.

The Organization has classified its financial instruments as follows:

- Cash and cash equivalents are classified as “held-for-trading”. Held-for-trading items are carried at fair value with changes in fair value recognized in the statement of operations and changes in fund balances in the current period.
- Receivables as “loans and receivables”. Loans and receivables are carried at amortized cost using the effective interest method.
- Investments are classified as “held-for-trading”. Held-for-trading items are carried at fair value with changes in fair value recognized in the statement of operations and changes in fund balances for the current period.
- Notes receivable as “loans and receivables”. Loans and receivables are carried at amortized cost using the effective interest method.
- Accounts payable as “other liabilities”. Other liabilities are carried at amortized cost using the effective interest method.

### *Transaction Costs*

Transaction costs related to held for trading financial assets are expensed as incurred. Transaction costs related to held-for-trading financial assets, loans and receivables and other liabilities are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the effective interest method.

The Organization has chosen to continue to apply the requirements of Section 3861, Financial Instruments – Presentation and Disclosure in place of application of Sections 3862, Financial Instruments - Disclosures and 3863, Financial Instruments – Presentation.

### *Use of estimates*

In preparing the Organization's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

### *Future accounting changes*

#### New accounting framework

The Canadian Institute of Chartered Accountants has issued a new accounting framework applicable to Canadian not-for-profit organizations. Effective for fiscal years beginning on or after January 1, 2012, not-for-profit organizations will have to choose between International Financial Reporting Standards and accounting standards for not-for-profit organizations, whichever suits them best. The Organization currently plans to adopt the new accounting standards for not-for-profit organizations for its fiscal year beginning on May 1, 2012; however, the impact of this transition has not yet been determined.

## REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

*This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Despite the turmoil in the financial world during the last year, all was relatively calm in the financial world of our Grand Lodge. Operating income and expenses were in line with our budgeted forecast. Once again the expenses incurred by your Grand Lodge committees came in under budget. Only two committees came in over budget. For the D.D.G.M. Orientation committee this was due to services that had previously been provided at no cost, but which are now being charged for. The committee has revised their budget for the coming year to account for this extra expense. The Communications Committee which is developing our new website wanted to commence work on Phase Two of the website immediately after completing Phase One rather than waiting to start after Grand Lodge in July. The Management committee recommended that this be done. As there were unused funds in the budget for the Ontario Mason Magazine that would cover the start on Phase Two, Audit & Finance agreed that the committee could go over budget. Our overall budget figures were unaffected. Even with these unforeseen expenses we came in \$35,458 under what had been budgeted for the year. Your committee Chairmen and the Grand Lodge Office are to be commended for the prudent use of Grand Lodge funds. Also the budgeted expense for additional staff was not required. Thus our net operating loss on the General Fund for the past year before the application of unrealized capital gains or losses on investments was reduced to \$17,611.

During the past year your Audit & Finance Committee completed the following tasks:

1. With the Grand Treasurer it was decided to move from individually held bonds in our investment portfolio to the Scotia Canada Corporate Bond Fund. This was done in an effort to generate more income in this continuing era of low interest rates. This pooled Corporate Bond Fund is more actively managed and has historically generated higher returns than generated by our individual bonds. The quality of the bonds held in this pool are of the same quality as when we held individual bonds.
2. A Sub Committee was formed to study the need for and the duties of an Office Administrator in our Grand Lodge Office.
3. On a monthly basis the financial statements of all Grand Lodge Funds were reviewed.
4. The Grand Lodge Insurance Program ( 255 Lodges and concordant bodies, 65 Lodge Building Corporations and 1 district presently on the program ), the Grand Lodge Pension Plan and the Grand Lodge insurance policies were monitored.
5. The quarterly financial statements of the College of Freemasonry, the Newsletter Reflections and MasoniChip were monitored. The monitoring of MasoniChip ended January 2012, as it is now incorporated and operating as an organization separate from Grand Lodge.
6. The annual reports of the Grand Secretary and the Grand Treasurer were reviewed. and the committee recommends the adoption of these reports.
7. The Investment Policy Statement was reviewed.
8. The rolling 5-Year Budget for Grand Lodge was updated.

### Project Accomplishments:

1. Report of the Sub Committee on the need for an Office Administrator was received and accepted. This report has been forwarded to the Grand Master.
2. The transfer of the Square & Compasses logo from the Masonic Foundation of Ontario to your Grand Lodge Corporation was completed.
3. A Financial Policies Document was completed. Special thanks to Norman McCarthy for undertaking this project. We now have a single document containing all the financial policies passed by this committee over the last several years. This document will be

updated regularly with any new financial policies that are passed.

### **Committee Recommendations:**

1. Grand Lodge needs to move forward on the restructuring of the Grand Lodge Office in order to position ourselves to meet the needs of Masons and to have the in house skills needed to operate in the new and evolving work place we now find ourselves in.
2. Succession planning regarding the office of Grand Secretary is required.
3. The Grand Secretary to implement annual performance appraisals for all Grand Lodge staff. These appraisals to be submitted in writing to the Audit & Finance Committee by April 1st of each fiscal year prior to the Budget deliberations.
4. Tenders to be called for the management of the investment assets of Grand Lodge.

### **Investment Portfolio:**

During the past year your committee met with Scotia Asset Management L.P. three times to review our investments and the income generated by those investments. The General Fund Investment Portfolio of Grand Lodge as of April 30, 2012, stood at \$2,013,838 as compared to \$1,942,616 on April 30, 2011. The other funds under the purview of this committee totaled an additional \$2,587,724 as detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2012, stood at \$4,601,562 compared to \$4,492,048 on April 30, 2011. All investments have been marked to market value.

We recommend that Scotia Asset Management L.P. continue to be engaged as the Grand Lodge portfolio managers.

### **Financial Statements:**

The audited financial statements of Grand Lodge for the year ended April 30, 2012, were reviewed and discussed in detail with our auditors, Deloitte LLP at a May 30, 2012, meeting of the Audit & Finance Committee. These audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2012, the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments a deficit of revenue over expenses of \$17,611 for fiscal 2011 to 2012 compared with an excess of revenue over expenses of \$7,573 for fiscal 2010 to 2011. The consolidated financial statement for all our funds shows an excess of revenue over expenses of \$63,293 before the application of unrealized capital gains or losses on investments.

Effective January 1, 2012, it became necessary for all Canadian not-for-profit organizations to adopt one of two new accounting standards. Your committee voted to not to adopt the International Financial Reporting Standards, but to adopt the Canadian Standards for not-for-profit organizations.

The committee recommends that the audited financial statements for the year ended April 30, 2012, be adopted as submitted. We also recommend the continued engagement of Deloitte LLP as our auditors. Our thanks go to Evan McDade C.A. and his team for conducting the audit in time to meet the time lines of Grand Lodge.

### **Budget 2012 – 2013:**

The requirements of all Grand Lodge Committees were used in the preparation of the annual budget for Grand Lodge for the year ending April 30, 2013. The requirements of the Grand Lodge Committees for the coming year total \$123,950.

The budget for the General Fund for the coming year is set out in the appendix of this report which reflects anticipated revenues of \$1,022,500 and expenses of \$909,233 resulting in a projected surplus of \$113,267 before the application of unrealized gains or losses on investments.

Your committee submits for consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2013. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming fiscal year.

### **Charitable Donations:**

Your committee reviewed the donations made by the Grand Master on behalf of our Grand Lodge. The donations totaled \$2,500 and were made up of Mississipi Tornado \$1,000, New

York/Pennsylvania Tornado \$1,000 and the Philippines Typhoon \$500.

As such we recommend the approval of the same.

A heartfelt thanks to the hard working members of my committee, R.W. Bros. T. Hogeboom, N. McCarthy, P. McGrenere, B. Koivu, V.W. Bro. P. Skazin and W. Bro. R. Hawken. Once again the Grand Secretary and the staff of Grand Lodge have been of great assistance during the past year. To the Ex-Officio members M.W. Bro. D. G. Dowling, R.W. Bros. D. Campbell and T. McLean your attendance, interest and input is greatly valued by this committee.

Respectfully and fraternally submitted on behalf of the committee.

JAMES C. SUTHERLAND, Chairman

## REPORT OF THE GRAND TREASURER

*This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

As I was writing this report to the 157th session of our Annual Communication, I reflected on how much easier this report is to prepare when the economy returns good news, though even marginally. It sure makes it easier to report to you the shareholders when the news is good as opposed to the previous several years of low returns on our investments and escalating costs. This is in large part to the agreement of the membership to our proposed amendment to raise the per capita fee to Grand Lodge at our last Communication. Although the size of the increase was unfortunate, your Grand Lodge, appreciates your confidence in our action plan to put us back on a sound financial footing. The agreement to properly fund our Grand Lodge will be remembered as a wise, and necessary, move for years to come. I personally was most appreciative of the discussion surrounding this matter to have the opportunity in several Lodges and at Grand Lodge to detail the need and receive your support when properly explained. I would argue that today, our Grand Lodge is in the strongest and financially sound a position that it has been in for years. As I said last year, I want each of you to know that I am always open to your continued feedback and input while we work together as the 'Financial Conscience' of our Grand Lodge.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Asset Management L.P. Again, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of our continuing this relationship on the existing terms. However, to be prudent, the Audit and Finance Committee will be calling for tenders over the next year for the management of the investment assets of Grand Lodge to assure we are getting value on the return and on the cost of the advice.

Our investment portfolio, which is presented annually to Grand Lodge, is soundly based on an investment strategy of two thirds in quality bonds and the balance in proven dividend paying equities. Our investment policy also stipulates that the fixed income securities must be rated at least BBB by a recognized rating agency; that the equity portion of investments must be on the approved list of Scotia Asset Management L.P. research; that no single issuer may represent more than ten percent of the total equities in the portfolio; and while the use of pool funds is permitted, derivative instruments and hedge funds are not permitted. As at the end of this fiscal year ending in April 2012, our investment portfolio consisted of 10% cash and equivalents, 60% bonds and 30% equities – all within the approved range of your Grand Lodge Investment Policy Statement.

In an effort to generate more income during these times of low interest rates, it was decided during the past year to move from individually held bonds to the Scotia Canada Corporate Bond Fund. This pooled Fund is more actively managed and has historically generated higher returns and is still within the same quality as restricted by our Investment Policy. As a result, while our portfolio has become more conservative, it has cash rich dividends and over the past year, the bond market has been very good to us. Over the past year, our portfolio has improved in yield, market value and projected revenue.

At our last investment portfolio review ending April 2012, Scotia noted the gradual decline in our portfolio percentage yield from 4.04% in 2008 to this year ending at 3.56%. But yet on an asset base of \$4.6M, we did yield interest of \$164,502 during the last fiscal year with a projected rate of return of 4.98% or a cash return of \$230,168 less the management fees for the 2012 – 2013 fiscal year.

In this era of historically low rate of returns, this projection may seem optimistic especially with the monetary issues in Europe continuing to simmer, the decreasing growth expectations in developing countries such as India and China and the sense of panic in the U.S. Federal Reserve. However, the growth expectations of the equity market are projected to improve for the next five years and if inflation stays in check, we will continue to do well in the bond market.

We all owe a great debt of thanks to the Grand Secretary, M.W. Bro. Terence Shand, and his staff for once more having a 'clean' audit by Deloitte & Touche LLP. It is very comforting to your Grand Treasurer to hear Evan McDade report from our audit firm that our financial statements present fairly the financial position of our Grand Lodge in accordance with Canadian generally accepted accounting principles.

The Audit and Finance Committee of our Grand Lodge, under the chairmanship of R.W. Bro. James Sutherland, continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership as a whole on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business with a budget of \$850,000 per year is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Chairman and the Grand Lodge staff, including our Grand Secretary, who monitor and manage within these boundaries. I feel it most important to repeat myself from last year when I assure you there is no 'fat' in the committee or administration expenses of your Grand Lodge. Contrary to the popular misconception, Grand Lodge Officers cover almost all of their expenses including regalia, travel, banquet tickets, etc. from their personal resources with the exception of partial recovery of expenses when on Grand Lodge Committee business in the field. I continue to pledge my support and thanks to each and every Grand Lodge Committee, Chairman and the Grand Secretary who spends so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master.

You will be pleased to know that your Grand Lodge Team exceeded goal on almost every key objective laid down in last year's budget – gross operating expenses were under goal, net operating costs were under goal, net operating income finished better than expected and other income from the sale of books, pins, etc. exceeded expectations. The only area in which we were on the wrong side of the budget plans were in total operating income. Your cash conscious Committee Chairman came in \$35,458 under budget which allowed us to finish the fiscal year at a net operating loss of \$17,611 – much better than the \$138,000 plus we had projected at this time last year. And the good news is the budget plans for 2012 – 2013 are predicting a net operating income and net receipts to be back in the black with a net income of \$113,000 – a very pleasing reversal of fortune, which without your cooperation last year would never have been possible.

Although this is certainly comforting news, we will not relax. Our unbalanced world economy and uncertain investment future continues to drive each of us to keep an even tighter handle on the spending of your money at Grand Lodge. Only those who have been involved can imagine the time and energy that goes into creating, massaging, approving and then monitoring the budgets of each Grand Lodge Committee and the Grand Lodge Office itself. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge.

Sincerely and fraternally submitted.

THOMAS W. HOGEBROOM, Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

### **REPORT OF THE MANAGEMENT COMMITTEE**

*This Report was presented by R.W. Bro. D. G. Dowling, Chairman, and on motion of R.W. Bro. Daniels, seconded by R.W. Bro. D. G. Dowling, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on behalf of the Management Committee and its several members who continue to demonstrate their dedication and attachment to our fraternity by giving their time and expertise for the betterment of Freemasonry of Ontario. It was a pleasure to welcome back R.W. Bros. David M. Sheen and Terrence V. Horner, both elected members of the Management Committee.

The Management Committee, whose mandate is located in Section 136(l) of the Book

of Constitution, met six times during this past year to deal with numerous issues pertaining to the administration and welfare of the Craft. Further, meetings with the Grand Lodge Committee Chairmen and the 35 Elected, Honorary and Appointed Members of the Board were held in August 2011 and March 2012.

At our last Annual Communication, the Book of Constitution was amended relating to the terms of individuals elected or appointed to the Management Committee. Section 134(k)(vi), now states that the two appointed Board Members shall be for two years each, coinciding with the term of the Grand Master. The appointed members of the Management Committee are R.W. Bro. Terry A. McLean and H. Edward Standish. There is no limit to the number of times a Board Member can be appointed by successive Grand Masters.

Also, section 134(k)(v) states that a Board Member shall be elected to the Management Committee each year for a three year term. Prior to the Annual Communication, the Deputy Grand Master will communicate with the 35 Elected, Honorary and Appointed Members of the Board informing them that if any Member of the Board of General Purpose has a desire to serve on the Management Committee, they must submit a letter to the Deputy Grand Master stating that they would like their name placed on the ballot for the Management Committee in July. Currently, the three elected members of the Management Committee are: R.W. Bros. John C. Green (3 years), David M. Sheen (2 years) and Terrence V. Horner (1 year).

This year, members of the Management Committee members took charge of different pillars and worked with various committee chairmen in the capacity of "Liaison Member" to assist the various Grand Lodge chairmen in becoming an effective and productive chairman.

### **Craft Stewardship**

R.W. Bro. John C. Green took on the responsibility as the Liaison Member for Craft Stewardship, which included the following committees: D.D.G.M. ### **2011-2012 Tactical Plan**

At our last Annual Communications of Grand Lodge, the brethren directed the Board of General Purposes to focus its attention to the Yearly Tactical Plan 2011-2012. The Yearly Tactical Plan prioritizes our work for the coming year. One of the top priorities was our website. Our new Masons grew up in the digital age. They are far more tech-savvy than we are; Grand Lodge communication systems need to be updated to serve the brethren in the

21<sup>st</sup> Century. The website is the primary communication tool for all members and we are fully aware our current site needed improvement. We envision a website that will be among the best Masonic websites in North America, one that, not only provides quality information to our membership, but provides accurate information to non Masons seeking admission to the Craft.

R.W. Bros. Norm McCarthy, Chairman, Communications Committee, and Website Team Leader, Richard Kaufman, gave a three phase presentation to Management Committee, who unanimously supported this project.

I am pleased to report, of the 16 projects assigned to the 2011–2012 Tactical Plan, more than 80% were completed, and several will continue to be worked on in 2012 or they have been included in the 2012–2013 Tactical Plan. The results are as follow:

The Management Committee acting in its advisory and policy making role dealt with the following during this year and recommend their approval by the Board:

- Guidelines for Travel Allowance for Grand Lodge Committees:  
Grand Lodge Committee Chairmen and Committee Members are not reimbursed for travel, meal and accommodation expenses incurred in the ordinary discharge of their duties, responsibilities, and activities unless it has been included in their budget for that year, or special assignments pre-approved by the Grand Master or Deputy Grand Master. It is recognized that some committees require travel to fulfill their mandates. Such committees must plan ahead and include travel expenses in their budget. Approved mileage allowance of 20 cents per kilometer per vehicle for a distance greater than 160 kilometers one way, and meal and accommodation allowance for an overnight stay of \$50.00 for each member per session which is more than 250 kilometers one way.
- Publishing Policy:  
Prior to the publication of any material on the Grand Lodge Website or via hard or soft copy publication, the committee or author responsible for publication must apply the Grand Lodge Publishing Policy. In the application of this policy, due diligence is the level of judgment, care, prudence, determination and investigation that a Mason would reasonably be expected to use when authoring a Grand Lodge publication:

- (a) Ensure that the ritual is not quoted at length, and the secrets not at all;
- (b) Current political and religious references are to be avoided;
- (c) Subject matter supports a positive image of Grand Lodge; subject matter is authenticated and properly authored; material is consistent with and supportive of Grand Lodge publications; and information supports the unity, civility, and harmony among the members of the Craft.
- Reimbursement of Approved Expenses for Members of the Board of General Purposes attending Grand Lodge:  
The intent of these guidelines is not to reimburse the actual cost incurred but rather to acknowledge in some small way the financial burden that the brethren incur in carrying out their duties as Members of the Board of General Purposes. A reimbursement of \$40.00 per person per night for a maximum of four nights will be made to only those members of the Board of General Purposes registered at the Host Hotel (*Fairmount Royal York*) while attending the Grand Lodge Annual Communication.
- Grand Lodge Communication Strategy:  
To provide effective, consistent and efficient two way communications between Grand Lodge, all members of Freemasonry and prospective members using the most appropriate medium to reach the target audience in a timely manner.
- Annual Reviews from Sister Jurisdictions:  
The brethren appear to be in favour receiving these reports monthly rather than written in the back of the Preliminary Proceedings. It has been recommended that the Annual Reviews not be published in the Preliminary Proceedings, but will continue to be printed in the Annual Proceedings of Grand Lodge.
- Recommendation to the Grand Master that the Special Committee:  
Leadership Training and Development Committee, change its name to Special Committee – Leadership Development Committee, with a new Mission Statement: (a) Identify leadership talent and professional competencies among the membership; (b) Encourage individuals to offer themselves for leadership roles in Grand Lodge and provide expertise as members of committees; (c) Collect best practices of leadership and make them widely available to the membership; (d) Maintain currency of the Reference Guide and make it available on the Grand Lodge Website; and (e) Act as the custodian of the Survey software licenses and assist other committees to design and conduct surveys of target groups and analyze and report results.
- Recommend to approve of the 2012–2013 Grand Lodge Committee Budgets.
- The Management Committee supports the Grand Master's Ad Hoc Committee Report on the Restructuring of Grand Lodge Committees with a slight modification to the composition of the Executive Committee. The Management Committee recommends that the Executive Committee consist of the Grand Master, the Deputy Grand Master, the Grand Treasurer, the Grand Secretary and three elected members from the 35 Elected, Honorary and Appointed Members of the Board of General Purposes.

As of this writing, three Semi-Annual Returns, due January 8, 2012, have not been received at the Grand Lodge office (an improvement over previous years). Subsequently, the July 8<sup>th</sup> return forms have not been mailed, negating the three principal officers an opportunity to vote at this Communication. A reminder . . . Section 300, Book of Constitution states, "Each lodge shall mail or otherwise deliver to the Grand Secretary, its returns and payments to Grand Lodge, semi-annually, on or before the 8<sup>th</sup> day of January and the 8<sup>th</sup> day of July each year." Please consider this responsibility an important one, particularly when considered in relation to Section 152 (p) Constitution of Grand Lodge, adopted July 2009. It is essential that the replacement of the Lodge Secretary receive adequate information and training

prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet.

### **Closing Remarks**

Grand Lodge has and is undergoing staff changes this year. Ms. Angela Schmidt left our employ, due to recurring health issues, after some four years of service and Mrs. Rose Blandin plans to retire August 31, following 13 years of service. Both have diligently served our Grand Lodge, the lodges throughout Ontario and its membership, in an exemplary manner and with the utmost of assistance and courtesy. A process to suitably replace them has been initiated and is progressing. Those that remain are dedicated team players who take great pride in the service they provide while contributing to the *esprit de corps* enjoyed in daily office activities.

We thank the great majority of lodge secretaries for the stellar service provided to their respective lodge. We commend those of you who conscientiously submit the required data and information in a timely manner. To all those having dealings at the office, our thanks for your cooperation as we endeavor to provide the essential services necessary.

Respectfully and fraternally submitted.

On a personal note, and on behalf of my family, I extend our sincere and heartfelt appreciation for the overwhelming expressions of condolences received from our membership throughout this vast province. Thanks are also extended to several of our peer group friends who are guests on the dias today, together with, many others throughout Canada, the United States and indeed Europe.

Those expressions served as a comfort, to our family, that will long be remembered.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

## **REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS**

Forty-four reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of Grand Secretary, seconded by M.W. Bro. Donald H. Mumby they were referred to the Board of General Purposes.

### **REPORT OF THE DISCIPLINE COMMITTEE**

*This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of R.W. Bro. Daniels, seconded by R.W. Bro. D. E. Jacklin, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year one Masonic Trial was held after Reviewing committee found reasonable grounds to proceed with a charge against a member for a breach of S. 410 (b) of our Constitution. The trial was held and the member convicted by a trial commission and a penalty of indefinite suspension was imposed along with a recommendation for expulsion. The appeal period from

this decision has not yet passed and the committee is unable to consider the matter further until that process is complete.

A review committee was appointed regarding the conduct of 3 brothers, members of the same lodge. The Committee found no evidence of a Masonic offence.

One certificate of Severance was granted to a member charged with a serious criminal offence at his request.

The committee wishes to express its appreciation to the members of the reviewing committees and the trail commission for their diligence in the performance of their duties, without which the Discipline system cannot work.

Your committee is looking into constitutional amendments and practice guidelines to streamline and speed up the discipline procession in an effort to bring it into the Twenty-First Century.

Respectfully submitted on behalf of the committee.

DAVID E. JACKLIN, Chairman

## REPORT OF THE GRAND CHAPLAIN

*This Report was presented by R.W. Bro. Ronald C. Smeaton, Grand Chaplain*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Receiving the appointment as Grand Chaplain by our Grand Master, M.W. D. Gary Dowling has been a very humbling yet rewarding experience in my Masonic Career.

The support which I have received from Forest Lodge No. 162, in Wroxeter and the Brethren of North Huron District has encouraged me to share in the various events and activities throughout our Jurisdiction with enthusiasm and excitement.

Due to my responsibilities with my own two Congregations, I have been limited in my traveling to Districts in the Eastern and Northern parts of the province. Those Districts which I have been able to share in either during Amalgamations, Lodge Dedications, Memorial and Divine Services, Grand Master Receptions, Official Visits with the District Deputies or just a great social time at regular meetings, have brought many opportunities to enhance my Masonic Education and understanding of the Craft.

Ellamae and I have met many new Brethren and their wives over the past twelve months and are pleased to consider them close friends.

The Great Architect of the Universe has taught us to open our hearts and our minds to new learning, new fellowship and new understanding of the journey we take during our life here on earth. As we follow the great principles of our Craft – Faith, Hope, and Charity, may we continue to work in unity and support with all our Brethren.

If asked to assist in times of difficulty, may you respond: I am not helping you because you are a Mason, I am helping you because **I am** a Mason.

Submitted with great appreciation for the opportunity to serve the Craft and with humble thanks for those Brethren who saw my strengths and allowed me to have the experiences which I will never forget.

REV. DR. RONALD C. SMEATON, Grand Chaplain

## REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

*On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. D. H. Mumby, seconded by M.W. Bro. W. R. Pellow, and adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

It is my honor and pleasure on behalf of the Committee composed of all of the Past Grand Masters to present this report on the Grand Master's 2012 address.

We join with our Grand Master in extending a warm welcome to all who have assembled at this, the One Hundred and Fifty-Seventh Annual Communication of our Grand Lodge. We are particularly pleased that so many distinguished guests from our sister Grand Lodge and representatives of concordant bodies are with us today. May your stay be pleasant and may you benefit from the deliberations that have taken place on this occasion.

Mourning those who have passed from this life is often difficult, but, celebrating the life they lived and the contributions they have made to this great Fraternity and to society as a whole makes us realize that we live in the midst of greatness. We join with others in paying thankful remembrance to those distinguished Masons who have passed from our midst and cherish their legacies with thankfulness.

We concur with the conferral of Past Rank and Past Grand Senior Warden (Honorary) rank upon the mentioned four, deserving Brethren.

Like wise we concur with the granting of Wilson Mercer Wilson awards to the five distinguished and deserving Brethren and regret that three did not live long enough to enjoy the reward they so justly deserved.

Congratulations are extended to the three recipients of the Grand Master's Meritorious Service Award. You have justly earned this award and have our heartfelt thanks for all that you have done to advance Freemasonry over the years.

The Committee concurs with the appointment of the three Honorary Members of the Board of General Purposes and with the appointments of Grand Representatives.

The endeavours of those who have worked so diligently on the Restructuring and Succession Planning ad hoc committees, as well as the Incorporation of this Grand Lodge, is appreciated. We hope that the recommendations flowing from these committees will serve to enhance the operations of this Grand Lodge well into the future. We recognize that change is not always easy, but that it is necessary if we are to meet the demands of today's membership.

We commend our Grand Master for his involvement in the Hands Across the Border and Prince Hall visitation ventures and for the ambassadorial role he has played whilst visiting other jurisdictions. His active participation in the North American and all Canadian conferences of Grand Masters has been noted with gratitude. His active participation in events relating to the wider Masonic family is appreciated and the strong leadership role he has played has been noted.

The Brock University partnership continues to be of utmost importance and we applaud the efforts made to keep it front and center in the minds of Masons. This partnership has the potential of becoming one of our greatest Public Relations initiatives and we must ensure that it continues to play a key role in educating, not only our own membership, but the public at large of the role Freemasonry plays and has played in the development of the Canadian fabric. We must continue to move forward in our thinking vis a vis this project and not let complacency and lethargy overshadow the potential that confronts us. Consequently, we believe we must be prepared to take those bold steps that are necessary to make this initiative strong and lasting.

While we congratulate those lodges who are celebrating significant anniversaries of longevity, we are concerned with the significant numbers that have found it necessary to amalgamate or go into darkness. The steady erosion of our lodge numbers is a source of concern and we can only hope that all members will work diligently to keep their lodges active and strong. While the easier route is often tempting, the rewards of perseverance are gratifying.

We Join with our Grand Master in deploring the inordinate delays we are encountering in relation to Disciplinary issues for such delays are not fair to the members involved or to our Grand Lodge. In a Fraternity in which Brotherly Love is espoused as being one of the key components, the need for any form of Disciplinary procedures seems antithetical and yet every year we witness the erosion of that moral fabric from which our Fraternity is woven. Morality is not just a word but must be an inherent quality that we all practice. The escalation of what are deemed private piques and quarrels seems to point to the of egoism over common

sense and should be reversed. We urge every member to let Brother Love become the dominant factor in our interpersonal relationships.

We thank those members of the Board of General Purposes who are retiring from active service for all that they have done to further the work of this Grand Lodge. Thanks to your efforts over the years the work of this Grand Lodge has been advanced immeasurably.

The Grand Master's acknowledgement of the roles played by the Past Grand Masters, the Deputy Grand Master, The District Deputy Grand Masters, The Members of the Board Of General Purposes, The Grand Director and Assistant Grand Director of Ceremonies, The Grand Secretary, the members of the Grand Lodge Office Staff and the Custodian of the Work is appreciated. We acknowledge with pleasure the role played by Mrs. Wendy Dowling and join with the Grand Master in extending our thanks and appreciation to her.

Respectfully and fraternally submitted on behalf of the Committee.

D. H. MUMBY, Chairman

### **REPORT OF THE LIBRARY, MUSEUM AND ARCHIVES COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the committee, it is my pleasure to report on the activities of the Library Museum and Archives Committee for the past Masonic year.

#### **LIBRARY**

This year your committee consisted of R.W. Bros. Lanny Salmon (Team Leader), James Ford (Grand Librarian), Ron Bivens, V.W. Bros. Tom Peddle, Donald Falconer, W. Bros. Alliston Gowling and Louis Jansurik. They were supported by the following volunteers: V.W. Bros. Rick Rutherford, Chas Willmore, Donald Thompson and W. Bros. David Hayward and Robert Todd.

- This year we purchased an Adobe Professional Reader Software Programme which allows the Brethren to read the content page of each of the books they are planning to borrow.
- We also completed the first year of our Restoration Book Programme for the Reference Library.
- We renewed our membership in the MLMA Association of North America.

- We also renewed our leasing agreement with Library World for their on-line software programme.
- We continue to catalogue and scan all donated and new material into our on-line software computer programme for the Lending and Reference Libraries.
- For the convenience of the Brethren, we arranged to have both libraries opened on Monday to Thursday from 10:00 A.M. to 2:00 P.M. and on the second Saturday from 10:00 A.M. to 12:00 noon for the months of September, October and November 2011 and February, March, April and May 2012.
- Special appointments were arranged for Brethren who could not get to the library during the posted times.
- We continue to work slowly towards the completion of the website.

#### MUSEUM AND ARCHIVES

This year the committee consisted of V.W. Bros. Daniel Glenney, Grand Archivist (Team Leader) and Michael Jenkyns, Grand Historian. They were supported by the following volunteers: R.W. Bros. John Quinn, Graydon Jones, Marvin Smith, Andrew Downes, V.W. Bros. Greg Lotz, John Sutherland, John Schaeffer, W. Bro. Roy Gomes.

- The Grand Master's Commemoration project continues. A total of 27 graves have been located and visited. A digital photo album of grave sites visited to date is on file, with the eventual goal of placing on the Grand Lodge Museum and Archives Website.
- Work continues on the Masonic Treasures project in locating and in identifying Masonic Treasures in Lodges and in private collections. The project has the positive and immediate effect of raising the awareness of the historical significance of these items, plus advice to the owners on their preservation. The eventual goal is to place a photograph and description of some of these Masonic Treasures on the Grand Lodge Museum and Archives Website. Some Masonic Treasures that have been identified are:
  - A Masonic Apron claimed to date back to 1741 and was brought to Upper Canada by the Loyalist family, the Weatherheads, after the American Revolution. It is owned by Sussex Lodge No. 5 in Brockville.
  - The locating of an 1814 era Masonic jewel belonging to the Mohawk Chief and Brother John Norton. The medal is now at the Haldimand County Museum in Caledonia.
- We will start to develop a Museum and Archives website during the summer months.

The Library, Museum and Archives Committee would like to thank the Grand Master and Deputy Grand Master for their continued support of the committee's goals and objectives.

In closing, I would like to express my appreciation and sincere thanks to the members of the Library, Museum and Archives Committee for their time, effort, contribution and co-operation, to all the volunteers for their time and co-operation, to the Grand Secretary and the Grand Lodge Office staff for their help and co-operation, and to V.W. Bro. Robert Kliaman and W. Bro. Maurice Hebert for their special effort and co-operation.

Respectfully submitted on behalf of the committee.

CHARLES H. REID, Chairman

#### REPORT OF THE COMMITTEE ON SEMINARS AND WORKSHOPS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Seminars and Workshops Committee, I am pleased to submit our report for the period July 2011 to July 2012.

#### Overview:

For the 2011–2012 Masonic year, the Seminars and Workshops Committee had three main areas to focus on. First, the preparation of reports from the 2011 Workshops, including the statistical data collected from the evaluation card handed out at each session. Secondly

preparation of a brainstorm list of possible seminars and workshops to be presented on Tuesday afternoon at the 2012 Annual Communication of Grand Lodge. Thirdly, to prepare a report on the feedback received from the evaluation collected after the 2011 Meet the Nominees session and to coordinate the “Meet the Nominees” session for those seeking Grand Lodge Office, to be held on Tuesday evening of the 2012 Annual Communication of Grand Lodge.

### **Looking back on 2011:**

The committee considered the lineup of Seminars and workshops presented in 2011 to be a success, and the first step in continuing to evolve the Tuesday afternoon program of the Annual Communication. The inclusion in the rotation of the 2 interactive panel type sessions, “Engaging the New Mason” and “Religion in Masonry” were quite well attended and the discussion was lively and free flowing between the panel and the attendees. Which we hoped would be the goal of trying this format. These two Workshops complimented nicely the more traditional styles of workshops offered in the other time slots. Below is a quick summary of the number of evaluations handed in for each workshop.

1. Engaging the New Mason – 100
2. Religion in Masonry – 102
3. The George and Gord Show – 34
3. Degree Planning – 61
4. Installation teams – 42

With a better than average attendance at the 2011 sessions, we aimed for the same fresh and new approach as we worked towards planning 2012.

We would like to once again thank all those who agreed to be part of the Workshop lineup last July.

### **Meet The Nominees’ Session 2011:**

Once again our committee coordinated the Meet the Nominees’ session on Tuesday evening in Salon A of the convention level. Attendance was up from 2010 with 210 Brethren attending. All but 1 candidate participated in the session.

Of the 137 evaluation cards that were turned in, the committee extracted the following data to the question, “Was this session helpful in making your decision”:

- 88 replied Yes
- 18 replied No
- 13 offered a neutral opinion but add constructive comments
- 18 returned the evaluation blank

The brethren attending represented 22 of the 44 districts. Comments from both participants and attendees suggest this is a worthwhile session to hold.

### **Looking Ahead to July 2012:**

Our Seminar and Workshop lineup is set for Tuesday, July 17, 2012; we will present the following sessions:

1. Retention: What Works For Us.
2. Membership and Mentoring.
3. Diversity in Masonry.
4. The Cornerstone Project.
5. Serving Your Grand Lodge.

Also, as in past years, we will have the ongoing Computer Resources Workshop running throughout the afternoon.

The committee has once again did our best to choose topics and presenters who will inform as well as encourage lively discussion and get the attendees thinking about what Masonry means to them, today and in the future.

The complete and final lineup as well as the room assignments will be available at the Board of General Purposes Meeting on Monday July 16, 2012.

### **Meet the Nominees’ 2012:**

Those who have allowed there name to stand for and elected office in our Grand Lodge will have the opportunity to meet with the voting delegates in Salon ‘A’ (Convention Floor) on Tuesday evening, July 17<sup>th</sup>.

This being the 4<sup>th</sup> year for this type of event, we as your committee hope to build on the feedback received the last 3 years to make improvements:

- Letters of invitation will be sent out to each nominee in the June 1<sup>st</sup> time frame. With hopes of no postal strike this year which delayed the letters until late June in 2011.
- Name badges will be available to those participating.
- The committee will again have on hand copies of the, "Nomination List – 2012."
- The committee will again collect feedback from those attending and those participating.

### **Looking Beyond 2012:**

The Seminars and Workshops Committee is committed to make Tuesday afternoon of our Annual Communication the place to be for Masons of this jurisdiction. We would like to evolve our program in the next couple of years to include a guest speaker from outside our jurisdiction. There is a wealth of speakers who would bring a new and fresh perspective to the topics we have regularly featured in our Tuesday program. Beyond that the limits are only set by the imagination and ingenuity of the committee and the brethren's willingness to attend: Some ideas that have been suggested are but not limited to: presentations of Masonic Plays, Special Historical Degree teams, screening of Masonic relevant movies such as "The Man Who Would Be King" or "National Treasure," group discussions on Masonic books, the chance to listen to and learn about Masonic music. Indeed, my brethren the sky is the limit!

On behalf of the committee, R.W. Bros. Les Armstrong, Robert Cresswell, Neil Dolson, Gary MacGregor, Paul Shaver, Jamie Ireland, and Geoff Clays it has been our pleasure to serve Grand Lodge this year!

Respectfully submitted.

BARRY BURCHILL, Chairman

## **REPORT ON THE MASONIC FOUNDATION OF ONTARIO**

*This Report was presented by R.W. Bro. A. Douglas Nichols, President*

To the Most Worshipful, the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Proceedings and Fraternal Reviews of Grand Lodge.

On behalf of the Board of Directors, I am pleased to present this report on the Masonic Foundation of Ontario to the one hundred and fifty-seventh Annual Communication of Grand Lodge. M.W. The Grand Master, I take great pleasure in officially presenting to you a copy of the 2012 Annual Report of the Masonic Foundation of Ontario.

### **Year in Review**

On Tuesday morning, it was my privilege to preside over the forty-ninth annual general meeting of The Masonic Foundation of Ontario and present the 2012 Annual Report to the assembled members and guests. The annual report highlights the regular, ongoing activities of the Foundation, as described by the Directors and Committee chairmen, and I highly recommend it to your perusal. The report was widely circulated at the Foundation's information booth, and extra copies are available from the Foundation's office. All lodges in Ontario will be furnished with a copy and the report will be posted on the Foundation's website shortly ([masonicfoundation.on.ca](http://masonicfoundation.on.ca)). As you read through the report, you will appreciate the wide spectrum of social needs addressed by the Foundation.

More than a year ago we began the task of reviewing our charity programs of the Foundation. The Directors concluded, after much study and discussion, that the present diversified support for a number of charities focusing the needs of children and youth was the preferred course of the Foundation's future direction. Each specific charity program presently being supported by the Foundation was examined and, with the exception of the annual bursary program for post-secondary school students, was found to warrant future support. Our main focus has always been the needs of children and young people, but we have not ignored our "more experienced" generation.

Financially, the Foundation's capital base has grown to \$14 million, and this growth has been achieved through many bequests received and investment capital gains realized.

We were very pleased that many District charity projects were registered with the Foundation and received, or will receive, a financial bonus from the Foundation upon presentation of the proceeds of their work to their supported charities. District charity projects are important in making communities better places, and the Foundation encourages, and is very supportive of, this activity. We thank the District Deputy Grand Masters and their fund-raisers for their hard work. The primary objective of these charitable activities is to meet and work together in the peace, harmony, and fraternal affection which characterize our great fraternity.

### **Appreciation**

The Foundation is grateful for the tremendous support of The Grand Master, the Deputy Grand Master, in his capacity as a Director of the Foundation and chairman of special charitable projects, and indeed all Grand Lodge officers.

On Tuesday, the Board expressed their appreciation to John Ault, who completed his six-year Director term. We wish John success in his future endeavours.

The Foundation could not function without the support of our dedicated staff. We are fortunate to have Mel Duke, Secretary, and Marlene Victor, administrative assistant. Their loyalty and devotion is very much appreciated, and the Directors salute them for their hard work.

On a personal note, I have enjoyed the support and confidence of the Board of Directors and am thankful for their devotion to the Foundation.

### **Looking Ahead**

At Tuesday's annual general meeting of the Foundation, John R. Hanna was elected to the Board of Directors, and we look forward to working with him in the coming years.

As more fully explained in the Annual Report, we are looking at opportunities to establish a more permanent means of providing financial assistance to post secondary school students as well as to fund medical research in the area of prostate cancer. We are also examining the Foundation's role in its support of District Charity projects.

We continually examine funding of programs to ensure we are meeting our mandate and fulfilling the needs of society in the most effective and efficient manner.

We will continue to strive to make to Foundation the **charity of choice of the Masons of Ontario...for the cause of good.**

All of which is respectfully submitted on behalf of the Board of Directors, Officers, and Committee Chairmen of The Masonic Foundation of Ontario.

A. DOUGLAS NICHOLS, President

## **REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

First of all, I would like to express my sincere appreciation to the members of the committee: R.W. Bros. P. J. Gillespie, B. Seabourn, P. McConnell, G. Ballard, L. Feldt and V.W. Bros. G. McDonald, and D. Walden for their dedication of time and efforts in making lodge buildings more pleasant within our jurisdiction.

As the external appearance of our Lodge Buildings reflects a perceived image of Freemasonry within our communities it is incumbent that we keep our Lodge Buildings and surrounding property as attractive as possible (after all, we are trying to attract new candidates to our Craft). Not only should we be keeping the exterior of our buildings pleasant to look at, but also, the interior of the buildings should also be maintained and kept current with the requirements of all the New Building, Electrical and Fire Codes.

Your Lodge Buildings (Advisory) Committee has not had the opportunity to assist any lodges with new construction or major renovations this year. However, we have had the privilege of assisting or commenting on minor renovations for the following lodges buildings.

**Rideau Lodge No. 460** – The renovations that have been undertaken have been completed and they are awaiting an inspection by the District Deputy Grand Master. Once that is completed and the occupancy permit is received they will be contacting the Grand Secretary for a date for the dedication.

**Lost Villages Lodge No. 256** – Renovations at this lodge are associated with the kitchen, banquet and washrooms of the building.

**Huronion Lodge No. 348** – While there is no actual renovations being undertaken, the Lodge has been forced to find a new lodge room and are presently meeting at the IOOF/ Rebbecca Chapter building in Midland. Dispensation for this has been approved.

**Dryden Lodge No. 484** – Renovations to the kitchen, anteroom and washroom areas of the building have been completed.

Additionally this committee has provided data to M.W. Bro. W. R. Pellow for his input to the ad-hoc review of the Lodge Buildings (Advisory) Committee.

In closing, I would like to thank the Grand Secretary and his staff at our Grand Lodge Office Building in Hamilton for all their help and guidance during this and past years.

All of which is respectfully submitted on behalf of the committee.

J. DAVID BELL, Chairman

### **REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Correspondence was received indicating on December 17, 2011, the Regular Grand of Portugal and the Legal Grand Lodge of Portugal have integrated to become, The Legal Grand Lodge of Portugal / GLRP, thus ending 15 years of separation.

In February 2012, M.W. Bro. D. Garry Dowling, Grand Master, regretfully, suspended fraternal relations with the Grande Loge Nationale Francais (GLNF) pending mutual resolution of an ongoing internal dispute. Subsequently, until notified to the contrary, Ontario Masons are not permitted to visit lodges under the jurisdiction of G.L.N.F. unless they hold G.L.N.F. membership. Likewise G.L.N.F. members are not permitted to visit an Ontario lodge unless membership is held in Ontario.

In March 2012, correspondence was received indicating the “Grande Loge Reguliere de Tahiti et de ses archipels” was constituted December 21, 2011, from three loges previously chartered by the GLNF. The new Grand Lodge practices regular Freemasonry claiming sovereign territory that meets the standards for recognition. The committee recommends a request for recognition be held in abeyance.

Respectfully and fraternally submitted.

GEORGE E. HINDS, Chairman

### **REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Finance Advisory Committee has worked on a full agenda meeting each month since August 2011 and continues to gain currency with Lodge and Temple. Each month we answer questions received from either constituency.

### **SIMPLIFIED ACCOUNTING PROCEDURE**

The Simplified Accounting Package is in final field testing and will be available to all Lodges in the next few months. Guidelines for, “Lodge Financial Audit” are readily available today.

### **ROLES AND RESPONSIBILITIES – Temple Corporation Directors/Trustees**

This year the committee has looked extensively at the role and responsibilities of the Temple Director or Trustee.

Our concern is that very few Directors or Trustees appear to take their responsibilities seriously and a number of Temples have either lost their Charters or may in the very near future for simply not filing the proper forms annually.

We are currently working on the Roles and Responsibilities of the Temple Corporation Directors/Trustees and will finalize this information prior to the New Year starting in August.

### **NEWSLETTER**

The first two issues of our Newsletter have been extremely well received and the many excellent questions raised have been answered directly following review at the committee monthly meeting.

We will continue the format embracing Financial Issues for both Lodge and Temple going forward.

Respectively submitted on behalf of the committee members: R.W. Bros. Robert Collins, David Armstrong, V.W. Bros. Bill Birdsall, John Rycroft, Alan Fryer (Co-Chair & Secretary), W. Bros. Vince Phillips and Alan Freedman.

TERRENCE HORNER, Chairman

## **REPORT OF THE COMMITTEE ON PUBLIC AWARENESS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

There have been many events this past year where the Masons in Ontario have taken the opportunity to engage with their communities and put a spot light on our fraternity. Although the Public Awareness Committee does not presume any credit for these events, they are still worth noting in this report. In particular, the following:

### **MasoniChip Program**

Having evolved and grown exponentially in Ontario since 2008 under the leadership of R.W. Bro. Ray Dobbs, the MasoniChip program has certainly brought an awareness of Freemasonry to non Masons. This past year there have been 137 Clinics providing Identification Kits to the families of more than 7000 children. Many brethren in this jurisdiction have volunteered their time, energy and skills to make each clinic meaningful and worthwhile. From a Public Awareness perspective, this type of interaction within our communities is unique and a remarkable opportunity to demonstrate the selfless good deeds of Masons. The clinics are often mentioned in the local newspapers and some local television stations have even given a few seconds of coverage of a clinic within their broadcast area. The Masons of North Western Ontario got a nice shout out last November in the Thunder Bay Chronicle-Journal when they registered their 5000<sup>th</sup> child to the MasoniChip Program.

### **Plowing Match**

The brethren of Eastern Ontario dedicated an incredible number of man-hours in order to have a Masonic display tent at the 2011 International Plowing Match held near Hawkesbury last September.

Their committee meetings which started 18 months in advance of the event, allowed them to plan the logistics and strategies to put a display in place where Masons and non Masons might engage. I am not sure if anyone tracked the total number of hours the brethren committed to all of the meetings and preparations as well as the setup and tear-down of the Masonic display, but it would be substantial.

### **Open Houses & Information Events**

We are aware of 34 public events held by lodges or districts this past year. In particular; dispensations were granted for 23 Open Houses, 3 Friend to Friend events and 8 Masonic Information booths including the display at the Plowing Match.

### Masonic Exhibit

Bruce County Museum and Cultural Centre has a traveling Masonic Exhibit called: "Freemasonry, A History Hidden in Plain Sight." Originally spearheaded by the members of St. Lawrence Masonic Lodge in Southampton Ontario in celebration of their 150<sup>th</sup> Anniversary, this display is attracting attention from across Canada. The exhibit celebrates the history of the Masonic fraternity and its contributions to Canada, Ontario and Bruce County. Other museums have made arrangements to rent this exhibit, in particular the Lennox-Addington Museum in Napanee Ontario from May to July 2012, which coincides with the 200<sup>th</sup> Anniversary of Union Lodge No. 9. More information regarding this fascinating exhibit of Masonic history and artifacts can be found both on the Grand Lodge website and the Bruce County Museum website.

### Grand Lodge Website

It was great to see the new and improved Grand Lodge Website finally launched in January 2012. It has many improvements and a more modern appeal than the old website. From a Public Awareness view we consider this an important and much welcomed initiative since our website is probably the most publically viewed asset we have. A further enhancement to our on-line presence would be the development of a blog such as Facebook or Twitter. Although there is a Facebook page named for our Grand Lodge. At this time, we are not aware of whom the administrator or owner of that page is; however, the page has 124 'Likes.'

### Summary

When it comes to Public Awareness, it is safe to say that most lodges and districts are doing something that gives them some exposure to their communities. It may be fundraising for a charity, driving cancer patients to hospitals, providing breakfasts for school children or allowing their lodge buildings to be used as courthouses. The challenge is to determine if the hours and money invested into all of these efforts truly has a return on investment to the lodge or the district or Freemasonry in general.

In closing, I want to thank the members of the Public Awareness Committee who offered their time and abilities to the service of our Grand Lodge, namely: R.W. Bros. Barry Hutton, Alan Arbuckle, Doug Cameron, Robert Cresswell, Ray Dobbs, Robbie Manz, Ken Wood, W. Bros. Tony Atkins and Robert Foote.

Respectfully submitted.

## REPORT OF THE COMMITTEE ON MASONIC EDUCATION

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

### Our GOALS this year were:

- Enhance our educational offerings
- Enable quality leadership

### The committee's OBJECTIVES were to:

- Expand educational offerings of papers and bulletins
- Develop new delivery vehicles for Masonic Education

The committee has met 3 times since September. Attendance at these meetings has not been complete.

1. We have produced a new publication, *Education Monthly*. It is a two-page document and is distributed electronically to all districts. It contains short articles and information as to how and where educational resources can be obtained.
2. The *Newsletter* and *Reflections* continue to be published by their respective teams. Readership in "*Reflections*" has remained at around the 600 mark, which is unsatisfactory. Changes are being actively pursued. Thanks are due to Bro. Rich P.

Gardner who was editor, but who resigned this year, and to our new Editor Bro. Andrew Douris. R.W. Bro. Garnet Schenk continues as Subscription Manager. A dedicated editorial board works hard for the benefit of the publication.

3. In partnership with the committee on Workshops and Seminars a major conference on Masonic Education is to be held in Ottawa on June 2, 2012. Its themes are – The TIMELESS VITALITY OF MASONRY: EDUCATION, COMMUNICATION AND PHILOSOPHY. We are hoping to attract Masonic educators from across the jurisdiction. They will then be better equipped to lead educational initiatives in their home districts. An innovative feature of the conference is to be a memory stick given to each participant. It will contain copies of all the papers and abstracts presented at the conference PLUS a considerable quantity of Masonic literature consisting of published Masonic texts and important articles. This collection hopefully will be placed on-line in future for the benefit of all brethren.
4. The College of Freemasonry currently provides 3 courses, each containing a number of modules. They are: Masonic Arts and Sciences, the Worshipful Master preparation course and the District Deputy Grand Master preparation course. The District Deputy Grand Master preparation course has been renamed as a “Past Masters’ Course” and will be offered to all Past Masters as they leave their term of office as Master. We have expanded the educational opportunities by permitting brethren to take individual modules only. We will offer these to the brethren of the jurisdiction starting shortly after the 2012 Annual Communication. Our objective is to expand the numbers of those becoming involved in formal Masonic Education. Brethren may take individual modules and gain credit towards completion of ALL modules comprising a course should they elect to continue taking individual modules. (At present only the Past Masters’ course is mandatory for those seeking election as District Deputy Grand Master or Grand Registrar). Our three current courses are composed of existing modules. We have added to these two new modules, Symbolism and Philosophy, and Protocol and Etiquette.
5. 105 students completed the D.D.G.M. course and 25 completed the Masonic Arts and Science course. Enrollment for the Masonic Year:
  - Masonic Arts and Science Course: 105 Students
  - D.D.G.M. Preparatory Course: 128 Students
6. Masonic Arts and Science Graduates: Congratulations to the brethren who completed the course and were awarded the designation “FCF” (Fellow of the College of Freemasonry).
7. The G15 manuals were withdrawn last year because of incompatibility issues. Many brethren have asked if and when they will be replaced. Progress is being made on their replacement, which should be ready during the next Masonic year.
8. We have had discussions on having many of our Masonic educational offerings on line. This will be a priority for the committee in the coming months.
9. The committee as currently constituted is unwieldy. It has more members than it needs and requires an executive committee so that plans and ideas can be instituted more rapidly than in the past.
10. The book sales subcommittee has done good work under the leadership of V.W. Bro. Douglas Gray and with the assistance of V.W. Bro. Bill Minors. It has limited terms of reference however, and could expand its offerings were these to be reviewed.
11. The chairman sits on the Brock University Partnership Committee enabling close liaison to occur between our committees. The forthcoming Ottawa Conference is a joint project of Education and Workshops and Seminars. Responsibility for the W.M. preparation course is shared with the Lodge Resources Committee. We have attempted this year to set up more liaisons with other Grand Lodge committees and other committee chairs have joined in our meetings to our benefit. Our work involves several areas where there is shared responsibility. Liaison is essentially necessary to enable more efficient use of resources, to improve the products of our several responsibilities and avoid duplication of effort.
12. The committee owes a debt of gratitude to the members of the College of Freemasonry executive, W. Bro. Gordon Hendrie, College Principal, V.W. Bro. Dale Graham, Dean, Bro. Rick Cadotte, Mentor Coordinator, R.W. Bro. Garnet Schenk, Program Development Coordinator, and V.W. Bro. Douglas Gray, Treasurer, and the many anonymous mentors who provide the necessary human resources and infrastructure vital to our educational programs.

13. Late in the year the principal, W. Bro. Gordon Hendrie, resigned and R.W. Bro. Garnet Schenk assumed that position.
14. From the proceeds of college courses in the current and past several years \$32,000 has been transferred Grand Lodge to be used for the Brock University project.
15. The Chair wishes to thank all members of the committee for their support and assistance. Thanks are especially extended to W. Bro. Bill Graham, our hard working secretary and to M.W. Bro. Raymond S. J. Daniels whose mentorship and sage advice were invaluable to me and to the committee this year.

Respectfully submitted on behalf of the committee.

JOHN FORSTER, Chairman

### REPORT OF THE BLOOD DONORS' COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the Report of the Blood Donor Committee on behalf of the Committee Members.

**Provincial Masonic Blood Donor Week** – It cannot be overstated that the Provincial Masonic Blood Donor Week is an excellent way in which to demonstrate to the communities, and thereby the constituent residents of those communities, that Masons care, in the giving, collecting and manning of the Collection Locations, of the “Gift of Life.” This year your committee worked closely with Canadian Blood Services to have the second annual PMBD week, across the jurisdiction.

The event was deliberately targeted for the third week in February to compensate for the blood clinics being closed during the Christmas holiday. I have requested that she work in concert with this committee in seeing that this time frame, February 20 – 25, in each year, be designated the “Masonic Blood Donor Week.” As well, this event be noted in the National Blood Donor Magazine and circular. And that each Masonic District who requests a Collection team from Canadian Blood Services be guaranteed that the request be granted. Of course, each District would have to supply the prescribed venue for the accessibility requirements necessary.

The results from the week were very positive and reflect the hours of effort and dedication from the everyone associated with the blood program at all levels. The results were as follows:

- 119 donations from registered donors – compared to 62 in 2011
- 12 new donors registered during the week – compared to 5 in 2011
- 57 reinstated donors registered during the week – compared to 24 in 2011

It should be noted that we as Masons in Ontario were mentioned in the CBS National Circular and Pulse Magazine this year; and I understand that an interest in our Masonic Program, and the using of it as a Model for the Grand Lodge of Alberta has been requested by the Canadian Blood Services representative for that province.

**Partners for Life** – This program remains to be an extremely important part of your committee’s mandate; and a very strong relationship exists between your Grand Lodge and Canadian Blood Services.

Forty two of the forty four Masonic Districts are currently registered in the “Partners for Life” program. Everyone is reminded that, the District “Partners for Life,” registration numbers listed by District below, should be used by each Mason, their family and friends and others who are willing to donate on behalf of the Masonic District can register in the program when making a donation. Those numbers by District should be listed individually on the District Trestle Boards and Summons of each lodge in a respective District. R.W. Bro. Tom Forbes has continued to work with Charlene Goodwin of the Canadian Blood Services to make this year another success story.

Listed below are the numbers recorded from the data collected through the Partners for Life system for each Masonic District.

Certificates are produced for first time donors and every 25 donations thereafter. The certificates are signed by our Grand Master and the Grand Lodge Blood Donors' Committee Chairman.

This year, the following Masons received certificates recognizing milestone donations, and we greatly appreciate their efforts. (Blood Donors April 1, 2011 to March 31, 2012).

Second Award – District with the most Improved PFL Blood Donations – Wilson North

Third Award – District with most new PFL members during PMBD week – Waterloo District

**International Plowing Match** – Canadian Blood Services was again at the Masonic tent this past September at the match held by Prescott Russell County. The test was hosted by Eastern District and once again was a huge success. Many thanks to R.W. Bro. William Sylvester for taking the lead in this initiative.

Unfortunately, as of the date of this report, the Masonic tent has not been requested at this year’s Plowing Match in Kitchener. This of course means that there will not be a facility for the Canadian Blood Services to set up Blood Type Station. We understand, however, that the committee for 2013 in South Huron District has, and will provide the facility in conjunction with CBS.

I have requested and received permission from our chairman, for Ms. Charlene Goodwin, of Canadian Blood Services to address us.

I am indebted to R.W. Bro. Tom Forbes, Vice-chairman and Secretary of the Committee for his unqualified support this year. Also, to Mrs. Rose Blandin of Grand Lodge Office, who always is of tremendous assistance to this committee. I would also recognize the support of the Regional Chairman of the Grand Jurisdiction. And, to M.W. Bro. Terry Shand, Grand Secretary, for his guidance and understanding. And, I note that next year, we as a committee will be working directly with the District Deputy Grand Masters, for a more timely status report of the activities in their respective District.

Respectfully submitted on behalf of the committee.

DAVID ROSS DAINARD, Chairman

## REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

To the Most Worshipful the Grand Master, Officers and Members of the Grand  
Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present this report on the Condition of Masonry for the 2011–12 Masonic Year. It has been a very active year for this committee as we continue to work with the many new initiatives that were established in the previous couple of years to further enhance the service that this committee provides for your Grand Lodge. As we complete the third year of the reporting process set in motion by the constitutional amendment to Section 104 passed in July of 2009, we recognize that in order to better serve the constituent Lodges of the Jurisdiction, we must continue to refine the way we gather, review, report, and act upon information that comes to us by way of the Official Visit Reports of the D.D.G.M.s. To this end this committee continues to adapt and update our methods and activities to more efficiently manage the information that we receive.

It is with a great sense of gratitude that this committee extends our sincere appreciation to the D.D.G.M.s and District Secretaries who worked so diligently to complete these reports with accuracy and completeness and to manage their electronic submission in a timely fashion.

The Activities of this committee include the following:

### **D.D.G.M. Exit Session**

In July of 2011, following the Monday afternoon Board Meeting, your Condition of Masonry chairman met with all attending D.D.G.M.s for a one hour session relating to, “Life after serving Office.” The meeting included a break out session to discuss previously provided exit

survey questions followed by a brief report presented by a speaker from each group. This was followed by a short presentation on, "What's in the Future for a Past D.D.G.M." The meeting concluded with a question and answer period. As the value and success of this meeting appeared evident to all, it was the consensus of the group that this type of meeting be continued in the future.

### **Preparing to Receive Reports**

As the beginning of the reporting year approached, on-line briefing of the committee took place with emphasis on active two way communication among co-ordinators, chairman, and committee members. Introductory letters were also sent to the new DDGMs outlining the methods of the reporting process which included electronic Master Copies of the Reporting Forms.

### **Report to Management**

In September it was my pleasure to deliver a Report Presentation to the Management Committee outlining the COM methods and Spreadsheet Tabulations, along with a summary of the 2010–2011 data. A detailed comparison of similar data over a four year period was also given which showed a number of improvements in many areas. Computer data discs containing the complete presentation were given to Members of Management.

### **Monthly Report to the Deputy**

As in the previous years, a monthly update on the Reporting Progress of D.D.G.M.s was sent to the Deputy. This outlined the number of reports submitted from each District and pointed out any issues that may have been evident.

### **D.D.G.M. Orientation Sessions**

In the fall of 2011, many members of this committee participated in the District sessions held by the DDGM Orientation Committee and made use of our Condition of Masonry Power Point Presentation to outline the function of our committee as well as aspects of the reporting process.

The COM committee welcomes the opportunity to share in the presentation of the D.D.G.M. Orientation Sessions and extends our sincere appreciation to R.W. Bro. Siemiernik and his committee for including us in these presentations.

### **2010–2011 Reporting Discs**

Computer Discs were prepared for the D.D.G.M.s containing copies of all of the reports for their District from the previous 2010–2011 Masonic year. These discs included the completed L-Forms for each Lodge in their District as well as the completed Grand Lodge Report Summary Spreadsheet Data 2010–2011 prepared by the COM Committee.

### **D.D.G.M. Mid Term Meeting**

In January of 2012, this committee chairman took part in the D.D.G.M. Mid Term session held in Hamilton. This provided a valuable opportunity to meet personally with the D.D.G.M.s and to discuss current issues with them as well as receive feedback on their experiences with the reporting process. Group reports from each breakout feedback session were sent to this committee and copies were forwarded to the Grand Master for inclusion in his report.

### **Letter of Assistance**

One of the innovations that this committee has initiated this year is to send out a letter offering the assistance of a Grand Lodge Committee to any Lodge that we feel may be able to benefit from early help with issues the Lodge may be experiencing. All correspondence is directed through the D.D.G.M. and assistance is offered only if the Lodge wishes to accept. As this is a new concept it has been met with some degree of hesitation by the Lodges. As we notice Lodges that are struggling, we will continue to promote Grand Lodge help with these letters.

### **Report Forms Project**

In order to update the report Forms for the 2012–2013 Masonic year, this committee has made a number of enhancements to the L-Forms. Further clarification of the questions, the inclusion of the Cornerstone Program, the addition of Evaluation Rubrics where required, an expanded

section on “Ritual,” and generally making the Forms more user friendly, are all areas that have been revised.

A brief “Electronic Reporting Guide” as well as a “Report Sample” has been created to assist D.D.G.M.s, District Secretaries, and Lodge Master/Secretaries when completing the forms. This guide and Report Sample will be emailed to the D.D.G.M.s with the Introductory letter from the COM Committee prior to September.

### **COM Report to the Board of General Purposes**

In March it was my pleasure to deliver a Report Presentation to the Board of General Purposes similar to the presentation to Management in September, outlining the COM methods and Spreadsheet Tabulations, along with a summary of the 2010–2011 data. An explanation of the “Letters of Assistance” and how Grand Lodge Committees can make use of the data we collect, was also given during this presentation.

### **COM Committee Final Report of the “Condition of Masonry –2011–2012**

As the last reports from the D.D.G.M.s arrived in late May and early June, it is the intention of this committee to complete the Grand Lodge Report Summary Spreadsheet and the report that will accompany it during the month of June and have it ready for presentation by Grand Lodge in July.

### **Summary**

Sincere appreciation is extended to all of the valued members of the committee for the diligence, sincerity, and dedication with which they have approached the tasks presented to them again this year. The committee appreciates the support of R.W. Bro. Terry McLean, our Deputy Grand Master, R.W. Bro. Donald A. Campbell, and our Grand Master, M.W. Bro. D. Garry Dowling for their continued guidance, support, and encouragement.

Respectfully submitted on behalf of the committee.

JOHN HAY, Chairman

## **REPORT OF THE LONG RANGE PLANNING COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Long Range Planning Committee has been working on five objectives this Masonic year.

### **PUBLISH THE RESULTS OF THE EVERY MEMBER, EVERY LODGE SURVEY**

The Every Member, Every Lodge Survey was an on-line survey conducted in March and April 2011. The preliminary results were presented at the Annual Communication of Grand Lodge in July 2011. This year, the committee generated a document of survey results which was published in March 2012. The committee also mapped each of the survey questions to one of the six pillars of our Grand Lodge (Craft Stewardship, Membership, Communications, Operations, Community Outreach, Strategic Delivery). As areas of opportunity were identified based on the results of the survey, this mapping enabled us to identify which Grand Lodge committee(s) would be best suited to address them. The survey results and mapping were used in the creation of this year’s Annual Tactical Plan.

### **ANNUAL TACTICAL PLAN PROCESS DOCUMENT**

This document was originally created two years ago to guide the process of creating the Annual Tactical Plan. As the planning process was new and we had not been through a full planning cycle, the Process Document was not finalised. This year, the committee reviewed and modified the Process Document, which we expect will be finalised by July and available to be used to guide the planning process in future years.

### **CREATION OF THE ANNUAL TACTICAL PLAN**

The Annual Tactical Plan in its present form, and the Process Document, were created by the Grand Master while serving a Deputy Grand Master. The creation of the 2012–2013 Plan was greatly advanced by the personal involvement of the Grand Master and the Long Range Planning Committee is most appreciative of the support we received throughout this process.

The preliminary plan was presented at a meeting of the Board of General Purposes in March. Feedback from the Members of the Board was solicited and the final plan will be presented to the Board of General Purposes in July for approval.

### **KEY PERFORMANCE INDICATORS**

Our goal in creating Key Performance Indicators (KPIs) is to go beyond statistics, but to use statistics to determine our level of success in various areas.

Knowing how many initiations were conducted in a year gives us insight as to the current level of interest in Masonry but not necessarily in the future viability of the Craft. To calculate how many third degrees were conducted as a percent of initiations however, helps us understand not only how many new members we have who are truly interested in Masonry, but also about how well we are communicating with prospective members and our sponsorship and mentoring practices.

The committee is continuing to work on ways to measure the success of our programmes, to identify trends, and to establish KPIs that are meaningful as we review past, present, and future statistics.

### **LODGE LONG RANGE PLANNING TOOLKIT**

We believe it is important for each Lodge to have their own Long Range Plan. As each Lodge has its own strengths and weaknesses, the plan has to be as individual as the Lodge itself. Our goal is to provide a framework that will guide Lodges through the planning process, to establish opportunities, and to create a plan of action. The Toolkit will guide a Lodge through a five step process:

- Building a vision
- Establishing a baseline
- Setting priorities
- Establishing a plan of action
- Action and follow up

This project has progressed well this year and we anticipate releasing the first version of the Toolkit in the fall of 2012.

Respectfully and fraternally submitted on behalf of the committee: R.W. Bros. Wes Libby, Bill Bowick, Jeff Dickson, Victor Abraham, Bob Collins, W. Bro. Brent Julian, Bro. Dan Hutt.

STEVEN E. WARREN, Chairman

### **REPORT OF THE COMMITTEE ON BENEVOLENCE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following indicates the expenditures and receipts during the year ending April 30, 2012, with regard to the Memorial Fund:

Expenditures:	Grants	\$ 41,100
	Salaries (Office Staff)	12,000

The required Annual Meeting was held on April 18, 2012, at the Grand Lodge Office. At that time, the committee reviewed six (6) Applications. Of those Applications, three (3) were new Applications and three (3) were re-submissions following a previous Grant.

It was our intention as a committee to be able to report to you, Brethren that the revision to the Application Form was complete and would be available at the beginning of the 2012–2013 reporting year for this committee (April 30–April 30). Unfortunately, such is not the case. However, as soon as the revised form is complete and approved by the committee, it will be made available on the website for those requiring a copy.

The following information may serve as a refresher or a quick reference as to the rules, regulations and procedures should a Benevolence matter occur:

#### **BOOK OF CONSTITUTION (2010)**

Section 109 page 39  
Sections 428, 429, 430 page 159

**PART VIII-REGULATIONS** pages 187, 189...para. 1-13

#### **BLUE BOOK** (*Guide To Masonic Benevolence*)

On behalf of the members of the committee, I wish to express an appreciation to the District and Lodge Chairmen of Benevolence for your compassion towards your Brother Masons and/or dependents. Be mindful, however, that your task does not end until you are replaced in that office. Continue to be vigilant of the needs of others every day, every week, and every month as long as you hold the title of Benevolence Chairman.

Further, I extend a heartfelt thank you to M.W. Bro. Terence Shand, and Mrs. Stacey Birks, Supervisors of Benevolence at the Grand Lodge Office. Your caring and diligence to all concerned is much appreciated.

Respectfully submitted on behalf of the committee: R.W. Bros. T. W. Hogeboom, Grand Treasurer, Robert C. James, James A. R. Keith, Robert E. Kerr, J. D. Kingston, Paul J. Mullen, and K. L. Whiting.

GREGORY H. HAZLITT, Chairman

### **REPORT OF THE LODGE RESOURCES COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

#### **Strategic Initiative:**

We recognize that our Membership and their families represent the heart of Freemasonry in Ontario and that the culmination of our efforts are intended to result in a richer experience for all our members and their families.

#### **Strategic Goal 5:**

Better understand, serve and support the needs of our current members and their families.

#### **Strategic Goal 6:**

Ensure that a vital membership continues to grow and expand in Ontario.

#### **Strategic Goal 7:**

Enhance the spirit of fraternalism by emphasizing that one aspect of Freemasonry is to have fun and to enjoy one another's company.

#### **Tactical Goal:**

Expand value for today's members and reach out to tomorrow's members.

#### **Deliverables:**

1. We aimed to roll out the **Cornerstone Project** to the remaining districts and promote it in others. Cornerstone has been a very popular and effective project to encourage lodges

to self-assess and use Grand Lodge programs to help solve their problems. It was to be rolled out gradually over five years, however, due to its success we accelerated this process. We had planned to do this by using both in-person seminars and webinars, but we ran into some setbacks with the latter and had some delays. Never-the-less the number of lodges and districts participating exceeded our expectations as can be seen from the presentations at the Annual Communication.

2. We presented overview sessions covering all the Lodge Resources programs in the following districts: Eastern, St. Lawrence, Ottawa 1 & 2, Sudbury-Manitoulin, Victoria, Erie, Windsor, Bruce, N & S Huron, Chatham, St. Thomas, London E & W and Sarnia. We also did in-depth team presentations in Georgian N & S, Wilson N & S, Muskoka-Parry Sound, Eastern, St. Thomas, Western, and Ottawa 1 & 2 Districts.

3. Implement changes to Lodge Resources content and delivery: All the teams thoroughly reviewed their written material.

The **Mentors Team** re-visioned their program and devised a whole new outline for mentors and candidates. They published two new documents, "I am a new Mason, Now What?" and "For the newly raised Master Mason," to be given to a Mason by his Mentor on his Initiation and Raising, respectively. They can be printed off and given to him on paper, or as a digital document, or read on-line once the password protected area of the website is operational.

The **Brother-to-Brother Team** brought the 131 page section of the Lodge Resources Manual up to date, clarifying the language for easier understanding. They feel that most Masonic leaders see it as a project to undertake, rather than its real function, that of a resource or toolbox, to dip into again and again when needed.

The **Officer Progression Team** is working on a handbook compiling the duties of the various officers and a timeline for preparing for each of the chairs. They have also worked co-operatively on the Worshipful Master's Course with the Committee on Masonic Education.

4. Survey of new Masons: The Long Term Planning Committee had just done a wide-ranging survey so we felt another was not in order until the former was analyzed and acted upon.
5. We had considered reviving Facilitacts, our newsletter, but due to the large number of committees now publishing e-newsletters, we asked for a review.
6. We had also thought of developing a FTF Power Point to be used at FTF events, but deferred it for another time.
7. A DVD to replace the existing FTF video was cancelled.
8. We experimented with using webinars so that we, and other committees, could meet and also give presentations across the province without incurring the time and cost of travel. We tried three different platforms. WebEx was reasonably priced and quite useable for meetings. None of the platforms is perfect for seminars, but WebEx has a sister product which may be useful. WebEx itself can be used for seminars as long as there are no more than 25 people on-line at once. We also learned that we should have a technically adept brother at each end site and that patience is needed in getting everyone connected. This technology has vast promise, but more research is needed before adopting it wholesale. Respectfully submitted on behalf of the committee.

DAVID CAMERON, Chairman

## REPORT OF THE D.D.G.M. ORIENTATION COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present this D.D.G.M. Orientation Report on behalf of our members, R.W. Bros. Norman Allingham (co-chair), Paul Johnson (secretary), Tom Keith, Ivor Bayley, Jack Nancekivell, Dushan Surovy, Isaac Lazar, V.W. Bros. Bob Ledingham and Lester Sulzer.

Eight (8) sessions have been held with seven in the fall and one in the spring. Meetings were held in Harriston, Oshawa, Paris, Sturgeon Falls, Brockville, Guelph, Ridgetown and Etobicoke. Our sincere appreciation is extended to all of the host lodges.

This committee is very pleased with the attendance, one hundred forty-four (144) with several attending more than one time. Those who were unable to attend were sent a copy of our Powerpoint. The D.D.G.M. aspirants and Secretaries were very enthusiastic and asked many questions, and we hope the aspirants are reaping benefits from what has been provided for them. The perceived stigma of the Correspondence Course seems to have decreased; however, many questions continue to be asked and answered. Communication with present D.D.G.M.s and future D.D.G.M.s is ongoing. We are pleased with the feedback and feel that both courses are appreciated. Many feel these courses have provided invaluable knowledge thus resulting in book sales in excess of \$1300.00. This committee feels that we have met our obligations.

Our committee is constantly making minor changes to improve our presentations. With the wide range of skills of our members, we are able to assist with the added questions that refer to the correspondence course.

The Condition of Masonry Committee, under the direction of R.W. Bro. John Hay (chairman), have attended all sessions and have provided invaluable information to the aspirants. We extend a special thank you to those members who have joined us.

In conclusion, our committee feels that the training and education that our Grand Lodge provides to assist all Masons is without a doubt a great asset. We can only hope that more participate.

I would like to take this opportunity to thank all committee members for their devotion and dedication. It is because of you we can boast success.

I extend appreciation to M.W. Bro. D. Garry Dowling, R.W. Bro Donald A. Campbell and our liaison R.W. Bro. John Green, for your direction and wisdom.

Respectfully submitted on behalf of the committee.

### REPORT OF THE COMMUNICATIONS COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following are extracts from M.W. Bro. David C. Bradley's address in July 1990 that still have a great importance today – *"The word 'communication' is a very old English word meaning 'to share with others.' If information and opinions are shared, our deliberations will be blessed with a successful outcome. Governing is really about consulting and listening, both based on mutual trust. It follows that communication is of paramount importance. It is not only the telling that counts, but also the listening."*

Our present Grand Master, M.W. Bro. D. Garry Dowling's Theme is – *"Believing in Freemasonry"* and he believes that during his term we can expand our horizons by communicating better.

The Communications Committee including the various teams agree wholeheartedly with these esteemed Brethren and have strived to assist in fulfilling these objectives. The results have been mixed with some successes and some disappointments. As you will read below, in the Communications Strategy, communications is a two way street – we need to hear from our public as well as providing information to them.

A year ago the Team's report began with a question, "Is it easier communicating today as opposed to 50 years ago?" Our report commented then, "Trying to deliver a message and having it successfully received by the target audience remains a challenge." This has not changed. We have further work to do to ensure that our Brethren have caught on to the true meaning of 'Communicating.'

The following sub-sections of this report detail the untiring efforts of the teams that comprise the whole of the Communications Committee.

## Communication Strategy

Over the past year a comprehensive strategy has been documented, reviewed by the Management Committee and adopted into the official policy manual. The goal of this Grand Lodge Communication Strategy is to provide effective, consistent and efficient two way communications between Grand Lodge and all current (and prospective) Freemasons within our jurisdiction, using the most appropriate medium to reach the message's target audience in a timely manner.

### Components:

#### 1. Target Communications towards Specific Audiences

We need to change the formality, structure and even method/technology\* of our communications based upon our target audiences. Each group has its own priorities, interests etc. ("hot buttons"). To communicate most effectively with each, we need to approach each in a manner that reflects their priorities and interests.

#### 2. Follow Communications Standards

All communications should be created and delivered based on:

- Adherence to the Grand Lodge Branding policy
  - The Brand Standard governs the intended use and display of the name of Grand Lodge, its Districts and Lodges, their Officers and members as well as the Square & Compasses within our Grand Jurisdiction.
- Adherence to standards of consistency
  - Consistent formatting ensures all necessary information is included in communications within this Grand Jurisdiction.
- Adherence to Routing Standards
  - All messages within this Grand Jurisdiction must clearly identify its sender, its recipients and its intended target audience. For example: 'For distribution to all members throughout the District' or 'Confidential to the D.D.G.M.'
  - It is recommended that a "Header" or the "Subject Line" clearly indicate this distribution information.
- Adherence to the Grand Lodge Publishing Policy
- Adherence to the Grand Lodge Communication Style Guide

#### 3. Provide Support Organization within the Districts

To facilitate two way communications throughout this Grand Jurisdiction it is recommended that the D.D.G.M.s appoint a District Communications Chairman to assist it's Lodges with rudimentary technical support and the annual updating of Distribution Lists for the District.

\* **Note:** Use Multiple Communications Technologies for your message

Methods of communication are evolving at an astronomical rate. Email is replacing the time and cost of using Canada Post. Texting in some age groups has supplanted email and the Smart Phone has replaced the home telephone, fax machine, television and laptop computer with many. Keep in mind evolving technologies when targeting your audience:

- i) Telephone (including Skype or equivalent and Webcasting)
- ii) Email, texting
- iii) Print (monthly, weekly, daily)
- iv) Electronic Media (Public Service Announcements and paid) via TV, Radio, Webcasts
- v) Web pages (Grand Lodge, District, Lodges, Personal, Blogs)
- vi) Social Media (e.g. Facebook, Twitter)

## Ontario Mason Magazine

The final hardcopy issue of the Ontario Mason Magazine before transitioning to an online version in 2012 was published in November 2011. Stories for the issue were selected both on the basis of submissions and items the magazine staff observed. A balance of coverage was sought over the Grand Jurisdiction with graphics used to highlight the stories along with high quality photographs.

In effort to make the magazine's delivery as efficient as possible this past year the following protocols were established:

1. The Grand Master directly appealed to the lodges to submit the mailing list data to

R.W. Bro. W. Bruce Miller and Bro. Richard Ackroyd. Over the year, at least four requests were made by the Grand Master and the Deputy Grand Master.

2. A letter written by R.W. Bro. W. Bruce Miller was sent to all D.D.G.M.s asking them to contact their lodges to request the desired data and to ensure that submission did, in fact, take place.
3. It was requested that data was to include the name, address and lodge for each member. Further, it was requested that the data be submitted in Excel format to facilitate uploading.

Unfortunately, the data was submitted in virtually every form imaginable: Excel, Word, WordPerfect, PDF, jpeg, hand-written, typewritten, even mailing labels. As a result, R.W. Bro. W. Bruce Miller and V.W. Bro. Robert Kliaman each spent well over 100 hours translating and entering the data received. The data from 188 Lodges was entered for a total of 15,700 addresses. The data from 20 lodges could not be entered for various logistical reasons. For the remainder of the lodges, either nothing was received, or, the data could NOT be translated into editable format in the time available. Immediately following are Bros. Kliaman and Miller's observations of the process and a detailed statistical report was submitted to the Communications Chairman.

1. It was very clear that in many cases the D.D.G.M.s did not communicate the information to the constituent lodges and/or follow up on the submission of data.
2. Some lodges saw it as "their" data and were reluctant to share it.
3. Record keeping methodology varies widely with no consistent form of data keeping established by Grand Lodge.
4. Some lodges do NOT have computer literate secretaries.

Based on the new mailing list, a total of 17,000 copies were ordered, with the excess shipped to the Grand Lodge Office. The excess copies were rapidly exhausted as word of the limited printing spread.

Advertisers were still experiencing the fall out of the financial decline of the last few years. An assiduous campaign by R.W. Bro. Isaac Lazar was most successful in finding the following advertisers: AASR; RAM; ATTO; OMF; Thornhill Temple; York Temple; VANGUARD – Carmine Infante; Academy of Martial Arts; Lazar – Wealth Succession; Art Dececco; Aqua Cycle; Paul Smith Appraisers; Ontario Masonic Supply and Clean-Air-Ducts.

I am most thankful for the support and contributions of the following:

- R.W. Bro. Isaac Lazar – Advertising
- V.W. Bro. Robert Kliaman – Statistics and data entry
- W. Bro. Eric Lakien – Mailing communications
- Bro. Doug Crawford – Graphic design and layout
- Bro. Richard Ackroyd – Assistant Editor

### Internal Communications

On behalf of the Internal Communications Team, I am pleased to submit this report of the Team activity for the 2011–2012 Masonic Year. Internal Communications is a vehicle for distribution of messages to current Grand Lodge Officers regarding events or news of interest to the jurisdiction as a whole and not items more likely to be of a local interest. The main areas of our activities were:

- **Assemble Grand Lodge Email Distribution lists**

With the assistance of the Deputy Grand Master and District Deputy Grand Masters, we were able to obtain the email addresses of all the current Grand Lodge Officers and Past Grand Masters, with the exception of 6 Brethren (2 Past Grand Masters, an Assistant Grand Chaplain and 3 Grand Stewards) with no email. Once again, all appointed and elected officers including the District Secretaries were incorporated on the lists. All this contact information was grouped into logical sub lists.

- **District Trestleboards**

A request was sent to all D.D.G.M.'s on August 17, 2011. Over the next 8 weeks, trestleboards were received, with the final one arriving October 14th. There were a total of 43, covering the 44 Districts (Wilson North and Wilson South are combined). These were sent to the Board of General Purposes and D.D.G.M.s.

- **Email Announcements**

The distribution emails were standardized as follows:

- a) attachments usually in PDF form and / or MS Word documents
- b) visible copies to Grand Master, Deputy Grand Master and Grand Secretary
- c) visible copy to brother requesting the message be sent, and brother who to contact

- for further information and / or RSVP
- d) use "bcc" for all other
- e) Subject line starts with [GL-IC] allowing recipients to quickly identify incoming messages, and easily filter them to a separate Inbox, if desired
- f) message header with the list(s) to whom the message was sent
- g) who requested to message to be sent
- h) forwarding instructions were included if applicable.
- i) highlight event particulars
- j) clearly indicate contact information for follow up and or RSVP

As of the writing this report, there have been 105 messages sent. A detailed log, indicating the date, who requested the message, the subject and the recipients, is maintained. This activity is ongoing. As there were some additional messages sent last year, after the 2010–2011 report was submitted, last year's Communications Log was updated. A summary of the messages, by person requesting the message and month is included after each log. This year compared to last year:

- A Grand total of 105 messages vs. 119, or 12% less
- Messages requested by the Grand Master / Deputy Grand Master: 28 messages vs. 39, or 23% less
- Messages requested by the D.D.G.M.s: 16 messages vs. 30, or 47% less
- Messages requested by the Committee Chairmen: 35 messages vs. 29, or 21% more

The Grand Lodge Committee Chairman taking advantage of the Internal Communications Email "service" this year were mainly: Education - 8 messages, Fraternal Reviews - 7 messages and Protocol & Etiquette - 5 messages.

### Internal Communications Awards

The Team, with the assistance of the Deputy Grand Master and Chairman, Communications Committee reviewed the awards and criteria. Additional input was provided by the Communications Committee. The following are the awards for each category:

- ▶ Lodge Summons – Winner: National Lodge No. 588 (Sudbury-Manitoulin District); Merit Award: Patterson Grey Lodge No. 265 (Toronto Don Valley District)
- ▶ Lodge Newsletter – Winner: "The Door Knocker," St. John's No. 68 (Wilson North District); Merit Award: "Manitoba News," Manitoba Lodge No. 226 (Georgian North District)
- ▶ Lodge Website – Winner: King Hiram Lodge No. 37 (Wilson North District) <http://www.ingersollmasons.ca/37> ; Merit Award: Nickel Lodge No. 427 (Sudbury-Manitoulin District) <http://www.nickellodge.ca>
- ▶ District Newsletter – Winner: "Around & About" from Sudbury-Manitoulin District; Merit Award: "Electronic Beacon" from Peterborough District
- ▶ District Newsletter District Website – Winner: Peterborough District – <http://www.peterboroughmasonry.ca/> ; Merit Award: Muskoka-Parry Sound District – <http://muskoka-parrysoundmasons.ca>

Nominations for the awards can only be made by the D.D.G.M.s, their Secretaries, the Grand Master or the Deputy Grand Master. On February 23, 2012, a communication was delivered to the D.D.G.M.s and their District Secretaries announcing the awards, the criteria and requesting their nominations. The deadline for submissions was set to be March 31, 2012. The number of nominees was disappointing: Lodge Summons – 12 nominees plus an additional 4 selected by the review team members who received a set of all 563 Lodge summons from the Grand Master; Lodge Newsletter – 2 nominees; District Newsletter – 5 nominees; Lodge Website – 2 nominees; District Web Site – 7 nominees.

### Survey Results

A few months ago a simple questionnaire consisting of 9 questions with an area for comments was sent to our Lodges. Our intention was to hear what they knew or thought of the Internal Communication Awards. Sadly we did not experience the participation we would have liked, but it was determined that only over half the lodges knew that there were awards and the majority had little knowledge on how they were judged or how they were nominated. The respondents were clear, however, that they wanted to hear who were judged best, to see examples and that these awards should be continued.

The team has reviewed these recommendations and has concluded that a more proactive role is required. Samples of this year's winners and merit will be posted on our Grand Lodge

Website after the Annual Communication along with the judging criteria for each. Looking ahead the awards for District Websites, District Newsletter and Lodge Summons will be selected by this team from their own research. The categories for Lodge Website and Lodge Newsletter will be open for any Mason to nominate their favourite with appropriate reference material attached.

I would be remiss if I did not offer appreciation to R.W. Bro. Jim Sercombe, V.W. Bro. Jim Thornton, V.W. Bro. Robert Wilson and W. Bro. Carl Kristensen who assisted in the selection of awards.

ERIC H. LAKIEN, Team Leader

### Website Management

The new website will modernize how we communicate to the world. In fact, since the launch of the first phase of the Grand Lodge Website it has risen into the top 3 Masonic websites in North America! Since March 1st, we have received over 130 enquiries from men (and one woman) seeking membership in Freemasonry. These come from around the world, with 95% from Ontario. A small Team respond to these seekers helping them to connect with a lodge in their community. Once connected with the local lodge, we have received little feedback, but we understand most are following through with applications. This 'closure' information will need to be captured to assist in appraising the site's effectiveness. As of May 22<sup>nd</sup>, we've had 14,838 unique visitors and 22,151 visitors, viewing 175,906 pages!

During 2011, it was realized that we would need to out-source our web design. After due diligence, we have retained the services of Imagination Plus, in Hamilton. We are pleased with the results to date with the relationship continuing into the development of "Members Only" Phase 2 which we hope will go live just prior to the Annual Communication. Your team assures you that any membership names or other data will be treated as highly sensitive.

The overall design will be such that we can easily add or delete content within the structure of the website. New items will have a beginning and ending date so that it is timely and fresh. The Grand Lodge Committees are encouraged to submit material suitable for publication for inclusion in appropriate sections of the new website. We also hope to add a feature to allow users to "subscribe" so that when new items are available they will get a message relating to the topic.

None of this could have come to fruition without the timeless efforts of the team members to whom I offer my personal thanks: R.W. Bro. Bill Thompson, W. Bros. Stephen Clarke, Evan Woodhead, Bros. Harry Bishop, Rob Lipic, Mike Morris and Devin Tuinstra.

RICHARD W. KAUFMAN, Team Leader

### Grand Lodge Technology

Unfortunately little or no progress has been made on this project this year. The potential upside appears substantial with an expert advisor requested to provide options for moving ahead.

### Conclusion

It is worthy to note that 38 of our Districts have their own websites, but it is the responsibility of the respective District Deputy Grand Masters to ensure they are actively maintained and report to the Grand Lodge Communications Committee any default or problems so that links contained on the Grand Lodge site are proper. Two District sites had to be disconnected as they no longer met our criteria.

In reviewing the District Trestleboards, 15 Districts reported Communication Chairmen and we encourage all Districts to employ this ideal to improve on communications. There is no "I" in team and it is with humility that my appreciation is extended to my Advisors, Team Leaders and all the volunteers involved with the efforts of the Communications Committee over this past year. On behalf of them all our thanks are offered to the Grand Master and the Deputy Grand Master for their support and encouragement. In the words of Mahatma Gandhi:

*"The best way to find yourself is to lose yourself in the service of others."*

Respectfully submitted on behalf of the entire committee membership.

NORMAN G. MCCARTHY, Chairman

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been a very busy year for the Office Technology Committee which has worked diligently as a cohesive unit in completing its pressing business of the day.

### **Seminars**

We have conducted several seminars throughout Ontario this Masonic year. The attendance and interest has been rewarding, and will bolster our plans for continuation.

- July 19, 2011                      Grand Lodge (3 seminars)
- September 27, 2012            Bancroft (Bancroft Lodge No. 482)
- March 10, 2012                Huntsville (Muskoka-Parry Sound District)
- March 24, 2012                Arthur (Grey & Wellington Districts)
- June 2, 2012                    Peterborough (Ontario, Peterborough, Prince Edward and Victoria Districts)

### **Computer Resources Disks Produced and Distributed**

Over 300 CDs and DVDs were produced and distributed throughout the jurisdiction to the brethren via the seminars and to the District Deputy Grand Masters. The disks contained a significant amount of information including all current Grand Lodge forms as well as significant other resource material for the benefit of not only the lodge Secretaries and Treasurers, but the three principle officers of the lodge as well.

### **New Equipment**

As a result of the Technology Audit done in 2010 and as part of the implementation plan a new workstation, monitors and software were purchased.

### **Grand Lodge Forms**

Several Grand Lodge forms, including the Semi-Annual Return, D.D.G.M. Forms, degree and installation set-up forms were updated and posted to the Grand Lodge Forms site ([www.old.grandlodge.on.ca/Forms](http://www.old.grandlodge.on.ca/Forms)). These forms have been added to the Computer Resources Distribution CD and postings are made to the Forms Site as updates are applied so that these are available in a timely manner.

Most of the forms and the Semi-Annual Return may be completed on a computer using Adobe Acrobat Reader, available as a free download from [www.adobe.com](http://www.adobe.com) or from your Computer Resources Representative.

### **Site and Hearing Challenged Brethren**

The lodges who have members who are sight impaired may apply for a special CD designed to be used by a voice synthesizer in their computer. There are also several publications available in large print format. Both of these items are available to any member who suffers sight impairment. Application to Grand Lodge for this CD or large type books must be made by the lodge on behalf of the member, on lodge letterhead and signed by the Master. The following publications are available:

- Book of the Work – 2012
- Book of the Work [EA] – 2009
- Book of the Work [FC] – 2009
- Booklets No. 1, 2, and 3 – 2010
- Book of Installation – 2012
- Book of Constitution – 2011
- Guide and Mechanics – 1985
- Meeting the Challenge – 1998
- Several other Grand Lodge Publications

These files are password protected and formatted in either Microsoft Word and/or Adobe Acrobat formats as required by the standards set down by the manufacturers of the voice synthesizer equipment.

I would like to thank V.W. Bro. Kris Nickerson, W. Bro. Robert Lipic and Bros. Travis Dafeo, David MacMillan and Warren Page for their support and assistance throughout the year. I would especially like to thank M.W. Bro. Terence Shand, Grand Secretary, for his navigation and management skills provided to the committee.

Respectfully submitted on behalf of the committee.

ROBERT KLIAMAN, Chairman

## REPORT OF THE YOUTH INITIATIVES COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Youth Initiatives Committee attended the International Order of the Rainbow for Girls Grand Assembly in Burlington on August 4, 5, and 6, 2011. On Friday morning, I had the privilege of giving the Lambskin Apron charge to two newly initiated Rainbow Girls. This charge is given by a Master Mason wearing his Masonic Apron. When the young ladies received their lecture on the contents of the pot of gold at the station of Charity they are presented with a miniature Lambskin Apron which is tied around their wrist. I then explained the basics of the Mason's Apron while holding a white lamb skin apron. The three equal sides of the triangular flap represent the three persons of God, Omniscient, Omnipotent and Omnipresent. The four equal sides of the apron represent the four virtues which all Masons strive for in their daily lives, Temperance, Fortitude, Prudence and Justice. The seven sides formed by the triangular flap and the apron are indicative of the seven liberal arts and sciences. The two string ties represent the practice of equality in that they are of equal length and they also stand for the double tie of Man and God. So it may be that when a Rainbow Girl looks upon her miniature Lambskin Apron she will be reminded of the solemn obligation she took before her Maker, sisters and friends as she knelt at the White Alter of Holy Promise and rededicated herself to a life of Service as represented by the seven colours of her Rainbow and manifested in a life filled with Faith, Hope and Charity.

On Friday afternoon, our committee presented the Youth of the Year Award Plaque to Emily Joy Beaudoin from Ottawa Assembly #3. This year the award winner was not notified ahead of time and the surprise as to who won the award was greatly received with applause and tears from her Rainbow sisters.

On Saturday morning, I received my Grand Cross of Color along with two Rainbow Girls, in a closed ceremony of recipients of the Grand Cross, the ladies wore white gowns and the men black tuxedos. The ceremony had a lot of similarities to the Scottish Rite degrees.

On Saturday evening, we were delighted to have our Deputy Grand Master, R.W. Bro. Donald A. Campbell, with us at the Banquet and he later presented, from our Grand Lodge Youth Initiatives Committee, a cheque for \$500.00 to the Youth of the Year Award winner and \$300.00 to her assembly Ottawa #3 during the evening installation of the new Grand Assembly Officers.

Our committee attended the DeMolay All Canada Conference held in Burlington on November 10, 11 and 12, 2011, where DeMolay from across Canada and the U.S.A. gathered. I had the privilege of escorting R.W. Bro. George A. Mitchell, Past Imperial Potentate through his Honorary Legion of Honor. At the conference, Andrew Scott McDonald, the Provincial Master Councilor of Ontario and member of Horace Mundy Chapter, received the DeMolay Distinguished Service Award for his continued distinguished and meritorious service to the cause and goals of DeMolay in Ontario. Upon completing his term as Provincial Master Councilor in 2010, Andrew was called upon to serve an unprecedented second term. Living to his commitment for the service and cause of DeMolay, Andrew once again accepted the challenge and served his jurisdiction. It is fitting therefore, that Andrew is only the third person in Ontario to be awarded the DeMolay Distinguished Service Award. Andrew partitioned Doric Lodge No.424 in Pickering on his 21<sup>st</sup> birthday and was Initiated on January 19, 2012. We are very fortunate to be able to have these types of gentlemen joining our Craft lodges.

On January 7, 2012, our committee attended the Royal City Chapter of DeMolay at the Guelph Masonic Center for the Installation of Master Councilor Ethan Arnwe and the officers of the Chapter. There were a total of 18 Masons present for the Installation.

A half hour after the DeMolay Installation, we attended the Installation of Honored Queen Andrea Penson and the officers of Job's Daughters Bethel #6 of Guelph. There were a total of 19 Masons present for the Installation.

We are happy to report that the Job's Daughters Bethel #6 has grown by 200% in the last year, as they went from 2 members to 6 members and there was a 9 year old girl in attendance that will be joining when she becomes 10 next year.

Our lodges that are going dark could learn from the perseverance of these two young

ladies. Young adults do not know the meaning of no and it cannot be done. They had a challenge to conquer and they did it. Instead of letting the only remaining Job's Daughter Bethel in Ontario close, they went out and sought out new members. This is a great challenge as they can only receive new members who have a Masonic connection in a father or grandfather who is a Mason. Now they are a lively group that are having fun and enjoying each other. You could see the excitement in them and their majority advisers as they were installed into their new offices. Congratulations to Bethel #6.

On Saturday, March 10, 2012, our committee attended the DeMolay Sweethearts Ball at the Consistory in Hamilton, where 14 new DeMolay received their DeMolay Degree. The class was named after the Potentate of Tunis Shriners Dad Dennis Saikaley, the first Ontario Senior DeMolay to be a Shrine Potentate. Future DeMolay classes will be named after our Grand Master on alternate years. This year saw over 150 persons attend the Sweetheart Banquet held in the Consistory Banquet Hall. Congratulations to the DeMolay of Ontario and the Ontario Sweethearts for an enjoyable event.

Congratulations to Toronto East District and R.W. Bro. Keith Jones the D.D.G.M. for selecting the youth of their district as the Charity for the year. Their Charity raised \$10,000.00 which was shared evenly by the International Order of Rainbow for Girls, Toronto Assembly #2 and Order of DeMolay, Horace Mundy Chapter both of these youth groups operate out of the Pickering Masonic Temple.

The Masonic Foundation of Ontario supported the youth of Ontario this year with a cheque of \$6,000.00 to each of International Order of Rainbow for Girls, Order of DeMolay and the Boy Scouts. This was in addition to the usual support from the Masonic Foundation that the youth groups receive. Thank you for your generous support of the youths of Ontario. The cost of operating these youth groups is increasing greatly every year, as the cost of travel, hotels and banquets continue to rise. Please consider supporting the youth in your District this coming year by visiting with them and if possible financial assistance. You will be the beneficiary of a great time and good feelings.

Our committee would like to express their appreciation for the assistance and advice from our Grand Master, Deputy Grand Master, Grand Secretary and our Management Liaison.

I extend my sincere appreciation to the committee members for their devotion to the support of the youth of this province – R.W. Bro. Allin Brown, R.W. Bro. John L. Spence, R.W. Bro. Marvin J. Switzer, R.W. Bro. James W. Williamson, V.W. Bro. John Black, V.W. Bro. Scott Dunlop, V.W. Bro. Gerry Ouellette, W. Bro. Richard Loomes, W. Bro. David Charette and Bro. Sheldon Kofsky (secretary).

Respectfully submitted on behalf of the Youth Initiatives Committee.

### **REPORT OF THE LEADERSHIP TRAINING DEVELOPMENT COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Leadership Development Committee (LDC) is a Special Committee of the Board of General Purposes whose Mission Statement for 2011– 2012 is to:

- identify leadership talent and professional competencies among the membership
- encourage individuals to offer themselves for leadership roles in Grand Lodge and provide expertise as members of committees
- collect 'best practices' of leadership and make them widely available to the membership
- maintain currency of the Reference Guide and make it available on the GL website
- act as the custodian of the Survey Monkey software license and assist other committees to design and conduct surveys of target groups and analyze and report results

The committee, with the assistance of the Grand Secretary, revised and issued the organization chart showing the updated Standing Committees and Special Committees of the Board of General Purposes for the Year 2012–2013. This chart forms part of the information package (Reference Guide) for new Board members.

The Committee Chairman, at the request of R.W. Bro. John Green, drafted and submitted the text of a booklet titled, "Information for Brethren aspiring to, or newly-invested in, the

office of Grand Senior Warden.”

The committee submitted a comprehensive set of proposals for initiatives to address the need for succession planning and to reduce the likelihood of acclamation for the offices of Grand Wardens and Grand Registrar.

To this end, the committee proposed the establishment of a “Talent Search” process (often referred to as “succession planning”). This process would ask the D.D.G.M.s to submit the names of two or three brethren in their District who appear to have the qualifications and interest in offering their services, and experience and professional expertise, as members on the various committees of the Board or to stand for election to the office of Grand Senior Warden, Grand Junior Warden, Grand Registrar, or as Member of the Board. An “inventory” form was designed to document the details of prospective candidates for these offices and service.

The committee submitted a set of new initiatives to reform the process and practices for the election of Grand Wardens, Grand Registrar, and Members of the Board of General Purposes. These initiatives are designed to make acclamations unnecessary and to offer voters a choice of candidates. A contested election for Grand Lodge offices is thought to increase interest and attendance at the annual communication.

These initiatives were:

- to have a “nomination period” from January 1<sup>st</sup> to April 1<sup>st</sup>, during which nominations for the above-noted elective offices would be received and published to the lodge secretaries. Thus nominees would be known to the members while visiting lodges and events during the run-up to election
- that nomination for the above-noted offices be signed by five members of Grand Lodge
- that nominees/candidates may prepare a “Masonic Profile” or record of Masonic service, listing their Craft activities and offices held, for the information of voters (as several Past Grand Masters have issued letters that state that “Election to these offices should be based on merit and ability. It should not be a popularity contest.”)

These initiatives were not supported or approved by Management Committee at its January 18, 2012, meeting except for a qualified support of the last item (Masonic Profile) in that Management Committee directed that such a profile may be posted on the Grand Lodge website, but may not be distributed by the candidate or his supporters at Masonic meetings and events.

The committee then designed and submitted a form that would permit nominees to Grand Lodge elective offices to provide a record of their Craft Masonry activities and to have them posted on the Grand Lodge website. No further direction was received in this matter.

The committee has not been successful in discovering and making available to the membership “best practices” of leadership (Strategic Plan item and a Mission Statement task). While some members of the committee have made searches of publications in this field, the items produced did not seem applicable to Masonry in this jurisdiction.

No request were received for the use of the Survey Monkey software or for assistance with survey design and administration.

Respectfully submitted on behalf of the Leadership Development Committee.

JOHN P. LOGAN, Chairman

### **REPORT OF THE COMMITTEE ON MASONICHIP PROGRAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to take this opportunity to thank all the members of our team this year. As well, I congratulate the many hundreds of Masons in 108 different communities in the 40 Masonic Districts on running 137 successful clinics. The Ontario Masons’ Child Identification Program remains a very effective community outreach initiative, and a very popular method in promoting Masonry in Ontario.

During the Masonic year 2011–2012 we provided over 7,000 child ID packages at our clinics to families free of charge. Unfortunately, the need for our program has not diminished. On average, over 50 children are reported missing each day in Ontario. We have provided

over 46,000 child identification kits since we started, which is a great start.

We have 71 EZ Child ID systems at this time located in 9 supply Depots across Ontario.

We continue to receive accolades in the media. Dozens of newspaper articles, radio station interviews, and television news and feature stories have been aired and/or written in the past 12 months in communities across Ontario. Our program is providing a huge dividend for our Lodges and the members in general. The volunteers enjoy participating as a Lodge or District, and find the experience very rewarding. The problem of missing children and exploited children remains a serious one, and we hear of reports daily of children in danger in our communities. Our Masonic profile has been increased wherever our clinics are held.

**MasoniCh.I.P Ontario**

Our program transitioned from a Committee of Grand Lodge to a Corporation of Grand Lodge in January 2012. The Corporation commenced operations February 1, 2012. I would like to acknowledge the Brethren who have served as the members of the Board of Directors of the Corporation: M.W. Bro. D. Garry Dowling, Grand Master, M. W. Bro. Gary L. Atkinson, P.G.M., M.W. Bro. Allan J. Petrisor, P.G.M., R.W. Bros. Murray Coulter, Scott Drummond, Paul Todd, and W. Bro. Evan Woodhead.

I would also like to acknowledge the support of the President and Board members of the Masonic Foundation of Ontario. Their support was extremely important over the start and development of our program. A special thank you is extended to the President of the Masonic Foundation, R.W. Bro. Doug Nichols, for his support and advice.

Respectfully submitted on behalf of the MasoniCh.I.P Committee.

**REPORT OF THE PROTOCOL AND ETIQUETTE COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Ritual is the foundation and framework of our Order. As directed by Section 7 of the Constitution, no Mason can change it, (with the exception of the Ritual Committee). It is sacrosanct, unerring and inviolable.

In contrast, Protocol and Etiquette is nothing more than a set of guidelines – but they are not ordinary guidelines. As described in *The Masonic Manual*, most are necessary. They are meant to produce order and dignity. They should generally be viewed as desirable objectives.

No one can dispute that some P&E guidelines carry more weight than others. Some guidelines fall into the realm of mere common courtesy. Others are simply rules based upon a long and successful usage.

P&E, therefore, has no distinct and unvarying boundaries. You may think of P&E as a concept, an agreed set of standards so everyone does the same thing, a set of rules to govern our behaviour in most situations, to bring about uniformity throughout our Grand Jurisdiction.

As succinctly expressed by R.W. Bro. M. Mickey Ander of the Grand Lodge of Virginia, “Masonic etiquette, protocol and decorum, by definition, is not something left to an individual to decide or to carry out according to his own taste. He conforms to it because it was formally adopted as a conventional requirement for acceptable behavior, whether he sees a good reason for doing so or not.

*“An act of Masonic etiquette is some movement, action, courteous gesture or speech performed at a given time and place, in a certain manner, and according to rules, fixed and imposed by the Fraternity itself. Since the rules are for the good of the Craft as a whole, it*

affects each member.

"An organization such as ours adopts these rules to better enable it to carry out its good work in an atmosphere of harmony. They are not empty and meaningless, nor are they arbitrarily enacted. The rules have been tested, and they work!"

The mandate of the P&E Committee is to communicate those standards of Protocol and Etiquette which are applicable in our Grand Jurisdiction, thereby creating a heightened awareness of them and to assist the brethren in becoming competent in them. Many of these standards are outlined in the latest versions of our *Book of Constitution*, *Meeting The Challenge*, and *The Masonic Manual*. Occasionally it is necessary for the Custodian of the Work and the Ritual Committee to provide an interpretation of these standards, or to promulgate supplementary guidelines.

We endeavour to carry out our mandate by making presentations throughout the province, by distributing educational material, and by responding to a multitude of questions from the brethren – both in person and by e-mail.

Probably our most successful initiative to date is the electronic distribution of a monthly educational bulletin called *P&E Essentials*. It is estimated that over 10,000 brethren read each issue, including Masons in Newfoundland, Nova Scotia, Quebec, Saskatchewan, Alberta, British Columbia, the United States, and even in Europe. The key to its success has been its easy-to-read, easy-to-download, and easy-to-distribute, two page format. We are grateful for the assistance of our District Deputy Grand Masters and so many of our Lodge Secretaries in the distribution effort.

Now that the committee's fifth year of activity is coming to a close, it is a pleasure to report that there is a very strong awareness of the importance of Protocol and Etiquette in each of our 44 Districts. Indeed, this importance was highlighted when the Long Range Planning Committee conducted an open survey of Masons in Ontario last year. The importance of the P&E Committee, and the effectiveness of our communication efforts, was given one of the highest rankings by the brethren.

The questions received from brethren – at our presentations, by telephone and by e-mail – about all aspects of P&E, reflect their genuine desire to learn our standards and to practise them correctly. This year we also witnessed a greater depth and complexity to the questions raised.

Formal requests for the committee to conduct a P&E presentation again remained high this year. Twenty-four separate P&E presentations were given by committee members over the past twelve months, throughout the province. Both the interest levels and the attendance at these workshops and seminars were commendable.

The committee continues to address the importance of specific aspects of Protocol and Etiquette in our presentations, namely:

- The Masonic Memorial Services;
- The Ceremony of Installation and Investiture;
- The Reception of Grand Lodge Officers;
- Banquet Hall Protocol; and
- Balloting.

Comprehensive educational guidelines have been developed by the committee for all of these topics. These guidelines are designed to compliment and expand upon those contained within *Meeting The Challenge* and *The Masonic Manual*.

Hard copies of these documents are made available to brethren who attend our presentations. They are also posted on some District websites and many copies have been distributed electronically.

Several brethren have expressed an interest in having our Grand Lodge publish a book devoted solely to Protocol and Etiquette, following the example of other Jurisdictions. This possibility remains under consideration.

The task facing the committee is an immense one. It will likely never be complete. However, our approach of using the electronic medium of websites and email messaging, together with the more personal "hands-on" venue of District workshops, appears to be fairly effective.

The pleasure of addressing this formidable task was considerably enhanced by the opportunity of working with a dedicated and accomplished committee. The following brethren have deservedly earned my deep appreciation – and hopefully yours as well – for all their efforts and contributions: R.W. Bros. George McCowan (*Secretary*), William Elliott, Dennis Hawman, Michael Litvak, Richard Morreau, James Pearson, David Purvis, Garnet

Schenk (*Editor of P&E Essentials*), Brian Seabourn, David Stevens, V.W. Bro. Bryan Middleton, and W. Bro. Terrence Van Horne.

The P&E Committee reports directly to the Custodian of the Work. All of our material is reviewed by him before it is disseminated. A significant number of the questions we receive from the brethren are referred to him. We also endeavour to keep him fully-informed about all our activities.

Unequivocally, the most rewarding element of being the chairman of the P&E Committee is the opportunity for frequent contact and interaction with the Custodian of the Work. It has been an unequalled learning experience for me. Our Grand Lodge is fortunate to have a Past Grand Master of M.W. Bro. Donald H. Mumby's calibre fulfilling the responsibilities of Custodian. Thank you, M. W. Sir, for the countless hours you devote to this task and for your continuing leadership, patience, guidance and willingness to share your exemplary Masonic knowledge with me.

Respectfully submitted on behalf of the committee.

## REPORT OF THE BROCK UNIVERSITY PARTNERSHIP COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This was the first year for the Brock University Partnership Committee as a Standing Committee of Grand Lodge. The mandate of the Committee is as follows:

- In partnership with Brock University encourage research into the significant impact fraternalism in general and Freemasonry in particular have made on society here in Canada and throughout the world.
- To assist Brock University with the series of annual lectures by world renowned and local Masonic scholars, with options for periodic multi-day conferences.
- To establish an endowment fund in conjunction with Brock University to financially assist in the study of Masonry.
- To establish an Endowed Chair in conjunction with Brock University for Masonic Studies.
- To promote the project to the brethren and encourage donations to Project 2937 of the Masonic Foundation of Ontario.
- To enter into contracts with Brock University to achieve the committee objectives and for the transfer of funds from Project 2937 of the Masonic Foundation of Ontario to Brock University.
- To submit yearly Financial Statements of all financial transactions to Grand Lodge through the Audit and Finance Committee.
- To promote and encourage other Grand Lodges, Concordant and Appendant Bodies to financially support and participate in the initiative.

To meet this mandate, the committee worked on the following aspects during the past year: The **third lecture in Charles A. Sankey Lecture Series** took place on Sunday May 6, 2012. Dr. Steven C. Bullock, Worcester Polytechnic Institute in Worcester MA, was the keynote speaker. Dr. Renée Lafferty, Associate Professor, Department of History, Brock University was the Master of Ceremonies for the Lecture and provided a very entertaining introduction to her area of research as it relates to Masonry during the War of 1812. Dr. Lafferty has a strong Masonic family connection. The lecture was well attended with over 350 in attendance, although 325 tickets were reserved through the Brock University box-office. Copies of Dr. Bullock's book, "Revolutionary Brotherhood, Freemasonry and the Transformation of the American Social Order 1730–1804" were available for sale and, following the lecture, Dr. Bullock was available for a book signing session. All copies of the book were sold and the book signing session was very well received. The committee is indebted to Dr. Michael Driedger, Associate Professor, Dr. Murray Wickett, Chair, Dr. Renée Lafferty, Associate Professor, all from the Department of History, and Norman Bradshaw, Senior Major Gifts Officer in the Faculty of Humanities, Brock University for their time and effort in making the 2012 lecture such a success. To help promote the event, invitations were extended through

the Grand Secretary to the Grand Lodge of New York as well as the Most Worshipful Grand Lodge of Prince Hall Masons of Ontario and Jurisdiction.

**Sankey Lecture Website** ([www.sankeylectures.ca](http://www.sankeylectures.ca)): There is a twofold purpose to the site: to provide information about current lectures as well as an archive of previous lectures. During the year we updated and revised certain elements of the website. The video of the second lecture given by Dr. Jessica Harland-Jacobs, Associate Professor, Department of History, University of Florida, was made available on the website in July 2011. The video of Dr. Bullock's presentation as well as Dr. Lafferty's introduction were made available in May 2012. Further additions to the content of the website are now under development.

**Future Sankey Lectures:** We are currently in discussions with Brock regarding potential speakers for future years particularly for 2013 and 2014. As we have now completed the third lecture in the series this allows to us review the timing, promotion and other aspects of the lecture series to improve future lectures.

**International Conference on the History of Freemasonry (ICHF) 2015:** We have now made a preliminary commitment to host, in conjunction with Brock University, the ICHF in May of 2015. This commitment was announced by M.W. Bro. Daniels during his term as Grand Master. The organizers of the ICHF announced at the ICHF meeting held in Alexandria Virginia in May, 2011, that the 2015 conference would be at Brock University. We are working with Brock University and SuperSonic Events (organizers of the ICHF) in the planning of the 2015 conference. Seed funding for the ICHF 2015 is provided by funds from M.W. Bro. Daniels project during his term as Grand Master.

During committee meetings, the longer term goals of the partnership with Brock were discussed as well as possible mechanisms for funding of the initiative at Brock. A priority for next year is to work on the long term funding of this initiative.

Respectfully and fraternally submitted on behalf of the committee, M.W. Bros. Raymond Daniels, William Pellow, R.W. Bros. John Forster, Patrick McGrenere and Charles Reid and V.W. Bro. Dale Graham.

### REPORT OF THE AWARDS COMMITTEE (William Mercer Wilson Medal)

*This Report was presented by M.W. Bro. R. E. Groshaw, Chairman, seconded by the Deputy Grand Master, and received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In January of this year, the Worshipful Master of one of our lodges discovered a William Mercer Wilson Medal in a second hand shop in Guelph, Ontario. Fortunately, he made enquiry and was told that this medallion had come from the Stratford Shakespearian Festival where it had been used as part of the costume of one of the actors. The name of Brother W.S. Kirby was inscribed upon the medal. It was purchased by this presiding officer of Wyndham Lodge and then presented to Guelph Lodge where the Late Brother Kirby had been a member. Your committee congratulates such an observant and generous Worshipful master in preserving the heritage of Masonry in Ontario.

Brethren "Guard Well the Portals".

Your Committee continues to be greeted by reports that are becoming more explicit and more expressive of the heartfelt gratitude that the lodge feels regarding their brother who has rendered exemplary service inside and outside of our gentle craft. This has resulted in the

Independent deliberations of each committee member upon the merit of each nomination, becoming more difficult to prioritize and give greater weight to certain submissions.

All lodges submitting requests are to be congratulated for their diligence in describing the merits of their respected members.

We are delighted to announce those who have been selected, should their lodge pursue the required route to make that presentation a reality — In alphabetical order, your committee recommends the following brethren to receive this medal of Meritorious Service Award:

1. Alan Roy CAPON
2. Alexander COOK
3. Gordon Cecil FENN
4. Ronald Bruce GILLESPIE
5. Garnet John KRANZ

- Prince Edward Lodge No. 18
- Ozias Lodge No. 508
- Sharon Lodge No. 97
- Oak Branch Lodge No. 261
- Bonnechere Lodge No. 433

Respectfully submitted on behalf of the committee.

R. E. GROSHAW, Chairman

M.W. Bro. W. R. Pellow was appointed a member of the Awards Committee for a three year term.

### REPORT OF THE GRAND HISTORIAN

*This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Master, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to express my gratitude to you, M.W. Bro. Dowling, for honoring me with the office and title of Grand Historian.

This report is submitted in accordance with the book of Constitution which requires the Grand Historian "to record matters that are connected with the history of Freemasonry in Ontario." Given the challenge posed by the subject a more comprehensive research paper has been prepared for The Heritage Lodge: this report is a summary.

June 18, 1812, marked the two hundredth anniversary of an American declaration of war against Great Britain. The declaration was made at the height of the Napoleonic Wars between England and France.

There was only one place where American and British territory touched: the loosely defined 1,500 mile front-line border, stretching from the head of the Great Lakes to the maritime coastline. Naval battles on the Great Lakes and Lake Champlain, and on the high seas, were important components. About 1.5 million Americans were aligned against approximately 100,000 Loyalists, French and Indians. Freemasons on both sides were involved.

The heaviest land battles occurred in southwestern Upper Canada and were less frequent the further east one travelled. Looking back on events we can see that while British and colonial forces would hold the land, American naval forces controlled Lakes Erie and Ontario. Well built and manned American warships at sea were frequently the victors in one-on-one engagements and avoided the Royal Navy's approach to fleet-opposed actions.

The events on this side of the border, helped shape our perception of ourselves. They would find an expression in the definition of a Canadian that would emerge half a century later in the Confederation Debates and the creation of the Dominion of Canada.

The British colonies in North America — Upper and Lower Canada (formed 1791 out of Quebec), New Brunswick (formed 1784 out of Nova Scotia), Nova Scotia, Prince Edward Island and Newfoundland — had small and widely dispersed populations. Travel was by foot or water, or both. Military and paramilitary activities were provided by about 4,000 British regular troops and 4,000 Canadian troops which were trained and equipped as regulars. Militia forces were raised and trained by counties and were frequently used outside their particular counties. Additionally, the British Indian Department saw a closely knit group of

people, in Upper Canada particularly, who had been allies against the French, later during the American Revolution, and now, in the War of 1812. This latter group were reinforced through intermarriage.

All parts of the society were strengthened by the many members who were Freemasons. But even outside the fraternity, close friendships had grown up: that between Sir Isaac Brock, commander of military forces in Upper Canada and the Shawnee Chief, Brother Tecumseh, for example, gave an added impetus to the actions of the Indians in supporting the British and colonial forces.

The extent of the Craft through the colonies included: 29 Lodges in Upper Canada, 21 in Lower Canada, 9 in New Brunswick, 6 in Nova Scotia, 1 in P.E.I. and 7 in Newfoundland. Upper Canada had suffered a schism within the Provincial Grand Lodge dating from 1802 and no meetings at all were convened after 1804. There were a few other military lodges warranted within regiments but these were not meeting regularly (if at all) as the units were frequently broken up to provide small detachments of men across the vast territory and regimental Masons could attend local Lodges. It was a goodly collection of Masons spread across the entire countryside, but probably not numbering more one and one-half thousand.

The American reasons for the war were several and varied and included: the belief that arms and supplies were being provided by the British to their Indian allies of 1755 and leading to vicious fighting on the Ohio-Wabash rivers and elsewhere and limiting a westward American expansion into Indian lands; the Royal Navy's "stop and search" on the high seas was constraining American trade; a desire to strengthen an American-French alliance which had grown during the American Revolution. Many senior American military officers had served in the Revolutionary forces and this "War of 1812" could be seen as an extension of the Revolution, dedicated to the forcible ejection of British authority from North America.

American strategy was to seize Montreal and split Upper and Lower Canada. British strategy was to hold the citadel at Quebec and the maritime areas and to part with Upper Canada if necessary. Some regular troops were split up and positioned in Upper Canada and reinforced with Militia. The Newfoundland Regiment of Fencible Infantry was assigned to Brock's command just prior to the outbreak of war: it was deployed across the province in small numbers and fought in a number of actions. A major worry for the British at this time was the influx of Americans who had crossed the ill defined borders and settled on land which was in the process of being put into production: which side would they support? American thinking assumed their troops crossing the border would be warmly welcomed. In the Maritimes, New Englanders believed their system of Federalism was superior to the rest of the American states and preferred a peaceful trading regime: leading to an unofficial peace between Maine and other northeastern states with the British maritime colonies.

**1812:** Within a few months of the outbreak of hostilities many Upper Canada Lodges would close for the period of the war as their members took up arms in local militia units. On July 12, when American General Hull attacked across the Detroit river into southwestern Upper Canada, with 2,500 men, Adoniram Lodge No. 18 at Amherstburg was conferring the second degree on Brother Fox, a Captain in the local militia. When news of the attack was announced by the Tyler "*The Master finished up in less than five minutes and the twenty brethren in the room cleared out, the Lodge being called off.*" The Lodge never resumed. Hull's attack was countered by Sir Isaac Brock with 730 soldiers and militia and 600 Indians. The presence of Indians (led by Brother Tecumseh) contributed to Hull's decision to surrender Detroit and his forces in the west. This fear of Indians would be used to advantage at other times. Meanwhile 6,000 American troops were amassing along the Niagara river and Brock and his force were called to the Niagara area as a counter to what developed into the well remembered battle at Queenston. Brock was killed in the fighting on October 13, but the invading Americans were repulsed. Again, Indian allies, this time led by Chief Brother John Norton, played a major role – which was recognized on a suitable medal by his Lodge (Merchants Lodge of Quebec) in 1815. A late fall attack above the falls would also be repulsed. Minutes of St. John's No. 2, Queenston, indicate it met when opportunity arose: June 26 and September 22 at St. David's (prior to Brock's deathly victory). Although it was affected with the burning of the town during the American withdrawal in October, it continued to meet. Union Lodge No. 15 at Grimsby recorded its last meeting on September 26, 1812, not meeting again until April 11, 1816. During the war the Lodge jewels, warrants and books were concealed in Brother Kitchen's log house. Further east, the *Kingston Gazette* would carry Masonic notices: in August to advise of the suspension of a brother and in December to call the brethren to a feast

in honour of St. John. An American attack in November against Montreal failed when New York militia, forming the core of the attacking force, refused to cross the border. Meanwhile, in Quebec City two Royal Artillery Lodges (which had been formed during the Revolution and remain active in Quebec today) would meet regularly, as would Merchants Lodge.

**1813:** Additional militia units were raised in Upper Canada and also in New Brunswick where they were needed to cover the transfer of the Royal New Brunswick Regiment to Quebec, Kingston and eventually on to Niagara. This colonial regiment had the distinction of being adopted into the British Army as the 104th Foot. Meanwhile, American control of Lakes Ontario and Erie saw York attacked and sacked and it is likely that Rawdon Lodge's effects were damaged if not destroyed as there are no surviving Lodge documents of this time period. Fighting at Fort George saw Masonic charity at work: an American captain named Arrowsmith saved the life of a wounded British officer who made a recognized sign of distress. Arrowsmith was later wounded and his bed was placed beside that of his newly found Brother. Looting American troops broke into a house owned by Brother Field (probably a member of St. John's Lodge No. 2) and found a chest filled with lodge regalia and jewels. Another American officer, recognizing "that which was found" saved the chest and had the home "warily watched and closely tyled." This fighting would see a lateral movement of British and militia forces to Burlington Bay and later a return to Niagara. In this ebb and flow, Brother Lieutenant James Fitzgibbon would take the surrender of American forces at Beaver Dams – information on the disposition of American forces having been carried through the lines by Laura (Ingersoll) Secord, wife of Brother Militia Sergeant James Secord whose courtship had commenced when the couple were introduced by Brother Thomas Secord, Laura's father. (Both men were members of St. John's No. 2). Brother Fitzgibbon would subsequently receive a formal resolution from Merchants Lodge of Quebec "*expressing their admiration of the judgement and bravery of Lieut. Fitzgibbon, who they have the satisfaction of taking by the hands as a member of their society.*" Renewed fighting in western Upper Canada saw a decisive American victory at Moraviantown in September where Brother Tecumseh was killed. In the immediate aftermath, when property was being destroyed or concealed to deny foodstuffs to the enemy, Brother Morris Sovereign of Lodge No. 26 and his friend, William Schuyler were captured while trying to extinguish the firing of Sovereign's mill by the Americans. They were prepared for hanging. With his life nearly ending Bro. Sovereign gave the masonic sign of distress which was recognized by the American commander, McArthur, who spared their lives, but ensured that the mill was fired and destroyed. With no enemy "in the field," the Americans returned to Detroit leaving the western part of Upper Canada open as far as Niagara where regulars and militia continued to maintain strong fortified facilities. Later, forces were assembled for a two-pronged American attack: one moving east along the north shore of the St. Lawrence and the second to attack northwards up the Champlain river. The former was stopped at Crysler's Farm, by a force of regulars, militia and Indians, led by Lt.-Col. John Morrison of the 89th Foot. The latter was beaten by a mixed force of Voltigeurs (a French Canadian unit in the British army), militia and Indians led by Lt.-Col. Charles Michel d'Irumberry de Salaberry. Both invading forces retreated and ended what has always been considered the most serious invasion threat of the War. (Later on some members of the 89th Foot's 2nd Battalion were placed in barracks in the Richmond, Ontario, area where ageing officers and men were retired on land grants. Although the Battalion was disbanded in 1818, Freemasons amongst the military retirees who were members of the regimental Lodge, No. 863 IC, assisted early efforts to form Richmond Lodge by 1821.) By year's end, American forces in the Niagara area departed for New York, burning and destroying property and crops as they did so. Retaliation came with the firing of Fort Niagara, Lewiston and Buffalo. Lodge meetings continued to be erratic: St. John's No. 2 held two meetings at St. David's—on February 5 to pass a brother and July 9 for business and no degree and at Kingston, Lodge No. 6 reported in their records "*that owing to the unpleasant situation of publick (sic) affairs and various inconveniences occasioned By the War — Lodge No. 6, Ancient York Masons, have been unavoidably prevented from meeting in regular form during the months of May, June, July, August, September, October and November of this present year, December 2, 1813.*" In Lower Canada, meanwhile Lodge 354 IC in the 49th Foot paid its respects to the provincial Grand Lodge and was duly listed on the register of working Lodges. Lodges 637 IC and 661 IC in the 13th Foot may have been working at Quebec and La Colle at this period as the Grand Lodge Register shows fifty-one members were registered with Dublin by 1818. In none of these cases has documentary evidence

survived to show meetings or degrees. Meanwhile, the collapse of Napoleon's forces in Europe and his confinement to Elba allowed Horse Guards to transfer additional infantry regiments to North America, bringing the number up to 10,000 British regulars by the end of 1814.

**1814:** Fighting continued in a series of dispersed engagements: March 30 at La Colle, LC, the defending militia and regulars defeated an American attack and May 14 when Canadian renegade whites (not Americans) sacked and burned a large area in western Upper Canada. In early July, a well led American force captured Fort Erie. At Chippewa, British and colonial forces were forced from the field: but during this battle Brother Captain John Clement of the 8th (King's) Regiment of Foot saved the life of an American soldier who was about to be killed by an Indian, but had made the sign of distress. The American was treated for his wounds and eventually returned to his home in Buffalo. (En passant, the 8th had garrisoned Fort Niagara during the 1770's and had provided detachments as far west as Detroit and Kaskasia (Ohio river). During this time its military Lodge (a Moderns one) had been active and entertained visiting and settler Freemasons, such as Brother John Butler, and contributing to the spread of Freemasonry.) Chippewa was soon followed by the Battle of Lundy's Lane (July 25) and although neither side was victorious the American attackers withdrew and left the field to the defenders. Seven hundred soldiers on both sides were killed in the fighting. This battle was the last major action in the Niagara Peninsula. One legend has come down to us: that on the eve of battle British Masons invited their American counterparts to attend a Lodge meeting on the field, held in a British officer's marquee. No documentation has survived the meeting or the battle, but several years afterwards a local resident found a Masonic jewel where it was believed the meeting had been held. It was an American pattern of the jewel of a Lodge Treasurer. Wins and losses continued: a British-colonial attack on land and water at Plattsburgh (Lake Champlain) was unsuccessful, one against Prairie du Chien was successful and the Canadian defenders at Michilimackinac defeated an American attack. Success was registered in the Maritimes with the dissolution of the informal peace and British occupation of parts of Maine, the destruction of an American gunboat flotilla in Chesapeake Bay and the attack and burning of Washington on August 24. A planned attack on Baltimore at the same time was limited to a naval bombardment of Fort McHenry, which gave rise to the writing of the future American national anthem. In Europe, the collapse of France and occupation of Paris early in the year resulted in the signing of the Peace Treaty on December 24, 1814. In Upper Canada, Militia members of Harmony Lodge No. 24 (then meeting in Grenville County) were transferred to Richmond Mills (Lennox County) and immediately organized a new Lodge, to be called Union and numbered as No. 25. The buried and concealed Lodge equipment of Fort Erie No. 9 would be discovered late in 1814 or early 1815 and put into use. And Merchants Lodge No. 40 (Antients) in Quebec would strike a medal honoring the Six Nation Chief, Brother John Norton which reads, "*To Brother Norton Captain and Leader of the Five Nations From Lodge No. 40 at Quebec AYM As a token of remembrance 19th March AL 5814.*" This medal can be seen in the Haldimand Museum, 8 Echo Street, Cayuga, Ontario N0A 1E0.

**1815:** Unfortunately it would take time for news of the Peace Treaty to reach all combatants. On January 8, 1815, the last shots of the War of 1812 would be fired at New Orleans. Lieutenant John Le Couteur's diary entry reads: "*15 February Dismal news of the defeat of our Army at New Orleans.*"

We can, however, total up winners and losers as a result of the War of 1812:

The **Aboriginal Peoples** on both sides would lose. America's inexorable push of new settlement areas would relegate Indians to reserves or push them further west and north into the future Canada. On the British side of the border, the loss of key spokes-people and the removal of a need for an "Indian buffer state" would not benefit the Indians. We can see this today in current news reports.

**Military** heroes would be created. Brock's and FitzGibbon's names would stay in the human consciousness. Other names like Sheaffe, de Rottenburg and Drummond would usually only appear in footnotes. The battle of Cryslar's Farm is much better remembered in Ontario than is Chateauguay in Quebec.

**British North American citizens** (Loyalists, immigrant settlers, French and native peoples and others) on the northern side of the border would have a better understanding of

the differences between themselves and others. Love of King and Country, strong respect for language, tolerance of religious differences and an acceptance of the equality of all members of the society. These issues and feelings would gel in the late 1860's and lead to the Charlottetown, Quebec and London Conferences and Confederation into the Dominion of Canada (although it would take time to integrate across the continent).

**Canadian-American relations** did not reach any immediate settlement about the border or resolve impressment and maritime rights at sea. These would be resolved over the years although there are still occasional hiccups – resolved by the efforts of people who see peaceful solutions, involving compromises of all sorts, as essential to survival.

**Towns and townsites** would grow up. Some would replace those which were destroyed. New towns, like the area around Richmond, would often be settled by military retirees, some of who were Freemasons.

**Freemasonry** itself would survive and flourish. It is more likely that the outright loss of members and closure of lodges occurred in 1826 over the infamous “William Morgan Affair.” It would see almost three-quarters of Lodges in the north-western parts of North America (on both sides of the border) would close and an Anti-Masonic political party in the United States would run in a Presidential election.

The War of 1812 played its role in the definition of what it is to “be Canadian.” It will always occupy a note or even a chapter in a book on Canadian history and oftentimes only a footnote in a more wide-ranging world-wide history. But it is an important part of our history and we should remember it.

All of which is respectfully and fraternally submitted.

MICHAEL JENKYNS, Grand Historian

### Question:

Bro. Peter Renzland, Simcoe Lodge No. 644 approached the dias.

Grand Master, I thank you for permitting me to present a friendly question for consideration by the officers and members of the Grand Lodge. I am not asking for answers today.

The question concerns the governance-relationship between the Grand Lodge of Canada in the Province of Ontario, and the Grand Lodge of Canada in the Province of Ontario Inc. In particular,

1. What are the Bylaws, and who are the Officers and Members of the Corporation?
2. Is this Annual Communication of the Grand Lodge the Annual General Meeting of the Corporation?
3. What are the responsibilities and accountabilities of the Officers of the Corporation with respect to the Grand Lodge?
4. What are the responsibilities of the (approximately 14,000) Members of the Grand Lodge with respect to the Corporation?

### Answer:

Thank you Bro. Renzland. I won't attempt to answer your question specifically right now, but I can tell you very briefly that yes indeed this Annual Communication is the Annual Meeting of that Corporation, the officers and directors are the members of the Board of General Purposes, and all members of GL are members of the Corporation. I know that's not very good, but I will see that you get proper answers as soon as I can.

### THANKS

The Grand Master expressed his appreciation to the Committee on Arrangements for their dedicated service rendered once again this year.

Recognition of the role of this committee met with the approbation of all in attendance.

### GUESTS SPEAK

During the session the following distinguished guest, at the request of the Grand Master, addressed the brethren assembled:

## REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Fraternal Correspondence is pleased to report that it has had extremely productive year. Beyond our traditional role of reviewing the Proceedings of our Sister Jurisdictions and providing our Grand Lodge with Fraternal Reviews, we commenced an enhanced role that is called "Best Practices Benchmarking" of the programs and initiatives of external jurisdictions. This research work was primarily conducted via the external jurisdictions websites and member publications.

### **Best Practices Benchmarking:**

1. The objective was to research the external jurisdiction's many programs and initiatives with the express goal of finding resource material, that if conjoined with that in our own programs, would enhance the resources that we make available to our constituent members and their lodges. Or, find programs and initiatives that could be used as a blue print to develop similar programs for our Grand Lodge.

The committee members have worked many hours sifting through the volumes of material that is available and initially submitted research reports to the Grand Master, Deputy Grand Master and Management Committee; for the following external jurisdictions; with the hope that they would be made available to a wider audience.

- Grand Lodge of A.F. & A.M. of Virginia
- Grand Lodge of Kentucky F. & A.M.
- Grand Lodge of F. & A.M. of California
- Grand Lodge of Maine A.F. & A.M.

Towards the end of February 2012, the committee's hopes were fulfilled when these research reports were distributed to the Past Grand Masters, Members of the Board of General Purposes, Committee Chairmen and Team Leaders, as well as the District Deputy Grand Masters who were encouraged to share them with the lodges and members of their district.

To close out the year, best practices research reports were submitted on the following:

- Grand Lodge of Nebraska
- Grand Lodge of Minnesota

As the reports are comprehensive in nature we provide the following highlights from these "Best Practices Research Reports." Each of these only reflect a small percentage of the conclusions which, in the committee's view, merit some consideration by our Grand Lodge and its Standing and Special Committees:

- (a) Consider the development of a Lodge Management Certificate Program, similar to that used by the Grand Lodge of Virginia, which is designed to provide Lodge Officers with the knowledge, skills and attitude necessary to be a successful leader. When it is coupled with the District Educational Officer Training Module power point presentation, it has the potential to provide an excellent learning experience.
- (b) Consider implementing the use of a District Educational Officer, similar to that in the Grand Lodge of Virginia, who would by virtue of that position be an active member of the Grand Lodge Committee on Masonic Education.
- (c) Consider placing our Grand Lodge, Book of Constitution on the members only portion of the new Grand Lodge website once it is implemented, in a similar fashion to that of the Grand Lodge of Kentucky.
- (d) Consider developing a D.D.G.M. Handbook, similar to that used by the Grand Lodge of Kentucky, which is year specific and clearly outlines the Grand Masters plans for

the year, along with the D.D.G.M. roles and responsibilities, including protocol expectations, visitation role and promotion focus for Freemasonry in the district. The handbook would be an excellent way of ensuring the message is clearly communicated and it would also become a handy resource document that each D.D.G.M. could refer to on a regular basis.

- (e) Consider developing a Lodge Certification Program, similar to the one used by the Grand Lodge of California that focuses on Proper Planning, Lodge Finance, Masonic Hall Management, Membership Development and Lodge Administration.
  - (f) Consider the use of Weekend Retreats, similar to that in the Grand Lodge of California, for Secretaries and Treasurers, as well as Masters and Wardens.
  - (g) Consider developing a Member Resource document, similar to the Grand Lodge of California document entitled: "Members Guide to Masonry in California," using it as an "on-boarding" resource document for new Masons specifically and veteran Masons as well.
  - (h) Consider developing an Instructor's Manual for Masonic Education, similar to that being used in the Grand Lodge of Maine, consisting of a District Representative's Toolbox, Mentoring program and Representative's Manual.
  - (i) Consider developing a Guide for Masters and Wardens, similar to that used by the Grand Lodge of Maine, to prepare them for their roles in the lodge. Although mentorship within the lodge is a critical component of achieving that goal, so too is the provision of quality and timely resource information.
  - (j) Consider developing a Lodge Officer's Guide, similar to that used by the Grand Lodge of Maine, that assists officers to understand the Governance of the Lodge, Lodge Operations and General Lodge Practices.
2. Further, to the research reports outlined above, the committee provided specific and immediate resource material and electronic links, from external jurisdictions, to a number of our Grand Lodge Committee Chairman namely: Communications, Finance Advisory, Leadership Development, Lodge Resources, Long Range Planning and Public Awareness. The committee is gratified by the fact that we have been able to provide such resources to our fellow committees and that they have found the resources useful during the year.

### **Fraternal Reviews:**

The purpose of producing reviews of external jurisdiction proceedings can be simply explained as attempting to learn from the experiences of others. Each Fraternal Review is a summary on the activities of a particular jurisdiction, in North America and around the World, on how each jurisdiction has responded to the issues, concerns and challenges that they each face. The startling fact is, that no matter where a Freemason lives in the world the challenges are very similar, the differences are in how we individually meet those challenges. That is where learning from others can be so useful.

In order to accelerate the learning from others, the committee last year began to systematically release a number of Fraternal Reviews early. This year the committee built on that initiative by distributing the reviews early to the D.D.G.M.s. Each were encouraged to share the Fraternal Reviews with the brethren of their district, with the hope that some educational value could be gained from reading about how other Masons were meeting the challenges that we all face daily.

The following is a summary of the *challenges* faced by the Grand Jurisdictions highlighted in the Reviews of the external Proceedings received:

- Continued membership decline.
- Development of our future leaders.
- Ineffective Lodge management.
- Demits & Suspension for Non-Payment of Dues.

- Financial stability of Lodges.
- Lodge consolidations.
- Adapting to the needs of today's members.

What follows is a summary of *proactive measures* taken to combat those challenges:

- Streamlined Masonic Education program (G.L. of Massachusetts).
- Lodge Mentor program (G.L. of Massachusetts).
- "Passport to Light" mentoring program (G.L. of Iowa).
- "The Master's Path", designed to train future Masters (G.L. of Massachusetts).
- "Practical Guide for effective Lodge Governance" (G.L. OF Philippines).
- "Certificate of Proficiency in Lodge Management" (G.L. of Washington State).
- Leadership Certification program (G.L. of Nevada).
- Use of Masters & Wardens Retreats (many jurisdictions).

In closing, the committee wishes to express its appreciation to M.W. Bro. D. Garry Dowling, Grand Master and R.W. Bro. Donald A. Campbell, Deputy Grand Master, for the opportunity to research the best practices of external jurisdictions this year. The research conducted has certainly broadened the perspective of the committee members involved and it is hoped that same can be achieved with those reading the Best Practices Research Reports submitted this year.

I personally wish to express my sincere gratitude to the committee's Fraternal Reviewer, R.W. Bro. Colin Heap whose dedication to the Craft and this Grand Lodge is enormous. The time and effort he puts into each review is commendable and greatly appreciated.

I am also extremely grateful to our external jurisdiction research team of R.W. Bros. Peter Harbert, Rob Fleming and Robbie Manz for the great work that they have done in producing each of the "Best Practices Research Reports." Their ability to dig deeply into the information available in each external Grand Lodge has provide some excellent opportunities for our own Grand Lodge and its committees to enhance the services and resources they provide to the constituent members and their lodges.

All of which is respectfully submitted on behalf of the committee.

IAIN D. WATES, Chairman

#### DISTRICT OF COLUMBIA

*200<sup>th</sup> Annual Communication  
Washington, D.C., October, 2010*

#### *40 Lodges*

"No organization can long endure without a clear vision statement and a mission statement that complements it." In this manner, M.W. Bro. Paul D. Gleason, Grand Master of Masons, began his assessment of the current condition and future direction of the Grand Lodge F.A.A.M of the District of Columbia.

"For centuries, Masonry has used Brotherly Love, Relief and Truth as its mantra and making good men better as its mission. There is nothing wrong with that approach for it has kept the Craft alive and dynamic since its origins. In today's environment however, these phrases may be insufficient to ensure our optimal membership, growth and attraction as an organization of universal status that accepts no barriers, and a moral force that transcends all religions.

An initiative to define this new vision was launched to initial skepticism, but slow and

#### *4031 Membership*

steady progress has been made. Questionnaires to all Lodges have confirmed that there were no different perceptions of our core values between new Masons and the Old Guard.

We are now looking at our product for clarity of thought and meaningfulness to our Craft. It is our ardent hope that by next year, a proposed Vision and Mission Statement will be presented to the Craft for edification and approval. It will express a rejuvenation of the Masonic Principles, form the foundations of the future of the Craft, and help all Lodges to reach their full potential within our Masonic Family. My Brethren, with vision, energy and empathy, we can make it happen."

The Grand Master, who had personally visited every Lodge in the District of Columbia, noted that for the first time in 57 years, the Jurisdiction experienced a positive growth in its membership. 19 Lodges showed a net gain and increased the membership numbers by 29. Success was a reflection of the diligence and hard work of the Lodge Membership Activities, which included well developed Mentorship Programs, noteworthy Lodge Education, excellent Ritual Work and the participation of younger Masons seeking and achieving proficiency in the conferral of Degrees. The main negative observation during these visits was the inability of some Lodges to muster enough men to fill all the stations and perform the Degree Work. The Grand Master stated that steps were being taken to rectify this situation and make all constituent Lodges capable of meeting the highest standard. "We are not there yet," he said, "but I have full confidence that in the next five years it will become a reality."

"Worshipful Masters and Wardens are the pillars of our Masonic edifice. Therefore, they must rest on a solid foundation. We stress the importance of Leadership as a prerequisite for becoming an occupant of our Lodges' Oriental Chairs. However, there continues to be a lack of timely preparation on the part of Lodge Officers on their journey to this position, which hinders the functioning of our Constituent Lodges. A proposal was introduced at this year's Semi-Annual Communication making it mandatory that a candidate must have completed all the requirements for Installation as Worshipful Master prior to his being eligible for election to that Office. This was viewed as an intrusion by the Grand Lodge into the internal management of a constituent Lodge and was defeated, perhaps rightly so. Brethren, I know we like to keep the concept of Free in every day Masonry, but I know of no other organization that I am aware of that doesn't require adequate preparation and/or examination for advancement in responsibility. I have included these proposals again for your consideration in the hope that you will keep the need for timely preparation foremost in your mind and govern yourselves accordingly. Improvement is not only necessary but mandatory. The Proposal states: "No Brother shall be elected Master of a Lodge unless he is able to open and close a Lodge in each of the Three Degrees consistent with the Charter of the Lodge in an efficient manner and has a certificate to that effect issued by the Grand Lecturer, either on his own initiative or upon the recommendation by a Member of the Committee on Work and Lectures. The Grand Master may, in exceptional circumstances, waive the requirement for such certificate."

The Background Check Report Committee issued a warning and recommendation based on a Report by the Grand Lodge of Florida, detailing their experience in conducting background checks on all potential petitioners. The Report was sobering. The Grand Lodge of Florida is a Jurisdiction of approximately 28,000 members. Two years of statistics have shown that over 5% of all petitioners were rejected by reason of revelations of criminal activities that were omitted from their petitions. This in spite that all petitioners in the State of Florida pay a fee of \$15 to the Grand Lodge to have the background checked conducted. Societal factors such as increased mobility permitted these men to move away from past and pending criminal troubles and present themselves to Masonic Lodges. The increasing number of young men applying through the Internet, bypassing the traditional practice of being recommended by an active Brother, was also cited as a contributing factor. Although the experience and results may differ, the Committee recommended that the Florida program

be implemented in the District of Columbia. "We must be knowledgeable about our petitioners and fair to our Brethren. We must carefully follow proper procedures to guard the West Gate. Failing to react would be irresponsible at best and reckless at worst."

*"Masonic Communications in an Electronic Age" – Address presented by the Grand Secretary and Deputy Grand Master, United Grand Lodge of England*

"The last four decades have seen tremendous change in the way we live and communicate with each other, life-changing technological advances, and the emergence of new values and standards across the world.

Brethren, like it or not, we are in an age of electronic communication. The task I have been set today is to bring you up-to-date on how we are attempting to align ourselves to this new age. The Internet has had a radical impact on culture and commerce, including the rise of near instant communication by electronic mail, instant messaging and the World Wide Web. The Internet continues to grow, driven by even greater amounts of online information and knowledge.

Cast your minds back twenty five years. Did your Lodge Secretary even possess a computer? How dramatically different it is today. One of the knock-on effects for us is the fact that most of our members now do communicate electronically and, what's more, are expecting that to become the regular way to communicate with their Lodges and, here with us, at the centre. With that in mind, I am reminded of the challenges we face in aligning ourselves as closely as possible with that expectation. I quote John Maynard Keynes, who revolutionized economic thinking: "The difficulty lies not in the new ideas, but in escaping from the old ones."

Two constant drivers to our thinking are: first, how best to communicate with our members so that are both informed and feel included; second, how best to communicate with the non-Masonic community so that we can combat the myths about us and put correct information out there to be picked up by the increasing number of search engines. Here is a flavor of what we have been up to.

In 2009, the main U.G.L.E. Website was re-launched. The driving force behind this was to provide information about the Craft for the non-Mason, particularly to attract potential candidates, and, as a public relations tool for people to understand more clearly what we are all about. That site has proved to be a great success with an average of 30,000 visitors a month over the last six months, 58% coming in via search engines, 25% through referring sites and the rest through direct traffic. As I said, this site, though very useful for existing members, was not designed for them specifically. On that understanding, a second site was developed dedicated to membership. Let me be crystal clear! This site, as with the U.G.L.E. site, is an open site, no member-only sections, no logins and no passwords.

It is this member's site that we have great pleasure in officially launching today. The platform is the old "Freemasonry Today" magazine site and we have maintained that Website address. It is article based and will contain many more articles than we have space for in the magazine. It allows us to get news to you and our response to real-time events, for example, to natural disasters such as floods and earthquakes, and the positive response we have taken say, through the British Red Cross at a time when it really matters to people. Our reaction will be immediate and you will no longer have to wait for the next edition of the magazine to be published.

The Website now allows all members to submit articles for potential inclusion. These will first go to the relevant Provincial or District Information Officer who will judge

whether it merits submission back to us for possible publication. The state of the art software that we are using has the great advantage of allowing instant changes and updates. One particularly useful aspect is that it is going to allow us to conduct surveys and polls from amongst the membership and to gauge the pulse of member's opinions on certain topics. Additionally, the current issue of each magazine will be available to view as a digital copy on the site. Many members, especially the younger, prefer to read the magazine digitally, rather than receive the printed copy. With this in mind, we have now added a digital subscription facility so that they will receive an e-mail alert when each new edition is available on-site. The digital subscription is also available to non-members.

We are extremely pleased with the number of Lodges now launching their own Websites and seeking a U.G.L.E. Charter Mark; a mark of Grand Lodge approval. The sheer number of Lodges, to give you an idea, is around one hundred at any given time. Applying for a Charter Mark has meant that we have a backlog as we rigorously check each one for technical and Masonic accuracy and compliance, as well as possible improvements.

Time will not permit discussion of several other sites in detail. They include the University Scheme Website, backing a hugely successfully initiative, the four Masonic Charity sites, the Library and Museum, and the pilot Mentors' Website that we are currently working on, that will, in time, prove to be a fantastic tool kit for our budding Mentors.

On the administrative side, we are constantly looking at the efficiency of our business, dealing with a huge membership organization to see that it is "fit for purpose." We are looking at the electronic submission of forms and a timely look at electronic payments. All these initiatives support our policy of openness and the importance we attach to this area. We all trust you will find the new member's Website both useful and interesting, from this memorable official launch day forth, as it successfully evolves over the many years to come. Our strategic communications direction, together with the results from the working party on Mentoring, will go a long way to help us to speak openly, and in an informed way, about Freemasonry. Our success will help to ensure Freemasonry's long term future."

## IOWA

### *166<sup>th</sup> Annual Communication*

*Sioux City, Iowa, September, 2010*

*285 Lodges*

*22,466 Members*

M.W. Grand Master Craig C. Hummel travelled to sixteen Grand Master Area Meetings throughout the State reminding the Brethren of his theme, "Masonry-The Journey Continues," emphasizing at all times that Education, Membership, Mentoring, Social Networking, DeMolay and the Iowa Masonic Model Student Assistance Program are the key elements that will ensure the future progress of Masonry in Iowa.

"The State of the Craft in Iowa is very strong," he began. "While it true that a number of Lodges consolidated in 2009-2010, several Lodges from small as well as large communities have experienced a revival seldom seen before. Twenty years ago there were just less than 43,000 Masons and 393 Lodges in Iowa. Today, that number is around 22,000 with 100 fewer Lodges. That decrease is disturbing, but it doesn't tell the whole story. Our Fraternal dedication and Masonic pride is just as strong. Our charitable acts of Brotherhood in our communities prove the depth of our Masonic values today. They present Masonry in action and at its best.

However, less successful Lodges have struggled to the point of being forced to consolidate with another Lodge to survive. Issues leading to a Lodges' downfall include the inability or unwillingness to adapt in order to reach the men living in today's world. This doesn't mean changing the Ritual or any of our beloved tenets, just the manner in which we reach out, communicate and expose Masonry to men living in present day Iowa. There is still time to change.

Good men are still around and are looking at what we have to offer. They have researched Freemasonry. In some cases they know more about it than we do. The primary method of this research has been over the Internet. As far as these men are concerned, if you don't have a Website you don't exist. Without such an on-line presence you are not relevant. You will be left out. Similarly, this generation of men is not as interested in what Masonry is as in what it does and the specific way in which they can take part in your Lodge's activities. They want to DO SOMETHING. They want their time to be WELL SPENT. They want to MAKE A DIFFERENCE in the world and in their community. If you cannot offer these opportunities, you may be able to recruit new members but you will have difficulty retaining them. Once again, the good news is, there is still time to change.

Iowa Masonry is not in any way confined to the walls of the Lodge room. Masonry is all about relationships. This is the difference between success and failure. Successful Lodges have strong relationships within its membership. Troubled Lodges, by and large, do not. One impression I want to bring to Iowa Masonry is my belief that if we don't enjoy doing something it isn't worth doing. Enjoyment and seriousness are not mutually exclusive terms. Seriousness is not synonymous with sober or stoic. Degrees and dedications are all serious occasions but they need not be somber. We can enjoy each other's company and enjoy what we are doing.

It is important to make certain that we keep this journey moving forward, rather than backtrack and stall. I compare it to riding a bicycle. There are several common points. Both require effort to move. Both require direction. Both find that it is easier to go downhill than up. If you don't consciously steer the bicycle in the direction you want to go, the results can be very hazardous. So it is with Masonry.

It requires significantly less effort to coast downhill but the reward is much less than pedaling up and reaching the next plateau. Finally, neither can go in reverse without an extremely disastrous outcome.

A positive outcome requires effort in one very important area. Over the last few years, it has been proven over and over again that Brothers - especially those newest to the Craft - crave Education and Mentoring. In far too many cases they don't receive it. I believe that a big reason is that we are intimidated by the Mentoring process and are afraid to do it incorrectly. We hide behind the mistaken belief that if we do nothing we cannot fail. The Mentoring process is now enumerated in the Grand Lodge publication, "Passport to light" and also on the Grand Master's Website - [www.IAgrandmaster.org](http://www.IAgrandmaster.org).

These steps do not have to be followed verbatim; they are only a guide. In addition, we now have a "VIRTUAL MENTOR" Website which can be used as a supplemental tool for new Brothers. Nothing can take the place of one-on-one communication, but there is no reason to limit a Brother's education as such. We continue to increase the amount of Educational material available by digitizing information from the collections of the Iowa Masonic Library, making use of the new archive scanner. This allows us to minimize the damage to these rare, historically significant items while making them available for your use.

Masonry is a journey with direction and purpose, a journey on which we can and must make continual progress. A journey that is never completed, and, remember, nobody takes this journey alone. Finally, I urge you to remember these words:-

Masonry is a journey, not a destination.

Some days we pedal up the hills; others we coast down.

Make sure we are going in the right direction

Focus on progress, rather than perfection."

## IRELAND

### *Quarterly Communication*

*Freemasons' Hall, Dublin, Ireland, December 2010*

The Grand Lodge of Ireland hosted the European Grand Secretaries Conference in Dublin. Delegates from 32 Jurisdictions attended to demonstrate Unity, and an adherence to the Ancient Landmarks of the Craft. This important meeting is held annually in rotation among the European Constitutions, every second conference being hosted by England, Ireland or Scotland. It provides an opportunity for the senior administrators of the Order in Europe to exchange notes and ideas on points of common interest. It included representatives from the Grand Orient of Italy and from Cyprus. Although these bodies are not recognized by Ireland, they may be regarded as bodies within the greater orthodox Masonic family. Each Grand Secretary gave a short report on the State of Freemasonry within his Jurisdiction, following which the points raised were discussed. The topics ranged from relations with the Civil Authorities, the Church and Media, to the question of Masonic Identification for Brethren and the relations between Masonic Constitutions. Most reported a mature relationship with State, Church and Media. However, in some reconstructed Grand Lodges in areas of former Soviet influence, varying degrees of antipathy have been experienced, largely due to adverse propaganda under the former regime. Such difficulties are not unique to these areas however, with Austria reporting considerable opposition from the predominant Church.

Grand Lodges that proceeded working without interruption through the 20<sup>th</sup> century are now reporting stable membership numbers, having seen a decline through the 1980s and 1990s. Grand Lodges which experienced a period of darkness due to external events are active and growing in numbers while remaining relatively discreet in their dealings with Civil and Church authorities. In some cases, such as Poland, difficulties caused by quasi-Masonic bodies whose blatant disregard for Landmarks, such as the absence of the Volume of The Sacred Law from the Altar, serves to bring Freemasonry into disrepute. In contrast, The Grand Lodge of Spain, which was outlawed under the regime of General Franco, has enjoyed a resurgence, with many young men joining. While relations with the Government and the Catholic Church are mutually respectful, there remains an attitude of suspicion in many areas of the public.

Concerning Masonic Identification, although some Grand Lodges have invested in expensive systems of identity cards, particularly those surrounded by irregularity, the Grand Chancellor of England and the Grand Secretary of Russia pointed out that there was no foolproof method of issuing a card for all areas and that the Grand Lodge Certificate and Masonic Examination have served the Order well.

On the Home Front, the public perception of the Craft in Ireland was commented upon by several Provincial Grand Masters. They all agreed that the policy of welcoming the public into Lodge rooms is a great help in breaking down barriers and dispelling ridiculous stories in the Press and elsewhere about Freemasonry. M.W. Grand Master, George Dunlop remarked that articles and pictures of Masonic events appeared in 37 different newspapers in the North, but sadly, little in the South. He also accepted an invitation to an interview on BBC Radio, lasting for 25 minutes. He clarified many of the misconceptions held by some sections of general society. His presentations to Rotary and Probud groups were also warmly received. However, he emphasized, it is through concern for people, care for the less fortunate and help for those in need that sends out the clear message that the Grand Lodge of Ireland is very much a part of society.

"This is demonstrated by our Masonic Charities. The sponsorship and financial support of Young Musicians; The Masonic Boys and Girls Benefit Fund, which met the Educational needs of 270 girls and 133 boys, children of Masons, at a cost of 817,000 Euros; Social assistance, food, clothing and medical aid provided to members hit hard by the recession, and a donation 660,000 Euros to the Samaritans and Children's Hospices through the Annual Grand Master's Festival. All this achieved in spite of declining income on investments and

a poor economy.”

The closing comments on the Condition of Masonry were also positive.

“Lodges are vibrant and enthusiastic. The number of young Brethren going into Office is impressive. Provinces are becoming more proactive. The focus on Education, Membership and Ritual is quite pronounced. The age profile is being reduced constantly. All Provincial Grand Masters report a degree of growth, and at best, a steady ship. I thank them for that and trust that membership numbers will be more actively addressed in the years to come. Our numbers may have decreased, but those that remain epitomize the quality of our leadership. Freemasonry, in common with our Society, is on the move. As members, we must move with it. We must take time now to educate ourselves in Freemasonry so that we may continue with a common purpose, the promotion of the Craft and the happiness of the Brethren.”

## LOUISIANA

*200<sup>th</sup> Annual Communication*

*Monroe, Louisiana, February, 2011*

*253 Lodges*

*21,551 Membership*

“Math at the grade school level indicates that our beloved Fraternity is headed for serious trouble.”

This statement in the Report of the Membership Development Committee was supported by the following facts. The active membership in the Louisiana Grand Lodge is approximately 20,000 and the last reported average age was 63. Most Lodges in Louisiana are draping the Altar for a deceased Brother 8 to 12 times a year, while they are lucky to raise 2 or 3 to the Degree of a Master Mason during the same time. These facts spell major trouble for the Louisiana Grand Lodge and individual Lodges in the coming future.

The Membership Committee has struggled to come up with viable ideas to increase membership, but is constrained by the fact that we are unable to directly ask men of quality to join the Craft. The combination of declining rolls, increasing average age, decreasing numbers of truly active working Masons and increasing numbers of Lodge closures indicates that some immediate and dramatic action must be taken to perpetuate the Fraternity into the future.

“The prior need for secrecy to protect members of the Masonic order against persecution is historically valid. However, research has shown that there was a period in Louisiana history when men were invited into Masonry. The Committee will not recommend at this Grand Lodge Session that the rules be changed, but this is an option THAT ALL LOUISIANA MASONS SHOULD CONSIDER FOR THE FUTURE; THINGS WE CAN DO NOW TO IMPROVE MEMBERSHIP.

Talk about Masonry to men who are not Masons. Read your Monitors, you will be surprised about what you can talk about.

1. Search your Lodge records and make a concerted effort to bring all past EAs and FCs to be a full Master Mason.
2. Hold open meetings designed for people that may be eligible; policemen, firemen, military men, sons and grandsons of Masons.
3. Ask every Mason to have a Petition in his car or truck so that he can immediately sign up an interested party and not lose a prospective member.
4. Hold Friend to Friend nights at least twice, early in the year.
5. Once a man has been put in the line, help him, don't discourage him and allow Past Masters to mentor and guide him.

These are a few ideas that may help. One thing is abundantly clear. We need to advertise Masonry. Wear your pins, hats jackets, buckles daily and be willing to talk about the Fraternity. Most young people in their 20's and 30's have never heard of us, with the

exception of those with relatives in the Craft. Many get their information from the Internet and that scares us as well as them. BE PROUD OF MASONRY AND TALK IT UP."

M.W. Beverly J. Guillot, newly installed Grand Master, outlined his Program for the forthcoming year, and those areas requiring immediate attention.

"The Motto I will use will be, "LET'S GET BACK TO BASICS." We need to be more transparent and at the same time maintain our privacy. This is what we must do:

1. We need to improve our Public image by having Programs that will bring people from our communities into our Lodges and which will give our Masonic Fraternity more Public exposure. We need to do a better job of educating ourselves in order to comment and respond to questions from the Public about the Craft.
2. Improve our Membership with Programs that will permit us to invite prospective members into our Lodges. Friend to Friend is a program everyone could and should be using. There is also a need to contact our members on a regular basis. We should develop programs that will keep our members interested and attending regularly at our meetings.
3. We should support our greatest Charity, the Dyslexia Program, through personal donations, fundraisers, grants and endowments.
4. Leadership in our Lodges can be improved by having Masonic Education Programs and training classes, including the Crown Jewel of the Masonic Education Committee, the Warden's Retreat, which all three Principal Officers should attend. There are instances in this Grand Jurisdiction in which the Principal Officers of the Lodge have less than 5 years in the Fraternity. They are ill equipped and placed at a disadvantage, through no fault of their own, to conduct business as a Worshipful Master. To learn, and improve oneself in Masonry, to lead one's Lodge and others to further knowledge, can only be achieved through Masonic Education. The Worshipful Master has to be the one to put this into motion.
5. We can improve our Masonic Knowledge by having Masonic Educational Speakers in our Lodges and by utilizing our Masonic Library and Museum in the Grand Lodge building.
6. The world is moving toward Electronic Technology and we must do everything we can to keep pace.

These are the goals and objectives we will focus on this year. We need the participation of every one if we are to succeed."

"Who are we as a Fraternal Organization in the 21<sup>st</sup> Century?"

This question was posed by the Grand Historian, R.W. Richard L. Rhoda, in his Annual Report to Grand Lodge. As a starting point, he reminded the Brethren of the chartering of the Maine Masonic College in 2005. This led to the formation of the Ambassador Program and Family Activities Committee, charged with three specific goals; to inspire Masonic families to be active with other Masonic families; to encourage Non-Masonic men to see Freemasonry as complimentary to their lives and values; to show the relevancy of Masonry in today's society and family structure.

How successful has this been? "The overriding concern the last two years under M.W. Bro. Robert Landry, Grand Master, was membership. With this has come a seismic change as to how one may come to Masonry. Throughout the 20<sup>th</sup> century one might tell a non-Mason that he might enjoy Masonry; that he would get something positive from it; that he would in turn make the organization a better one; and that he would not be asked to join but rather had to do that of his own choice. It would be hard to be more solicitous without

plainly asking the person to join. Yet, it was believed and strongly felt that the person should actually ask himself after the ground rules were laid out to him; that he would then take more of an ownership interest in his action in coming to Masonry.

This changed in 2009 when that long established protocol was reversed and the Craft would be able to. "Ask One To Be 1."

The comings and goings of members over the past four years provide grounds for consideration of certain questions. There is encouragement and areas of concern. We need to consider not only the number of new Masons raised but also the loss of those who have demitted, been suspended for non-payment of dues or have died. Our real decline in membership has come in these three areas.

The first we have no control over, the death rate of members who joined during World War II through 1959. But it is important to realize that these Brethren kept their identity with Masonry and were proud to retain their membership even if they rarely attended Lodge. Deaths have averaged 673 the last four years.

The second area of significant decline is found in those suspended for non-payment of dues. These are Brethren who have lost their identity with Masonry or we failed to maintain an identity which kept their interest and commitment. Suspension for non-payment of dues has averaged 338.

The final area of significant loss is found with those demitting from membership, which has averaged 170. A good number are from members who are moving out of state, but by far the greater number is from those who wish to exit from Masonry in good standing. While their reasons are varied, it still remains a fact that their identification with Masonry was not strong enough to keep them in the Fraternity.

There are encouraging signs. Loss due to death has declined. Yearly membership increased by 23 per year over the last four years. The bad news is that demits are up an average of 42 per year and suspensions for non-payment of dues by 22 per year over the last four years. Combined, they are 18% more than the increase from new members. Simply put, we are having more people leaving Masonry alive than are joining! We may increase our new membership numbers, but if we do not maintain a meaningful identification for them within Blue Lodge Freemasonry, we very likely will see no significant decrease in our suspension rate.

That raises a question. When a Lodge is raising 10 to 20 new members a year, what is going on in that Lodge besides degree work? Is it providing beneficial programs and involvement to improve the experience of its new members? Is their Masonry having the opportunity to become Lodge oriented and Lodge centered? Or are we being driven by the quest for numbers with no follow-up for new members?

The Family Activities Committee and the Ambassador Program, although on a solid foundation, have not gained significant forward motion. Maine Masonry has become, as one Past Grand Master has said, a "Masonic Elks Club." It has become more involved in doing civic projects and donating money. It has strayed from its identity of making good men better. Maine Masonry has forsaken its call for self-improvement and replaced it with community involvement in the belief that it would bring new members. It may be working to some degree, but it appears that more actual members are losing their identity with Masonry and leaving it behind as they move on. Again the question, "Who are we as a Fraternal Organization in the 21<sup>st</sup> Century?"

At this point we are another Fraternity at another crossroad as we seek our Masonic identity.

The opening of our Lodge doors will do more to put a sustaining public face on Masonry than any of the community betterment programs we can pursue. Returning to our identity of making good men better by a Lodge oriented membership can also bring in the general public, including wives and children. By looking within, we can return to the roots

of our heritage, to our public identity of being leaders in the community and truly making good men better."

*248 Lodges*

Is there greatness in us? W.M. Roger William Pageau, Grand Master commenced his Address with this question. He reviewed the accomplishments of the Grand Lodge of Massachusetts following its 275th Anniversary. The programs of his predecessor were continued and enhanced to make the Fraternity better known and more attractive to potential members. Numerous new and improved programs were introduced, many of which have been adopted by other Jurisdictions. They include a revamped and streamlined Masonic Education and Training Program; a Lodge Mentor Program which will be rolled out statewide in 2011; an aggressive Membership Development Program introduced in 2005 which has tripled the number of Master Masons raised annually. Grand Lodge still experienced a net decline in total membership but emphasized that absolute numbers do not alone define success or failure. Certain aspects cannot be controlled. What can be controlled are the influx of new members and the age demographics. By any criteria, Grand Lodge has succeeded mightily succeeded in improving the age profile of the membership and, at the same time, prospects for stabilizing membership in the future.

The Masonic Leadership Institute has adopted a stronger focus on leadership, a more selective admission process and an overall smaller class to enhance the learning experience. The Masters' Path, designed to train future Masters, had another successful year with very strong attendance.

The District Deputies Resource Team instructs all new District Deputy Grand Masters on their duties and responsibilities in their role, and prepares them for their forthcoming year.

The Lodges of Instruction Team is looking to further the use of technology in order to standardize the program and make it more accessible to all interested parties.

The continuing membership surge will call for new initiatives such as a Leadership Summit scheduled for 2011, and the reintroduction of the Wardens' Workshop.

To increase public awareness and create a positive image of the Fraternity, Grand Lodge partnered with WGBH Public Television in Boston and sponsored the nationwide television program that presented the Fourth of July Boston Pops celebration.

All of these and other accomplishments make Massachusetts a premiere Grand Lodge and a leader in the Masonic world. However, the Grand Master cautioned against complacency.

"As I have stated in previous reports, gains will be short lived unless we are successful in retaining our new members. Success without continued effort can be quite fragile. The new members are in large part, much younger. They are a generation ready to be engaged and be a part of something that has real value and meaning. In Lodge after Lodge we see them taking the reins of command and the remaining old guard finally seem to be willing to head to the backbenches and yield to the future of the Craft. It is critical to send these men to work-all while not lowering our standards. While Freemasonry is a Fraternity it is also a customer based business and it is our individual members who are the customers. It is incumbent upon all of us as leaders of this business that these customers are satisfied and perceive a real value to being a Massachusetts Freemason. If we do this, our Fraternity will flourish and grow."

R.W. Bro. Thomas W. Jackson, Past Grand Secretary of the Grand Lodge of Pennsylvania and Guest Speaker, at the request of the Grand Master, presented a paper on the subject of Masonic Education, considered pertinent and apropos to Freemasonry in Massachusetts.

"Twenty years ago I made the observation that American Freemasons were the most ignorant in the world. Let me clarify that ignorance does mean stupidity: it means a lack of knowledge. I stand here today and make that same observation with no reservation. With all the changes we have made to North America to alter the image of the Craft and to change our direction, we have done little to educate our membership and thus we remain the most ignorant Freemasons in the world and have done little to alter that fact. There is no one factor upon which to blame the decline of Freemasonry but there can be no question concerning the lack of an educational commitment as being a major contributing factor. For the last 25 years, very few major programs have been introduced other than to increase numbers or raise monies to give away to charities.

I have spoken on Freemasonry in over 30 countries over much of the world, presenting a series of intellectual discussions relative to the Craft and its involvement in civil society. They were not only for the purpose of educating the membership but also the general public and they attracted some of the greatest thinking leaders in Eastern Europe. I do not imply that there is no place in Freemasonry for us ordinary individuals. One of the primary reasons for the greatness of Freemasonry is that men from all walks of life are accepted as equals. But I am also cognizant of the fact that it attracted some of the greatest minds that ever lived. Where are they in North American Freemasonry today? In many countries in the world, Freemasonry have had to struggle for existence beyond what we have ever known, to exist as a Fraternity. One glaring feature about Freemasonry as it is practiced in most of the rest of the world is that their members are required to learn. This acquisition of knowledge as has been universally professed in our Craft has not become a lost art as we have made it in North America. I find nothing to compare in our Freemasonry with the stimulus for intellectual discussion that tends to permeate Freemasonry in most of the world. Sadly, this lack of challenge tends to diminish the intellectual quality for which we have been historically known. As a result, we have lost much of our allure to a segment of society that structured and gave Freemasonry its societal image. How can we understand the significance of the purpose of the Craft, why we exist, if we do not understand the words? We live in an environment that rewards mediocrity and believes everyone should have the same, regardless of initiative or ability. Unfortunately, we have bought into this political correctness concept and as a result we have seriously damaged our image in society. This may be our greatest failure.

I cannot convince myself that the Freemasons of today are any less intelligent or capable than our brothers in the past. But we are definitely more ignorant, of our past, our present, our purpose. We must dedicate ourselves to rising above the mediocrity of today's societal structure. The future of Freemasonry may very well depend upon the leadership's realization that Masonic Education is a vital component to our survival. We live in a society that needs Freemasonry with the characteristics of our past. We are an organization that should always pull others up to meet with us, not climb down to meet with them. We played a vital role in the age of Enlightenment, wherein great thinking minds from different social strata met and created the concept of a democratic society based on the structure they found in Masonic Lodges. Should you ever doubt that, consider that the United States of America itself is the result."

John L. Cook, Grand Master, presented an overview of the Condition of Masonry in the

State of Minnesota.

"It is the duty devolving on the Grand Master to communicate to the Grand Lodge a statement of his official acts during the year and to give such information on Masonic matters as seem to him important and necessary, and to recommend for its consideration such measures as may be deemed expedient for the welfare and good government of the whole.

The strength of Minnesota Masonry lies in the work of our Standing Committees. It is their input and service that makes them so vital to the process of putting the right information into the hands of the Lodges. I would be remiss if I did not include a review of their work."

**LEADERSHIP:** In 2010 a Committee of Masons was formed by with the express purpose of reinvigorating the Leadership Development efforts of Grand Lodge. A needs assessment process was started, first surveying as many sitting Officers as possible, to determine their present level of knowledge and skill. Topics that emerged as being of top priority to the Lodge Officers included:-

1. Knowledge of the duties and tasks of a Lodge Officer.
2. Leadership development resources available from Grand Lodge.
3. How to hold effective Lodge meetings.
4. How to conduct better Rituals.

A PowerPoint presentation which seemed to perfectly address these needs, first created by the Grand Lodge of Alaska, was adopted and revised to fit the practices and language of the Grand Lodge of Minnesota. Pilot sessions were held in two Lodges and indicated a high degree of satisfaction. With minor revisions, this program is being rolled out statewide this fall for new incoming Officers. This is what Lodges want and need.

**MENTORING:** Significant materials for Mentoring new Brothers were posted on the Grand Lodge Website for use by all Lodges. Projects and tasks for next year include:-

1. Develop a "Train the Trainers" program.
  2. Develop and circulate a Mentoring Survey.
  3. Develop a co-operative relationship with Lodge Education Officers.
  4. Develop joint activities and programs with the Grand Lodge Education Committees.
  5. Develop a "Senior Corps" program for Lodges to both re-engage experienced Brothers through existing programs such as the Dusty Square and Compass, and gain their assistance in the Lodge Mentoring of our younger Brothers.
- 99 Through existing programs such as the Dusty Square and Compass, and gain their assistance in the Lodge Mentoring of our younger Brothers.

**MEMBERSHIP:** Membership seminars were organized featuring noted speakers such as Chris Hoddap, author of "Freemasonry for Dummies."

The Membership Committee also announced its Legacy Program, under which members can join a Lodge and have a relative who preceded them in joining eligible to receive special recognition from Grand Lodge.

The Committee continued with its efforts to promote membership through the Grand Lodge magazine "Minnesota Masonry" and various other publications.

Additional initiatives are in process. The Lodge Open House Program, begun in 2010, will be revamped and highlighted with a statewide Open House in 2011.

**PUBLIC RELATIONS:** The KIDSID Program, rolled out in 2010, has proven to be a great way to provide an important service to the community. Fourteen events have been staged, with a total of 926 children going through the process. The program has received endorsements from the National Center for Missing and Exploited Children, Minnesota Dentist Association, The Minnesota Sheriffs Association and The Minnesota Chiefs of Police Association.

Future goals to promote a positive view of Masonry, both internally and externally,

include:

1. Select two PR representatives from each Blue Lodge to participate in GL training opportunities to in turn promote Lodge activities within their communities.
2. Publish additional KIDSID newspaper articles ( pre & post ) to allow Lodges to maximize publicity for their events both within and outside their communities.
3. Promote the statewide Fall Lodge Information Night.
4. Create a Grand Lodge Twitter Account to communicate Grand Lodge events and enhance communications with Masons and Non-Masons.

"In all of these initiatives I have kept in view the best interests of Masonry, that this Grand Lodge may prosper and flourish in renewed growth, strength and usefulness, and long continue to teach and cultivate our great truths. May we leave this Communication with renewed determination to study Masonry as a science and practice its virtues as a sacred duty."

M.W. Reed R. Moseley, Grand Master, opened his Address on The State of the Craft with the following remarks:-

"It has been over 50 years since Freemasonry has experienced the interest in our Fraternity as has been happening in the last 3 years, primarily as a result of the Internet age, Television programs about our History and many new books, both fictional and esoteric in content. These men are coming to our doors more knowledgeable about Freemasonry and looking to fill a void. That void, which cannot be bought or sold, is the priceless gift of Freemasonry. In 1956, one in every twelve American men was a Mason, 4 million of them. Today, we have 1.2 million. What do we do for and with the men coming into our Lodges? Their destiny and Masonic future is in our hands. It is an awesome responsibility. I have often repeated Ralph Waldo Emerson, who said " Do not follow where a path may lead, go instead where there is not a path and leave a trail."

That quote has lent itself to my theme for this year " Pointing the Pathway with Rays of Light."

Together we have Pointed the Pathway and left a few trails and the new growth in our Lodges is encouraging. My overall impression is that we are becoming more unified, we are seeing success with Lodge programs; we are seeing enthusiasm, unity and excitement in being involved, both as an individual Lodge and as Lodges working together. We are a team. We are the Builders. We are in most all cases, prepared for this new generation of Masons. The one factor to monitor and measure is; what are we doing for these new members to Freemasonry? How well are we providing what they are looking for? This leads to my recommendations to meet the changing needs of the Fraternity for your consideration:

1. That this Jurisdiction establishes a high level of proficiency to be instituted in which all Officers must pass a training program and be certified by such Personal Representatives of the Grand Master.
2. That this Jurisdiction establishes a Ritual Training School where all Master Masons who wish to coach, mentor and confer one or more of the Degrees are required to enroll in a specific educational program for these purposes.
3. That the Nevada Leadership Certification Course become a requirement for all Master Masons and is incorporated as a part of the qualifications for each recommendation.
4. That a Strategic Long Range Planning program be implemented by all Lodges and developed as a part of the Masters and Wardens Program with elected Grand Lodge Officers for monitoring.

5. That a code change be implemented to stop giving a Dues Card to newly raised Master Masons upon signing the By-Laws, and instead of the required proficiency, provide a ninety-day comprehensive study syllabus of all the Degrees, to include meanings of all words in all three Degrees along with greater historical relevancy about responsibilities along with greater historical relevancy, leading to a suitable passing of both oral and written exams, documented before they receive a Dues Card and can act and travel as a more learned upright man and Mason.
6. That all Lodges have a Member Development Committee that meets quarterly and contacts each member of their Lodge on their Raising Date or Birthday, and they make this contact not to collect Dues, but to earnestly inquire into their well being and that of their family, and ask how better the Lodge can meet their needs for increasing their attendance and participation. And once a year, a concerted effort is made by all Lodges to have all members attend their Lodge as a homecoming. This Committee should report to their Lodge quarterly with recommendations.
7. That as a result of issues related to the development and success of our Open House Heritage Day, that we should have a complete new guideline prepared to be used at all investigations for applicants pursuing membership. We need to be more vigilant with this important part of a man's entry in Freemasonry to better guard our Westgate. Quality is more important than quantity.
8. That this Jurisdiction establish a program of Organization for Leadership Development to train outstanding Leaders and Officers and that this Committee be formed rapidly.

My Brethren, this Report has been quite comprehensive and for good reason. The new men want more than a hurried Raising and a Dues Card. They want something that will give them a more lasting and meaningful experience that will encourage them to pursue more light in Masonry for their remaining years. Young men are looking for something in Masonry which cannot be bought or sold. They are looking for the honor and integrity of the Maker, that secret ingredient that only Freemasonry can offer, unchanged in our history and as relevant today as it was centuries ago.

I close with the words spoken by M.W. Joseph de Bell, Grand Master, as instructive today as when he spoke them on October 17<sup>th</sup>, 1865. 145 years later, we find those words testing our actions "Masonry in Nevada has sprung to life full of promise. What its future is and shall be depends upon you, interest in its welfare and readiness to promote that welfare by your disinterested zeal. It is a mighty power; but whether for good or evil, an honor or shame, it rests upon your Fidelity to your duties as Masons and your wise diligence as Masters and Wardens of Lodges. I pray you to prove yourselves workmen and true to advance the interests of our beloved Craft."

M.W. Miles R. Graham, Grand Master, reported that, following the implementation of the Grand Lodge Five Year Plan, progress was being made in reducing the decline in membership. Annual growth, and an increase of 50 in 2010, was greater than in the previous three years. A main factor to consider was that the average loss of members leaving either through Demit or Suspension was reduced and the total level of decline fell to 51 from 148 over the previous year. Yet, it is still a decline. Almost half the Lodges in the Jurisdiction either maintained or increased their membership. This may be attributed to the addition of more content of an educational nature so the member can obtain a better understanding of the Ritual, the Ancient Charges, understanding their meaning in their current day context, and discussing the principles, philosophy and meaning of the Fraternity. This has been a

gradual transition, the first steps on the road of education. The outlook is positive with increasing membership to off-set Demits, Suspensions and Deaths anticipated through increased visibility and awareness of the Craft in our communities, and our extensive Masonic Charities, focusing on financial contributions and hands-on support to Medical organizations assisting children with dyslexia, cancer and rubella.

The Membership Committee Report cited membership and attendance as two of the major concerns, bearing in mind that although numbers play an important part, quality must be the first consideration. They reported that there would be a significant decline in membership over the next few years. "This is simply due to the loss of aging members who have been the backbone of the Fraternity, and are hard or almost impossible to replace. To move forward and keep the Fraternity strong we must think a little out of the box and the only way to see if something will work is to experiment. In 2010 we did just that. We declared an Amnesty for all members who were suspended for NPD over the past ten years. A letter was sent welcoming these members back, encouraging them to re-apply without penalties, and telling them that they are important to us as Masons and the survival of the Lodge.

The second experiment was to accept Affiliations without Dues, only Per-Capita and plus one dollar, providing they maintain their membership in their Mother Lodge. Both of these items require changes to By-Laws, but it was certainly worth the effort by increasing membership and attendance."

The Strategic Planning Committee commented on the implementation, or lack of, of the Grand Lodge Five Year Plan in some Lodges. They suggested that there are advantages in breaking it down into a manageable 1 year strategy, understanding what they wish to achieve, and identifying 2 or 3 clear attainable goals with measurable targets and deadlines. Any improvement in one Lodge is an improvement in the Jurisdiction.

The Reports of the DDGMs contained a common theme; the need to expand membership in order to survive. Lowering the membership age was considered a step in the right direction. As one of them stated, "The courts in every Province in Canada recognize that persons 18 and over are legally considered adults. WHY DON'T WE?"

A motion was made and carried at Grand Lodge to accept Petitions from any person who has attained the age of 19 and, at the time of his application, subscribed his name at full length to a declaration prescribed by the Regulations.

The Mentorship Program, begun in 1986, partially based on a program implemented by the Grand Lodge of Connecticut, has been reviewed, edited and updated. It has been separated from the Training and Education Committee to focus on a curriculum that was appealing to those using it, in the hope that if it were more enjoyable to use, it would be used more often. In the interest of economy and with very little overhead cost, it is being set up on the Grand Lodge Website under the title of The Grand Lodge Mentor College.

The Committee developed the program working on the following underlying concepts.

"First, no matter how much material was made available for our Candidates, it is useless if not used. Second, it's hard to talk to someone about material if you haven't used it yourself. Third, nobody likes being told what to do. Fourth, everyone is different. Fifth, Mentoring should bring about bonding, or, in other words, if the Mentor has properly done his job with a new Candidate, he should have bonded with the Mentor, the Lodge and the Fraternity in general. Bearing all these concepts in mind, we recommend that each potential Mentor review the material available and decide what he wishes to use with the Candidate in front of him. Some young members will want it all and ask for more. Some may want only a face-to-face discussion about their Degree and to have a few questions answered. The Mentor must tailor the program and decide what to give the Candidate. We have provided every Mentor with a lot of choice; the original printed Mentor Program; videos in VHS and DVD and all the new material on the Grand Lodge Website.

The only option that should not be available to you now is to do nothing.”

M.W. Bro. John Almore Payton, Grand Master, gave an account of the workings of Freemasonry within his Jurisdiction, and spoke highly of the dedication of the Brethren in the Province. He addressed an issue of major concern and detailed the response of Grand Lodge.

“Membership continues to be a concern as we see Lodges in some communities suffering due to out migration. I am concerned that some may even be reaching the brink of darkness. An increase of 82 members was offset by Deaths, Resignations and Suspensions for a loss of 38. Recently I attended a Lodge that was hosting an “Open Doors” on a Sunday afternoon as part of a drive to increase its awareness in the community. I was disappointed to leave without seeing a single person. However, I also believe that there are Lodge members who do not attend for a similar reason, a lack of interest. The time has come to take a look at our meetings, their content, and see what can be done to entice Brethren back to the Lodge and increase our attendance. We must continue to work together to seek a solution. When I became Grand Master, I adopted the theme “Foresight Thru Reflections.” I believe that we can look at our past with pride, and attempt where possible, to the best of our ability, to bring it forward in today’s ever changing society. Some things of the past can be changed to brighten the future.

Vision and Mission Statements, established through the hard work and dedication of the Board of General Purposes and the Membership and Education Committee, has given us a path to follow. They have produced “Proving Up Kits,” which will be available to all Lodges for their guidance in increasing the knowledge of candidates prior to their advancement. A well informed educated Mason is what we need. Educational material and programs are continually being developed for Lodge consideration and implementation. Of significant importance was the presentation of two Masonic Programs, that being the Ashlar Program, which encourages new Masons to become more active and involved, and the Pillars Program, which allows for an extension of the educational process.

A complete review of the Constitution has been undertaken, to ensure that necessary changes are made for the betterment of the Craft in our Jurisdiction.

Our Protocol Committee has released sections of the new Lodge Handbook to the Lodges through the approval of the Board, with the complete Book to be released shortly. The Benevolence Committee meets on a regular basis and continues working diligently to address the increasing needs of brethren, widows, and their family members who find themselves in increasingly distressed circumstances.

The Public Relations and Publications Committees have formulated a policy for Websites within the Jurisdiction of our Grand Lodge and I direct your attention to this important matter. The Grand Lodge database is indispensable and is being kept up to date to improve communications. The Grand Secretary is now only an e mail away.

The District Deputy Grand Masters for all five Districts reported that most Lodges have been active in Degree Work and have been successful in attracting new members. Average attendance is stable and that is significant. Lodges are operating as they should and are financially sound. The “Open Doors” policy is being used in the hope of sparking some interest in our Fraternity.

I now ask you to think about something, ways to spice up our meetings, to make them more interesting and advance the direction of the Craft. I will share something with you. In July the Grand Secretary and I attended the Annual Communication of the Grand Lodge of Canada in the Province of Ontario. The guest speaker was Thomas Jackson and his topic

was: "EDUCATION: LOOKING TO THE FUTURE." I quote from this wonderful address and ask you to think about it.

"Freemasonry is being given an opportunity that it may never see again. The writings of Dan Brown along with a couple of movies and television programs have stimulated an interest in Freemasonry that has not been seen for decades, even perhaps for a hundred years or more. This interest has created a potential to re-create an image of Freemasonry that has been lost to us. It will, however, require that the leadership of the Craft uses it as a potential to improve the quality of the Craft and not simply as a recruitment tool to improve the quantity of the Craft. History has proven, time and again, that when quantity has been lost it may be regained but if quality is lost it is extremely difficult to ever regain. This regenerated interest in Freemasonry is giving us that opportunity."

## NEW ZEALAND

### *116<sup>th</sup> Annual Communication*

*Auckland, New Zealand, November 2010*

#### *264 Lodges*

*9,555 Membership*

This year was the first Communication of the Grand Lodge of New Zealand since 2008, following the Restructuring of Grand Lodge into three Districts, Northern, Southern and Central. The Grand Master described these Divisions as the coalface of Freemasonry.

Responsibility for pastoral care, mentoring, training, officer selection and succession and implementation of policy devolved to three Divisional Grand Masters, assisted by three District Grand Masters. The Board of General Purposes and Benevolence was replaced by one Board only, called The Governance of the Craft. Concise and focused, it consists of only 8 members; the Grand Master, Chairman, Grand Treasurer, Grand Registrar, Grand Almoner and three appointed members, one from each of the new established Divisions. There was universal acceptance that streamlining and de-centralizing the decision making process, so more control and guidance would occur at a Divisional level rather than from a Wellington based regime, would promote Freemasonry at a Lodge and District level, which is where the future of the Craft lies, not on preserving some super-structure at an almighty level. It was considered a new environment, a brave new world, gearing for the future in the leanest and most effective format possible. Whatever is done must be appropriate for Freemasonry in the future, to counteract the loss of 2000 members in the previous three years.

The 2010 Communication evaluated those decisions and the progress to date, summarized by the Vision Task Force Report. "It is stating the obvious that the future of Freemasonry depends on the younger generation. So the first question we must ask is, are our Lodges structured to cope with the interests of today's generation? There are Lodges that can answer that question with a very positive 'yes'. Unfortunately, there are more Lodges that are unable to give a positive answer. The 'yes' Lodges have adapted to the new environment. They are not losing younger Brethren through resignations and they are steadily initiating younger members. The difference between the 'yes' Lodges and the others is obvious, right from the start, through visitation. There is that real buzz of activity, that enthusiasm. You are made to feel so welcome that you are glad you came to visit. The meeting runs like clock-work. It starts on time. The business is dealt with briefly and efficiently. The ceremonial is performed as if there was a team of professional thespians running it and the refectory is fun, tasty food nicely presented. Speeches and toasts are kept to a minimum, leaving lots of time to socially interact. You leave saying to your self, I am going to make a habit of visiting this Lodge. So there are Lodges in New Zealand that are able to attract and retain members, particularly the younger generation, and have turned themselves around from being almost dormant into vibrant and growing outfits. There are enough examples of this to provide confidence that it can be done.

So why is there such a difference? Why do some Lodges remain stodgy, uninteresting, even depressing? The world we live in and society as a whole is undergoing rapid and dramatic change. An organization as old as Freemasonry has to work hard to keep up with these changes if we are to remain relevant today and tomorrow. This new environment has created many problems for the Craft and to deal with them successfully, we must adapt. Total losses still outweigh initiations. This picture will become the norm if we don't adapt to new realities. It is basically from this understanding that the Vision for the Future task force developed a program for those Lodges who accept the need to embrace change. The present position of all Lodges throughout New Zealand will be assessed. Each Lodge will be encouraged to provide information which will be analyzed with a view to identifying those factors, those activities, which are having both positive and negative influences on the way a Lodge is operated. The results will be fed back to the individual Lodges through their District Grand Master who will be closely involved in helping them identify and introduce ways and means of addressing agreed areas of need. I stress "agreed areas of need" to demonstrate that this venture is a combination of effort between the District Grand Master and his Lodges. Various tools will be made available for access by those Lodges that see the benefits in participating. You will hear about what is being called the "nugget library". This refers to a comprehensive set of ideas and activities which are already being used by successful Lodges. Access to these "nuggets" will be available to all Lodges via the Grand Lodge Website. Additionally, great energy is being pumped into Education, Mentorship, Lodge Planning, Finance and Communication.

Change will no doubt be difficult to accept by some Brethren who are comfortable with the way things have been done over the last few decades. Obviously, Lodges cannot be forced from the outside to change the way they operate. But if you are barely surviving, change has to be accepted, it won't be long before the Lodge is out of business. Hopefully, those in need of help will be realistic enough to recognize problems and have the interest of their Lodges at heart. If we are to prosper as men, as a Lodge, and as a Craft, change we must.

So, where do we go from here? I say we are going forward and I hope very much that the Brethren believe we are going forward. We have a lot to achieve in the next few years. The program that has just been explained and outlined to you, we believe that's the mechanics, the mechanism, to actually get these Lodges achieving great things. There is already fantastic evidence out there of Lodges turning and providing a great service. We are raising the bar, showing professionalism and demonstrating that as a Craft, we are moving on and we are going to make a very professional organization even more professional. People are our most valuable resource. Our people will determine our future."

## OHIO

*201<sup>st</sup> Annual Communication  
Dayton, Ohio, October, 2010*

*511 Lodges*

*106,870 Members*

"The place is here, and the time is now." With these words, M.W. Terry W. Posey, Grand Master, encapsulated the opportunity for progress which lies within the grasp of the Grand Lodge of Ohio. "I have a glimpse of the future. My Brethren, we have reached a perfect storm.

Technology grows daily and is beyond the imagination of society even 10 years ago; enthusiastic Brethren are ready to engage themselves in Masonry; we enjoy a favourable opinion in the eyes of the public. The storm involves the coming together of technological advances which makes information on Freemasonry instantly available to our members and those who inquire. It includes the fourth estates' and the entertainment media interest in all things Masonic. This coming together will result in a new interest by our Brethren and prospective members. We must not stand idly by and wonder what happened. We need to

take advantage of these things and the place is here, and the time is now. Confront those issues which stand in the way of progress. I am weary of allowing suspensions for NPD to control our Masonic life, and the fact that we were afraid to discuss Masonry with sons and grandsons cost us generations of Masons. Take control. I make the following recommendations:-

1. Suspensions for Non Payment of Dues are devastating our Lodges. This year I directed each District DDGM to review each Lodge's SNPD prior to allowing them to be suspended. If personal contact had not been made, the DDGM was required to call the Brother. In addition, each reviewing Grand Lodge Officer was required to check the list. Grand Lodge suspended 350 less Brethren in 2010 than in the previous year. It is a start and needs to be continued. In April 2010, I sent 11,000 letters to Brethren who had been suspended over the last 5 years and I asked them to reinstate themselves. I advised them that if they sent \$50 to the Grand Lodge Office and signed a letter stating they were willing to accept the offer, the monies would be forwarded to their Lodge and they would be reinstated. I waived those provisions of the Code that required a Ballot Vote to accept them. As a result, 875 reinstated themselves through this program. Personal contact by all Lodges must be implemented. They must take this obligation seriously. These losses cannot be allowed to continue.
2. I am concerned that there is no Long Term Plan for this Grand Lodge. A meeting of Grand Lodge Officers in 2009 presented information on a Long Term Plan. The consensus after the meeting was that it can be developed only with the assistance of hired professional help.
3. Websites. When I want to find a doctor, lawyer or plumber and have no personal information, I search websites. Unfortunately, most Lodges in this Jurisdiction do not have one. This needs to change. Lodges need websites.
4. Background checks. Convicted felons have been able to join our ranks. Lodges either do not have the means or ability to check the records of their petitioners. The Grand Lodge of Florida has a program for which approximately \$15 per petitioner, a background check can be completed. I suggest a Committee be appointed to investigate and report on the cost and feasibility of adopting this procedure."

The Public Relations Committee reported on the Grand Master's efforts to reach out to the Uniformed Services. Full color posters were printed targeting members of the Police and Fire Departments, as well as Veterans. Lodges were asked to post these in their local Police and Fire Stations and Veteran's Halls. A copy of the Fire Department poster was run in the statewide Firefighter Magazine. A special brochure was created for distribution to members of the Uniformed Services. A Wikipedia entry for the Grand Lodge of Ohio was also created and is redesigned each year to reflect the new Grand Master's theme.

The Grand Lodge Committee on Education and Mentoring report that the On-line Masonic Education Courses available through the Grand Lodge Website have been updated, course by course and question by question. Corrections and revisions were made to reflect changes in the Masonic Code, instituted over the last several years.

They have also developed a Mentoring Program which provides a guide for Lodge Education Officers and Candidate Counselors to mentor candidates from "On the Threshold" through their Master Mason Degree and beyond. District Education Officers introduce and promote this program throughout the Lodges. The questions, based on the Ohio Masonic Code and Masonic trivia, form the basis of an Education Program called "Are You More Knowledgeable Than An Entered Apprentice?" The program is presented in a "game show" format and is meant to be fun as well as educational. It has been well received by the Brethren and is designed so that anyone from Entered Apprentice to Master Mason can participate.

The State of the Craft Report presented a positive view of Ohio Masonry. Lodges are busy with degree work and obtaining new members. While declining numbers are still a concern and may continue, many Lodges, possibly most, are seeing the decline level off or turning positive. Lecture work is improving and new and younger members are not only enjoying their memberships, but are bringing in many of their friends and relatives. Grand Lodge emphasizes the need for Leadership Development, Education and Mentoring, and a constant review of programs designed to get members active and participating in Lodge activities. Support for Grand Lodge is high. There are constant challenges. Ohio Masons have a long and proud heritage, work hard for their present operations, and look forward to progress and improvement in the future.

## PENNSYLVANIA

### *Annual Grand Communication*

*Philadelphia., Pennsylvania, December, 2010*

*431 Lodges*

*114,447 Membership*

In December of 2009, R.W. Grand Master Thomas K. Sturgeon set the Grand Lodge of Pennsylvania on a new course, which he described as the 21st Century Masonic Renaissance. With the words, "To do nothing and perpetuate the status quo is like denying treatment to someone who is ill," he placed before Grand Lodge a program of radical and innovative changes which he believed to be essential for the growth and perpetual future of Freemasonry in Pennsylvania. One year later, he reported on the results.

"On December 28<sup>th</sup> last, I stated to all Pennsylvania Masons that if you will follow my lead, be willing to be tolerant of change, be understanding of my plan and go to work to rebuild Pennsylvania Freemasonry, we would be successful. We have had great success this year! Our Grand Secretary reported that for the past 30 years this Grand Lodge averaged an annual net loss of 3,421. I am pleased to announce that for the first time in over 50 years the Grand Lodge of Pennsylvania has experienced a positive growth in membership of 410. Our vision has come to fruition. It can safely be said that the 21<sup>st</sup> Renaissance is a success and that Pennsylvania Freemasonry is on the move.

Some will credit our situation to Dan Brown and his very popular novels. They did not hurt us, but they are not responsible for our increase in membership. That is due to the hard work of your Right Worshipful Officers, the dedication of the DDGMs and the acceptance of a new way of doing things by all the Brethren across the State."

The Grand Master's plans included changes to several provisions of the AHIMAN REZON, the Book of Laws or Constitution, first used by the Ancient Grand Lodge in London and published and adopted by the Grand Lodge of Pennsylvania in 1783. There is controversy over the origin and meaning of the words; in Hebrew, 'A help to a Brother,' and in Spanish their meaning is, 'There is the full account of the law.' The proposed Amendments, circulated to the Subordinate Lodges in June and voted on at the December 2010 Communication were:-

1. Eliminate the requirement that Grand Lodge Committees be composed of Members of The Grand Lodge and requiring in lieu thereof that Grand Lodge Committees be composed of members of a Subordinate Lodge operating under the Jurisdiction of the Grand Lodge.
2. Eliminate the requirement that petitioners for initiation and membership be at least 21 years of age and requiring in lieu thereof that petitioners for initiation and membership be at least 18 years of age.
3. Eliminate the prohibition on Subordinate Lodges making more than five Freemasons at the same session of such a Lodge on the same day.
4. Eliminate the restriction on DDGMs serving more than seven years and providing in lieu thereof that DDGMs may serve up to ten years.

5. Require three black balls to reject a petition for initiation and membership.
6. Provide for a \$0.50 dues increase to be administered by the Pennsylvania Masonic Youth Foundation, as part of an incentive grant program for Masonic youth groups.
7. Provide that members who have attained sixty years or more shall be excused from Subordinate Lodge and Grand Lodge dues if they are first line signers on two or more petitions for initiation and membership.
8. Provide for adjustments to Grand Lodge dues and initiation fees based on the Consumer Price Index, commencing with the Masonic Year beginning on December 27<sup>th</sup>, 2014.
9. Provide for administrative efficiencies through changes to the composition of specific Grand Lodge Committees and Trusts.

All the Amendments to the AHIMAN REZON passed overwhelmingly. The Grand Master concluded his Address by responding to the complaint that he had said and written that Freemasonry must consider initiating more men of quality rather than of quantity. "I categorically reject that assertion. I am here to tell you that the quality of men joining our Fraternity today is no different than in times past. I would offer to each of you that we should be careful to be the critic of another man's decency or qualities. That may be left to a higher power.

The Freemason of 2010 is no different that the Freemason of 1910. Throughout this year I have taken a reasonable amount of criticism. But I was committed to this course and I continue my commitment today, regardless of the critics. I am proud of what we have accomplished this year and I thank every one of you for your dedicated efforts to rebuild this great Fraternity. One of the most revered Freemasons of all time, Brother George Washington, stated, and I quote:—"Leading by conviction gave me a consolation within that no earthly efforts can deprive me of. The arrows of malevolence, however barbed and well pointed can never reach the most vulnerable part of me."

The thoughts of that great American Freemason have sustained my faith in the Renaissance throughout this year."

## PHILIPPINES

Manila, Philippines, April, 2010*

*335 Lodges (14 Lodges U.D.)*

*19,151 Membership*

M.W. Avelino I. Razon, Jr., Grand Master, adopted as his theme for the forthcoming year, the phrase, "Together, Brethren, We Will Make The Difference." This theme did not only provide the thrust for the programs being implemented for the benefit of Grand Lodge and all Masons, but was also a call to all members to influence, in a positive manner, by example and behavior, the social and political challenges confronting their country.

The Grand Master's Program consisted of three major thrusts:-

1. Membership Growth, Development and Welfare.
2. Lodge Governance
3. Community Development.

"Charters were granted to seven new Lodges during the previous year and ten were instituted Under Dispensation. The average number of members was maintained. The Report of the Grand Secretary indicates that Grand Lodge had a net gain of 580. The Institute of Masonic Education Studies, (IMES) successfully implemented a Masonic Education Program. To enable all new Master Masons to develop an appreciation of the various workings of the Craft, we combined all our references into a Masonic Reference Kit. This kit has received a very favourable response, even among older Masons, and shows that the thirst for Masonic knowledge still lingers strongly among the Brethren. We have published and distributed to our Lodges through their respective Worshipful Masters, two

comprehensive handbooks entitled "Practical Guide for Effective Lodge Governance", and "Recommended Three Year Development Plan for Blue Lodges." In District and Regional Conventions, the Grand Lecturer imparted not only ritualistic knowledge, but made sure that the moral values were also transmitted in the Lectures, Seminars and Lodges of Instruction.

To develop good relationships with our Communities, we addressed the issue of climate change impact through a Tree Planting Project in conjunction with the Department of the Environment and Natural Resources. It was a national success; a record 23,085 seedlings were planted. They will be nurtured and cultivated to full maturity. We also embarked on a well-attended Multi-Cultural and Interfaith Forum, with the objective of assisting in the achievement of lasting peace in our Jurisdiction. It is hoped that such forum be replicated by our Lodges and Districts so that we may reclaim our role as nation builders.

As for the Welfare of the Brethren, the Fraternal Relief Assistance Program, under the administration of the Grand Treasurer, continues to provide relief to our Brethren and their respective families in times of distress. In addition to the long-standing Death and Hospital Gratuity for the benefit of all Past Masters and their dependents, Grand Lodge has developed a program that will assist all Master Masons. As your Grand Master, I issued an Edict to assess every Master Mason the amount of P\$100 to build a Charity Fund for their exclusive use, providing a Death and Hospital Gratuity Grant in the amount of P\$10,000 and P\$8,000 respectively. There is a saying that Charity should begin at home. We will endeavor to provide additional benefits in the years to come to all Master Masons through the judicious and proper management of our Charity Fund.

I also issued an Edict to deter and prevent the un-Masonic act of the hazing of new Candidates and the provision of sanctions against the Master if he neglects his duty. Degree conferrals are solemn and serious rituals meant to effectively teach basic moral lessons. If this solemnity is lost while horse-play and maltreatment prevails, our ancient and honorable institution will become no different than a college fraternity and we lose the meaning of our existence."

In closing, the Grand Orator summed up the positive sense of direction of the Grand Lodge, and the opportunities available to all the Brethren to meet the challenges facing their country. He expressed the belief that hope and change is possible if everyone remains committed to their values and ideals.

"More than any other association, the Freemasons have had the hand in shaping the future of this nation. The Philippines have had their share of tragic stories. Growing poverty, global recession, political violence, illustrates that our country and the world is still an imperfect place. Fortunately we are not short of good men who will work tirelessly and selflessly to combat our social ills and improve the lives of our fellow men. Through your members, you vouchsafe the country the freedom it now enjoys. As a nation, we wait for the dawn. And it will be a dawn that will be all the sweeter for having come after such a long and difficult night."

## PRINCE EDWARD ISLAND

### *136<sup>th</sup> Annual Communication*

*Summerside, Prince Edward Island, June, 2011*

*15 Lodges*

*759 Membership*

The Grand Master, MW. Bro. J. Earl Adams, read out a quote by former Prime Minister Margaret Thatcher.

"Being powerful is like being a lady. If you have to tell people you are, you aren't."

I think every Grand Master at some point in his tenure, must feel like this. You aren't powerful, even if the Constitution gives you almost, if not absolute control. I know I certainly felt this way on a number of occasions during the year.

This is why I asserted the important role of the Constituent Lodge in the life of the Fraternity.

The Blue Lodge was to be the centre of attention, and they themselves must take the lead. This is an important consideration. What I found was that many of the Lodges look to the Grand Lodge for all their direction and advice regarding the actions they intended to take. The profile of the Grand Master is to be valued as the face of the Craft. If the Lodges are wrong, the Grand Lodge can correct them if necessary. His advice to all Lodges was to try something out- if it was wrong, then someone will let you know, providing it is within the boundaries put in place by the Constitution.

Ah yes, the Constitution. It works, although I am sure that it needs some tweaking here and there to try and achieve perfection. As I stated when the PGM and his Committee were having special meetings to go over the new Constitution, if it was not passed the matter would not be raised during my year as Grand Master. I have kept my word on this and will leave it to my successor to decide what needs to be done or not done on this subject. The Committee on Masonic Jurisprudence met only once to consider a multi-part submission, concerning their perceived need to further improve the 2010 Constitution, not only to correct simple grammatical or cross-reference errors, but also a number of more substantive issues that appear to remain controversial. Those items deemed appropriate will be brought forward for discussion and vote to the 2012 Annual Communication. I did learn in Winnipeg at the All Canada Conference that several Jurisdictions are in the process of getting or making a new Constitution. I wish them good luck. It was not only a chance to meet old friends, but a place to learn that no matter how small or large a Jurisdiction, problems seem to be the same in so far as Masons are concerned. You also learn how others have dealt with these problems."

The Grand Secretary reported a decline in Membership of 35. The number of Raisings and Affiliations were almost exactly offset by Demits and Suspensions. He also announced a reprint of the Webb Ritual or American Rite, which is practiced in Prince Edward Island.

The Grand Treasurer reported a surplus for the year on his Annual Financial Statement. Sales of Masonic merchandise were a major contributing factor. He also continued to build the Grand Lodge Reserve Fund by designating \$ 1.00 per member to the Fund, which now stands in excess of \$14,000.

The Committee on Grievances and Appeals were pleased to report that there was no need for them to meet this Grand Masonic Year. Since the Committee would meet only to review negative news, this was considered a good thing for Grand Lodge and Masonry in general on Prince Edward Island.

Grand Master Adams, having completed his review and comments on the State of Masonry, closed with an amusing quote by U.S. Senator and Freemason Barry Goldwater. "History has to judge every man who served. I don't know how they are going to treat me. I may be the worst S.O.B. that ever came down the pipe. But I won't lose any sleep over it. I just like to be remembered as an honest person who tried."

## SASKATCHEWAN

### *104<sup>th</sup> Annual Communication*

*Prince Albert, Saskatchewan, June, 2010*

*60 Lodges*

*3,191 Membership*

M.W. Bro. Rick Galloway, Grand Master, commented on the progress made since his acceptance speech last year on the apparent emerging opportunity to strengthen the Craft in his Jurisdiction. His theme, "Positive Action - Together We Will Build Freemasonry in Saskatchewan," set the tone for moving forward with a number of developmental initiatives. His plan outlined key areas that would address these objectives and he reported that Grand Lodge was successful in making progress in several areas identified in the plan, including:-

1. Communications and Public Relations
2. Administration. A complete business review of the Grand Lodge operations was undertaken and as a result, re-structuring has begun.
3. Leadership Development. A special sub-committee was commissioned to develop; a "Primer" to help prepare prospective candidates wishing to serve on the Grand Lodge Line.
4. Youth Leadership Philanthropy. The Youth Leadership Camp was an outstanding success and once more the Scholarship Committee worked hard to implement the Scholarship Program, subject to challenging financial restraints.
5. Governance. The latest review of the Constitution was completed.

He added that it is crucial to recognize that change is never easy and much work remains to be done. He pointed out that it is evident that increasing numbers of men are showing an interest in Freemasonry, reflected in the growing number of Initiations in the Lodges. Although numbers alone did not reflect the overall health of Lodges, it was important to note that Demits and Suspensions remain a significant issue in the Jurisdiction and recommended that a program be introduced to address this critical area.

The Grand Secretary reported that 2009 started with 61 Lodges and 3352 Members. There were increased Initiations, Restorations and Affiliations, but once again, Demits and Suspensions outnumbered these gains. On a more positive note, care should be taken when examining the statistics. The only real gains are Affiliations from outside the District and Initiations. When we factor this against the number of Deaths, we are exceeding by more than 10% in replacing our numbers. We must address Demits and Suspensions, the real cause of the drain in our numbers, and strive to prevent members from leaving our ranks. We must remind our Brethren of their obligation to persuade a Brother not to leave the Craft in order to help stem this flow.

There were many common concerns expressed in the District DDGMs Reports. All Lodges appear to be financially sound, although with a Dues structure varying from \$60 to \$150, those in the lower scale may find themselves in financial difficulties within a few years.

Lodges active in community service in varying degrees, of which there are many, have experienced an increase in membership and are demonstrating efforts to improve the quality of the Work. Those lodges in difficult circumstances usually have an aging membership and a declining local population. A recap of all the Reports indicated that almost 90% of Lodges have a good to excellent reputation in the community. High standards, good to excellent, were also attained in the performance and quality of Officers, the presentation of the Ritual, and Officer training. Low marks were evident in Masonic Education, Inter-Lodge Visitation, and the numbers in attendance at the Annual Communication of Grand Lodge.

The Communications and Public Relations Committee has concentrated on streamlining and making substantial improvements to revitalize the official Web Site of the Grand Lodge of Saskatchewan. They have updated the content, put in place a more intuitive navigation model and introduced a "look" to ease identification. Behind these immediate changes is a long term vision to establish the Internet as the primary, reliable, and relevant mode of exchange of information. This new model will effectively serve the communications channels between Grand Lodge, its members, the general public and sister Jurisdictions. Immediate plans include the development of a concept of a section of the Web entitled "Ask A Freemason." which will contain information for potential members. It contains a sub-section called, "Frequently Asked Questions." and "Find A Lodge Near You" that will allow these potential applicants to seek out answers to common questions before making a formal approach or a Petition to a Lodge. This will make the Web Site the "Go To" place for all things Masonic in Saskatchewan.

The Grand Master, in his closing remarks, was pleased to report that the incoming

Grand Line has indicated a willingness to maintain continuity and proceed in the direction outlined in the current strategy. They are committed to sustaining and building Saskatchewan Freemasonry, guided by the theme of the newly installed Grand Master, M.W. Bro. Ernie Butz: - "Masonry - Light To A Better World." For we as Masons are the light, and it is up to us to make the world a better place. A little light, said the Jewish Mystics of old, drives away much darkness."

## SOUTH DAKOTA

*136<sup>th</sup> Annual Communication  
Rapid City, South Dakota, June 2010*

The Report of M.W. Grand Master Jack H. Welker, gave a candid overview of the important issues currently facing the Grand Lodge of South Dakota, the possible solutions, and the positive steps being taken to ensure future growth and stability.

Our guiding principle and Motto this past year has been "Brightening the Light of Masonry."

That was our goal, to change the dim light of Masonry to a growing blinding light by increasing new members and having a strong Education and Mentoring Program. How many Masons does it take to change a dim light bulb? The answer is, all of them. This has to be presented to the new as well as the older Brethren. This will not be accomplished in a year but must be an ongoing program that, through practice and experience, will get better. How are we to accomplish this? First, let us look at the issue of membership.

In 1956, we had 20,530 members. Today, we have 6,262. Every year we lose around 200 members. Divide this into 6,262, and you will see that we are not going to be here very long. How many of us wear a baseball cap, a lapel pin, a jacket or something that identifies us as Masons? Are we ashamed? We are lazy in not going out and talking to people about Masonry. This thing I hold in my hand is a Petition. Get one into your pocket. Be prepared to hand it out whenever anyone asks. It is time to decide that we are going to save ourselves and this is one of the things we are going to do.

Declining membership is a problem faced by every Jurisdiction. However, Illinois has an idea that is working. They are calling men Suspended for Non-Payment of Dues, talking to them, finding out what is wrong, why they are not paying their Dues and what would have to be done to bring them back. We have tried this in a few Lodges and it has worked. We do have success stories. I have asked all Lodges to send me their Suspended lists as I want to review them before they are sent out. I hope for some good results.

Our future is totally dependant on new Master Masons coming into our Lodges. Consider the plight of a newly raised Brother who has been introduced into Freemasonry courtesy of Dan Brown and the History Channel. He expects to learn the secrets of the ages. But so far all we have given them are three Degree nights and a slow and deliberate business meeting. He wants more. That new fellow wants to learn what it means to be a Freemason. He wants to learn how your Masonic experience has changed your life and how his Masonic experience can effect change in him. There is a nascent opportunity for a new era of expansion in Freemasonry. It is the concept that becoming a Mason is a life-long, creating and recreating experience. Which makes it all the more important that Lodges embrace Masonic Education. Brothers who understand the history and philosophy of Freemasonry are the Brothers who will be back, who will move through the chairs, and will form the firm foundation of our Fraternity.

What we classify as Masonic Education- academic and historical learning- is only a part of the whole. Still evident and practiced in many European Jurisdictions is a concept called Masonic Formation. It is the slow and methodical combination of Degree work and intervening periods of study found in 18<sup>th</sup> and 19<sup>th</sup> Century Masonic practice. It is the all

encompassing intellectual and moral development of a Freemason. Masonic Formation is necessary to plant, nurture, and bring a new Brother to full flower as a Freemason.

Several Jurisdictions have taken large steps down the road of Masonic Formation. Iowa has developed the "Ashler and Master Builder" programs, designed to bring Brothers forward in Masonic philosophy and education- not simply Ritual work- on a fairly strict timetable.

Wisconsin developed the "Wisconsin Improvement Program," which puts a high premium on mentoring and philosophical discussion. California has embarked on an expansive program creating materials and programs to implement Masonic Formation Committees in local Lodges.

Here, in South Dakota, we are taking slow and small steps in adopting this concept, but we are moving forward, adopting the 21<sup>st</sup> Century tools available for the dissemination of knowledge. We are trying to install in all Lodges a team of Mentors and a program using the Grand Lodge Mentoring Guide. We have published "Mentoring the New Mason." It is available for download on the Grand Lodge Website. The Committee on Masonic Education has requested that Grand Lodge take steps to lay in a supply of Dr. James Tresner's "Further Light In Masonry," for purchase by interested Brothers at a discounted price.

We need to recognize that, while all the other activities in which we successfully engage in as Freemasons are important, we must take caution not to lose the self-inspection and moral growth taught in our lessons, to a flurry of charitable and social projects.

More important than any Grand Lodge program, however, is the willingness of blue Lodges to embrace an ethos conducive to Masonic Formation. If your education program is just a bookshelf of old Ritual Monitors and dog-eared three-minute short talks, it is time to rethink things. It's time for all of us to share intentional opportunities for education, study and discussion, to the end that all our Brothers, and particularly our new Master Masons, will be "Brought to Light" in all aspects of our broad and life-changing Craft."

M.W. Bro. William Earle Rorer Jr, Grand Master, chose the theme "Forget Not The Duties" as the guide and ethos of his term in Office. He stressed it at every opportunity to remind the Brethren to revisit the things of the past in the Grand Lodge of Virginia which nourished us and made us expand the Craft. He urged the Brethren to live in a manner that attracts good men while at the same time reminding them that a thorough investigation of all Candidates and their families is essential. The emphasis must be on quality and not quantity.

He observed that in Lodges in which programs were planned in advance, the Brethren were generally motivated and energetic. Worshipful Masters should understand that they fail their Office and themselves when they arrive at a meeting without a planned, interesting program.

He acknowledged that the Office of Secretary is a tough job requiring a great deal of commitment in time, but observed on several occasions Secretary's 'decide' that certain correspondence was not of interest to the Brethren and did not indicate it was received. This is not the Secretary's prerogative. An order to brief the Minutes must come from the East. He further noted that Minutes do not need be written with the detail of a novel. Interest can be maintained with brevity.

"There are firmly established practices of the past that we must continue to embrace, but we must do more. Our Craft is strong. But we must seek to understand and blend our differences, the knowledge and tradition of our older Brothers and the technical expertise of our newer members, into one common goal for the good and advancement of our

Fraternity. I make the following recommendations:

1. I again remind the Lodge Secretaries that electronic reporting, sending and receiving email communications, is not an option but a requirement. Costs are dramatically reduced. If you cannot take on this responsibility you must seek assistance or turn the job over to someone who is willing to comply with this requirement.
2. I recommend that this Grand Lodge and the Lodges in the Commonwealth, study, adopt and implement the newer innovations in communication, such as phone trees for unscheduled events and Skype for meetings between members, Lodge Officers, Master and Secretary.
3. I recommend that the Public Relations Committee be revamped in order to accomplish the maximum public exposure for Freemasonry on both Grand Lodge and subordinate Lodge events through the various forms of media available to us.
4. I recommend the establishment of a process or a sub-committee whereby our more successful and/or wealthier Lodges be empowered to get recognition for Mentoring and supporting Lodges that are living up to the obligations and charges of Freemasonry but are not able, for one reason or another, to be viable and growing in our Commonwealth. By helping them we will be more successful in attracting new members and being more positively visible in the community. This will have long term advantages in the advancement of Freemasonry.

The Grand Lodge of Virginia, through the Committee on Masonic Education, is working to provide individual Lodges and Districts with tools available for them to further Masonic Education. This effort is being undertaken under an umbrella organization called the Virginia Masonic University, and is proceeding as follows in four core areas:- Education for Life; Education for Master Masons; Officer Training and Scholarly Studies; Masonic Education. The materials are tailored to individual Brethren and Lodges, and the training is designed to be delivered to the local or District level. They are designed to develop and improve leadership skills and proficiency in time and project management.

The Education for Master Masons is presented in three modules, each one focused on one of the three Degrees.

The Officer Training segment of the VMU draws on leadership, planning and execution skills and focuses on core Lodge responsibilities.

The Scholarly Studies Program provides an opportunity to explore in more detail, Masonic History, Philosophy and Symbolism, the things that separate us from other fraternities.

The Masonic Education Program is designed to explain some part of the Ritual being taught that evening. A different program title, no more than ten minutes in length, will be presented every month for the entire year.

Work has begun on an additional Correspondence Course on "Mentoring." It is in its early stages, but we hope it can be completed by June of 2011."

There is reason to believe that Lodges are making sincere attempts to address both membership development and retention. In conclusion, M.W. Bro. Rorer Jr., stressed that this is a key part of his agenda. "Membership figures show a slight decrease for 2009. The intention is to reduce and eventually eliminate the decline. If we remember a Brother's welfare as our own, assist him in times of difficulty, we can eliminate Suspensions for NPD and Demits. This should be our goal.

This is attainable if we "Forget Not The Duties."

\*The membership figure reflects the lowest rate of decline in 19 years.

## WASHINGTON

### *153<sup>rd</sup> Annual Communication*

*Grand Mound, Washington, June, 2010*

#### *186 Lodges*

The Grand Secretary discussed a current trend which he described as 'Shake and Bake Masonry.' "You cannot just confer the Degree (shake) and tell him he is a Mason (bake). It goes much deeper than that. Each of us shapes Masonry, whether positive or negative. From the time when members of a Lodge investigate a prospective Mason, the question, "Is this a Good Man?" must be addressed. Every new member should have a Washington State Patrol background check completed before a Petition for the Degrees is read. Becoming a member of the Fraternity is not about numbers, it is about making good men better. When we elect a man to membership it needs to be deliberate and defined. Everyone in the Lodge needs to understand their role in the development of our new members. I believe we have drifted so far from this doctrine that our Craft will just become another trendy organization to belong to. The various teachings of our Ritual are not just lip service or rote memory. These are the teachings of our fathers, the essence of what Masonry is or is not.

Every Lodge needs to assign a Mentor, who is himself knowledgeable in Masonry. I hope the Brotherly Love we profess does not begin and stop at the door of our Lodges. We must show the world the qualities we profess. This can only cause good men to seek out our Craft. Various media are helping to provide curiosity, but we still want quality.

Today's Masonry offers many alternatives to advancement and attaining knowledge. One Day Degrees, New Candidate Education Programs, Lectures on DVDs, Internet Forums are all wonderful tools for Lodges. They are not a substitute for Masonic Education and teaching. Several examples of concerns will help us to understand the dilemma we all face. Masonic Protocol has been a long time tradition in Masonry. No one in the world knows you to be a Mason unless they have sat in Lodge with you. However, we have Masons sending email all over the world saying they are a Mason and wanting to converse. We need to take time to understand this exchange of information. Remember, no one knows you to be a Mason because you said you were on the Internet. A letter from the Grand Master published this year addresses this problem.

Politics and religion are finding their way into Masonry, and if you want to see the results of people fighting over the same, just review any country's history.

The list goes on. All one needs to do is ask a new Mason. Masonry offers more than a quick Degree to a warm and confused body. When a man is made a Mason he is changed for life. The life changing experience is a function of what we do to teach, coach, mentor and educate our members. Take the time to do this and you will get a commitment. Several positive responses to the challenges of membership have been developed and instituted.

The Leadership Training Committee stressed the importance of a Certificate of Proficiency in Lodge Management and the Grand Master submitted a Resolution to make it mandatory for all first time Worshipful Masters, to give them the necessary tools to preside over a Lodge in an informed and effective manner.

The Membership Development Committee launched a Website which is linked to the front page of the Grand Lodge Website. It has a whole menu of items to be explored by the casual visitor who may have an interest in the message of our Ancient institution. They further recommended that the New Candidate Education Program be reshaped to include and amplify Masonic Education in all Lodges in the Jurisdiction.

The Long Range Planning Committee, while acknowledging the accomplishments made since the last review in 2006 and the fundamental strength of the Jurisdiction, indicated that the current litany of strategic plans has become unwieldy, and recommended that it was time to reduce and refocus the initiatives. One needed change discovered was that being solely focused on the future at times caused Grand Lodge to lose sight of the present.

#### *17,109 Membership*

To address this issue the Long Range Planning Team, at the request of the Grand Master, took a critical look at Grand Lodge as an entity and proposed the inclusion of a Mission Statement. This would encompass the all the goals and objectives of the Committee, which they describe as The Pillars of Progress.

1. Evaluate Grand Lodge's ability to respond to positive changes and opportunities.
2. Education and Training.
3. Family and Community Involvement
4. Enhance Public Awareness of the Craft and its core principles throughout the State.
5. Fraternalism and Co-operation with Concordant Organizations.
6. Develop a long-term funding program to ensure the financial stability of Grand Lodge.
7. Assess the talents of individual members as a pool of resources, to be placed in strategic leadership positions.

Resources will be assigned to all these objectives and timelines to gauge their progress.

The object is, as summarized by M.W. Gale H. Kenney, Grand Master, is to inform people about Masonry, inspire them to become Masons by our good conduct, and involve them in our gentle Craft by becoming better men and citizens.

"The Freemasons of Washington will be recognized as a relevant Fraternity, attracting all men of high quality and will move forward to new heights. The philosopher Heraclitus once said, "You can't step in the same river twice." For all is in flux. And we, like the river, must continue to change with the sands of time. We must embrace the change that is necessary to steer our ship through uncharted waters. We must stretch goals, try something that is new and different, and not be just content with the low-hanging fruit on the tree. We must strive for all we can be and do as a Grand Jurisdiction."

**INTRODUCTION OF  
V.W. Bro. Harry Ansara  
Distinguished Toastmaster  
Guest Speaker  
at the  
Wednesday, July 18, 2012**

Distinguished Guests, Brethren All:

It gives me a great deal of pleasure to introduce our guest speaker for this evening, V.W. Bro. Harry Ansara.

I met Harry several years ago and was impressed with Harry's speaking credentials. As we discussed further the possibility of him joining us tonight, I became even more impressed with his past accomplishments as a motivational speaker.

Very Worshipful Brother Harry Ansara was Initiated, Passed and Raised in Kingsway Lodge No. 655 in 1978. He was Worshipful Master in 1989 and 1996. He was Secretary of his lodge for 6 years. He served as District Secretary under District Deputy Grand Master, R.W. Bro. Gareth Taylor in 2002-2003 and was appointed Assistant Grand Organist in 2003. Harry has been active for many years on District Committees, including Masonic Education Committee in 1997, 2000 and 2001 and has facilitated two highly successful Masonic Speech Craft Courses in 2002 and 2009.

Harry affiliated with Sunnylea Lodge No. 664 in 2007. In 2009, he was Chair of the Blood Donors Committee and Masonic Speech Craft Dynamics Course. He is a Scottish Rite Mason in the Lodge of Perfection.

Harry has been employed with the Ontario Ministry of Transportation for the past 22 years and is currently a Driver Certification and Examination Officer. He and his wife Nora have been married for 33 years and they have 2 sons, Ron and Mark. His leisure hours include playing drums and reading but his real passion is public speaking, having attained the level of Distinguished Toastmaster in Toastmaster's International.

Harry's Toastmaster career is indeed impressive. He has been a Toastmaster for 19 years, is a Charter member of the Voice of Experience Advanced Toastmasters Club and an honorary member of the Trillium Toastmasters Club, both located in Mississauga. He is currently a member of Speaking from Experience Advanced Toastmasters Club in District 60 and is Past President of Humber Shores TM Club in Toronto. Since 1993, Harry has won numerous Club, Area, Division and District speech contests in multiple speech categories.

A frequent target speaker, presenter and facilitator, Harry has been a Club Officer trainer since 1995. He has conducted local and regional educational workshops. He chaired the District 60 Spring Conference in Toronto in 2001. One of the highlights of his Toastmaster's career was winning the National Canada Speech Contest in 1994, which honour allowed him to deliver his speech on Parliament Hill on Canada Day that year.

Harry has taught Public Speaking for the Toronto and Peel Boards of Education and is a regular judge at the Lion's Club Public Speaking contests in Mississauga. In 2001, he launched his speaking web site, "Right From The Heart."

Harry's advice to Toastmasters is quite simply, "be true to your club and when called upon to serve; serve with pride and determination!" He is known for delivering motivational, passionate and confidence-building speeches based on real life experience that reflect important family, social and community values.

Brethren, please welcome to the lectern, V.W. Bro. Harry Ansara, Distinguished Toastmaster.

M.W. Bro. Grand Master, M.W. Bro. Past Grand Masters, R.W. Bro. Deputy Grand Master, Distinguished Brethren, Guests and Friends:

**Presentation**

**“FATHERS AND SONS IN FREEMASONRY - PASSIONATE CHAMPIONS”**

I deem it not only a pleasure but a distant honour to address you this evening and I am humbled to be in the presence of such a renowned gathering of leaders, doers, believers and good men of our great Fraternity.

Before I begin, may I add my sincere congratulations to all of you who either have completed your term of office or are embarking on a new phase of your Masonic journey. May all your endeavours be successful, rewarding and memorable!

My story begins in 1926 when a 16 year old boy, who speaks neither English nor French, travelled by boat from Lebanon to Canada. After approximately 90 days at sea, he arrived at Halifax, Nova Scotia, whereupon the authorities hung a sign around his neck which read Cobalt, Ontario. He boarded a train and continued his arduous journey to meet his brother. Obviously, not knowing the time or distance involved, when the train approached the first station, he jumped up, ran the length of the train shouting, “Cobalt, Cobalt?? The conductor, stopped him and escorted him back to his seat, gave him a re-assuring pat on his head as if to say, “sit down lad, we haven’t reached Cobalt yet.” As the train approached the second station, again the boy leapt to his feet, ran down the aisles again, shouting, “Cobalt, Cobalt, oh God, am I finally here??” Once again, the conductor intervened and returned him to his seat. The same thing happened after the third stop, and the fourth, and the fifth, and finally the conductor, if a fit of rage, grabbed him by the scruff of his neck, forcibly sat him down as if to say, “look boy, don’t bother me anymore! I’ll tell you when we get to Cobalt!”

And there he sat with tears streaming some his face: alone, dejected and frightened. My brethren, that 16 year boy finally arrived at his destination and that was the beginning of a relationship with this country that lasted for 63 years.....you see, that boy was my father.. and John Ansara was the greatest and proudest Canadian I’ve ever known. He served his community by building schools, churches and hospitals; he served his family with unending devotion and love, and yes...he served his lodges. Whether it was Osisko Lodge # 107 in the Grand Lodge of Quebec, or Kingsway Lodge # 655 in Etobicoke, Ontario, he served. And with his fervent belief that love of country and love of Masonry were completely compatible and essential to one’s well-being, his lifelong journey and calling was to passionately instill that wisdom to all he met and to those he sponsored in our Craft, more especially to his two sons.

My brethren, tonight I would like to share some thoughts with you about my Masonic relationship with my father. I do so, knowing full well that some of you may have had similar experiences with your fathers or notable role models. If so, then it is my hope that the lessons learned from our collective journeys, while still in progress, will be beneficial to all Masons. I mentioned Dad’s love for Canada and Masonry because he was fiercely loyal to both. And he would say, “Harry, son, take care of Canada so Canada can take care of you; and take care of your lodge so your lodge can take care of you. No matter who you meet, instead of raising a clenched fist in anger, smile and extend an open hand in friendship. Be a proud Canadian and a proud Mason!

As a great Canadian, what he and other Dads realized was that Masonic principles were found in the hearts of men. They were not content simply to be a member of a lodge... they wanted to be Masons, builders and reputable citizens. Dr. Charles Johnson sums up the essence of this point when he states, "the object is not so much to get more men into Masonry as to get more Masonry into men." I have chosen to accentuate that special bond between a father and son as the basis of my remarks because I truly feel that more people need to hear this. They need to hear the sons salute their fathers with honour, respect and gratitude. They need to hear the fathers speak of the important lessons they impart to their sons. And they need to realize and appreciate that the unbreakable bond created by fathers and sons is a major ingredient in ensuring the vitality and longevity of our Craft.

They need to know that when M.W. Bro. Garry Dowling says, "I believe in the future of Freemasonry in Ontario, he is saying he strongly believes in one aspect of that future...the examples set by fathers and sons. There are many examples of a father/son relationship in Masonry, and doubtless many of you here have or may have had fathers, sons, grandfathers, uncles, brothers who have influenced you by their actions, demeanour and reputation in society. To you, I say.....be proud of them. Be **very** proud of them. Allow me to further illustrate my point.

When V.W. Bro. Roy Taylor installed his son, R.W. Bro. Gareth Taylor in the Chair of King Solomon on Monday, November 17, 1986, he said, much to the delight of the 100 or so brethren who joyfully witnessed the ceremony, "Behold my son, in whom I am well pleased." Roy was a very happy father and it was one of the finest Installations I have attended.

R.W. Bro. David Smith, past DDGM, Toronto District 2, travelled to New Zealand twice; the first time to witness and participate in his foster son's Initiation and the second time to be a member of the Installing Board. David said to me, "Harry, I really can't describe my emotions when Colin took that historic first step as Master of his lodge. The happiness, that priceless moment when I first saw him in the Master's chair, I was beaming with joy and said to myself, "Colin, you made it!" All the more reason to indulge in that single malt scotch later on!!

When W. Bro. Isaac Haddad, a Grand Lodge officer from Mexico travelled to Canada to witness his son's First and Third degrees in Sunnylea lodge, my lodge, he said, "my son, I cannot tell you how happy I am to be here tonight for no matter the distance, I would not have missed seeing you become a Mason. And while the distance between us is great, the distance between our hearts is very close. I earnestly pray your journey in Masonry will be rewarding; you are among brothers and I cannot think of a better place to be.

You have made me a very proud father, indeed!" My brethren, what about you? Do you have a similar story? Have you as a father experienced the sheer joy of initiating your son into Masonry? And as a son, can you really describe your innermost feelings when you wore your apron and joined your father in lodge?

If you have, then tell the world!!!

Say it my brethren! Say it **loud**, say it with **passion** and say it **often**!! And when you do, you bring honour to yourself and credit to the Fraternity. For this is Masonic history at its finest! Make no mistake about it. Did Dad and the fathers I just mentioned answer the call?

Did they serve the Craft by instilling a sense of pride, direction and purpose in their sons? Did they reinforce that honourable Masonic ideal we find in the Charity lecture by living and breathing that message every day? Were they there to offer unlimited support and remind us of our true fraternal duties and obligations we owe to our fellow man? The answer is an unequivocal "YES!"

And when Dad gave, he expected little in return. Whether he was helping his fellow citizens or sponsoring impoverished refugees from distant lands, his greatest reward was knowing that he made a difference in someone's life. I know what he meant, for I, too derived that same satisfaction when I would spend time at Christmas with a widow of one of our past masters. I recall dad saying, "Harry, a lodge building is just that... a building; but the real lodge within you is your individual personality and character and that, my son, is how you will be judged."

Another Masonic subject we would often discuss is the ritual. Now there's a topic near and dear to my heart. I vividly recall his words of wisdom. He said, "Harry, if you or your brother are doing ritual work and you need a prompt, I'll walk out of lodge!" Well, he was joking, of course....but was he? In his own way, he was reminding me to give the charges and degree work the respect they so rightly deserve by preparing, practising, and delivering the work in such a way that nobody in the lodge will ever forget. A case in point.

After my brother delivered the Junior Warden's lecture during an official DDGM visit, Dad actually stood and applauded! Yes, he applauded. Some of you here, remember that night. Inappropriate, you say? Something not done during a degree. Perhaps. Try telling that to Dad or any other father whose heart bursts with joy when they see ritual work executed with poise, passion and proper decorum. Try telling that to a father who just might remind you of a sentence in the Final Charge: "we have but one aim, to please each other and unite in the grand design of being happy and communicating that happiness to others." When fathers are this happy, let them enjoy their moment.

Isn't that what M.W. Bro. Terence Shand meant when he said during his year as Grand Master: "Attendance is related to quality of ritual and its portrayal at our meetings. In other words, pride of membership, pride in the ability to memorize, pride in the precision of the mechanics of the degree." Well said, indeed. And who can take issue with M.W. Bro. Kenneth Aldridge, Past Grand Master of Quebec when he said, "our ritual is deserving of the very best and near perfect rendition any one of us is called upon to perform." Dad's advice was simple: when you stand and deliver.....**STAND AND DELIVER!**. Not for you....for the candidate.

Yes, dad believed in Masonry and if he and others were here today, he would most certainly agree with our Grand Master's vision: To Ensure the Timeless Vitality of Freemasonry in Ontario." M.W. Bro. Garry Dowling, you say that if we are to achieve that Vision, then we must look in the mirror. But we are mirrors of Masonry, and when people see us and judge our behaviour and character, are they not seeing what the proper reflection of Masonry should be? We are the living history of Masonry. You speak of a "personal wellness" in our lodges and that the brethren who believe this, live it and act it in their daily lives. Without a doubt, Dad and the fathers I know did just that. To them, Masonry was a mighty force, yet sensitive, responsive, exemplifying all that which we are taught in the established degrees.

Another area where Dad's influence was beneficial concerned leadership, for he would say, "Harry, lead don't follow. Use all that God has given you; be a leader in lodge and you will accomplish much. Lead by example." In our Fraternity, leadership opportunities will always find you. You can never not lead.

Embrace every leadership challenge; grab every opportunity, put your personal stamp on it and follow through. We need leaders like you! In conclusion, brethren, if I have provided you with something more than when you arrived, if I have challenged you to rise above and beyond and aspire to lofty goals on your Masonic journey, if I have accentuated that special bond between a father and son and illustrated its importance to our Craft, if I have given you a brief glimpse of my father's character and what it meant to me, then this will have been an experience in my life I shall not soon forget.

And I leave you with a short anecdote written by A. Gordon Nasby that I feel accurately encapsulates my message this evening.

A doctor was busy in his study, when his small son came in and stood silently by. The doctor, preoccupied with his work, put his hand into his pocket, took out a coin and offered it to the boy. "I don't want any money, Daddy", the boy said.

After a few moments, the doctor opened a drawer of his desk, took out a candy bar and offered it to his son. Again, he was refused. A little impatient, the doctor said, "well what DO you want?" "I don't want anything," replied the boy. "I only wanted to be with you."

### Deputy Grand Master's Thanks to V. W. Bro. Harry Ansara

Most Worshipful, the Grand Master, Distinguished Head Table Guest, Brethren and friends.

On behalf of all the brethren present, we thank you V.W. Bro. Harry Ansara, for the journey you have take us through the eyes of your father, and his vision that he shared with you, his community and his heritage.

I know when I was a young child, traveling from Niagara Falls to the "Tri-Towns" of Cobalt, I thought I traveled to the end of the world. I can only image what it was like traveling 90 days at sea, then from Halifax by train to northern Ontario. It must have been an adventure for a young man who could speak neither French nor English.

Legend has told us that a blacksmith from Cobalt threw a hammer at a fox one day back in the early 1900's, missed the fox, but accidentally uncovered what became the world's richest veins of silver. The facts say that a pair of railway timber scouts discovered the silver while scouting in 1903. I like the legend better. Around the time your dad arrived in Cobalt, it was well known worldwide, considered the most elegant towns in Ontario, until the stock market crash in 1929.

The rich vein you struck with us this evening, which is richer than all the silver in the hills of Cobalt, that being the relationship many of us had with our fathers and the lessons we have learned from him. No matter how we say it, the Golden Rule continues to be a hallmark that made this country a great place to live, as taught by your father; "Take care of Canada so Canada can take care of you."

Words cannot describe when a father and son meet in Lodge. The day I installed my older brother as Master in his Lodge, I will never forget, and still visualize, my dad standing up in Lodge, saying, "I have never been so proud of my boys than tonight" then came the standing ovation he received from the brethren. To me, this is the true secret of Masonry, and Dan Brown can never write about that.

As you so elegantly stated, Masonry is more than just about being a member, it's about learning, preparing, practicing and delivering the work is such a way that nobody in the lodge will forget. Your dad's message was simple: "Stand and Deliver! Not for you, but for the candidate. Masonry has given all of us a chance to lead and to lead by example." We can continue with that journey of John Ansara, when we leave this Communication and arrive home. Take the time and hug your child, no matter how old they are, and tell him, or her, you love them and that you are proud of them, as our fathers have said to us.

V.W. Bro. Ansara, your dad is very proud of you. And we are richer today for the journey your father had taken so many years ago, the lessons he has taught you in communities he lived and served. John Ansara served Canada and he served his lodge. Now is time for us to continue with that service and communicate that happiness to others. On behalf of the brethren present, thank you V.W. Sir.

## SUMMARY REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS 2011 – 2012

### Algoma District – 9 Lodges

R.W. Bro. Cedo Jankovic

Algoma District Lodges are continuing to be active not only in their Lodge rooms but also in the Community Outreach Programs. The quality of work is very good, most of the Lodges are in sound financial shape and by looking in their summonses they are also very busy with degree work. You would think all this would cause a big increase in our membership but due to suspensions, demits and deaths our numbers might even be declining. The most pleasant surprise however is the quality of our new initiates. These young men are better informed, surer of themselves and certainly eager to undertake anything that the Lodge asks them to do.

All of this has been accomplished with the help of Grand Lodge and District Programs, for example when I introduced myself to a young man at Friend to Friend Night he said “you are the District Deputy Grand Master for Algoma District.” How did he find that out?? From the Algoma District Website.

Our Lodges are heavily involved in their communities, the Masonic Chip Program is doing well, our annual Salvation Army Kettle Drive and volunteer work at “Camp Quality” are all well supported by the District. On a sad note the Canadian Blood Services has closed our Plasma Centre where the Freemasons plasma challenge has resulted in Algoma District being able to report to Grand Lodge over 56,000 donations. On my last official visit to a small railroad community, a five hour drive from Thunder Bay, it was nice to see a 3<sup>rd</sup> degree done to perfection. It was also Ladies Nights with a silent auction and between Masons and non-Masons they raised \$3,100.00 for local charities. All the Lodges in the District are trying to keep a good financial balance sheet. Their budgets reflect future operating costs and their dues structures are set accordingly.

The biggest challenges in our District are keeping our young members, many are moving to greener pastures in Western Canada but it seems that the mining activity in North Western Ontario might just reverse this trend.

It has been an honour to represent the Grand Master in Algoma District and I would like to thank all the District Chairmen for doing an excellent job, past DDGM's for their guidance, all the Brethren who accompanied me on official visits and installations and last but not least our District Secretary who kept me on the right track.

### Algoma East – 8 Lodges

R.W. Bro. Frederick J. Skeggs

The condition of Masonry in Algoma East District is, except for one Lodge in a small northern Ontario town, healthy and vibrant. Overall, the District is experiencing more growth membership now that we have seen in decades.

Masonry's promise of self-improvement, of creating goodwill and happiness is attracting gooo men of all ages.

I sense a renewed pride and enthusiasm for the equality of the work.

Shakespeare, in one of his plays, has a character state a simple but insightful truth: “The play's the thing.” At our District meeting, I indicated that in our Masonic Lodges, the Body of Work is our play. The Work is to teach us. The Work is to entertain us. The Work is to encourage us along our journey. In our Masonic Lodges, “the Work” should continue to be “the thing.”

The Masonic CHIP Program continues to be a great source of accomplishment throughout our District. It not only gives Masonry a high profile but serves to bring the brethren together.

For the first time, our District has a travelling gavel and this program has been met with great enthusiasm. There should be a travelling gavel for every District. In southern Ontario, where the Districts are closer together, there could even be a second travelling gavel for visitation between Lodges in different Districts.

W.L. Wilmshurst, in his book "The Meaning of Masonry," says that not infrequently one finds brethren discontinuing their interest in Masonry because they find that Masonry means nothing to them. There are, he says, Masons that receive no guidance or instruction in the meaning of the Craft. In our District, I have emphasized the need for Masonic education in order to keep our members interested and to make Masonry meaningful.

Unfortunately, the Grand Lodge programs are not received well in our District. Next year, I understand that we will have two Lodges enrolled in the Cornerstone Program and it is this one program on which perhaps Lodges should try to focus.

Lastly, I believe that brethren should be reminded at every opportunity about the importance of brotherhood. Masons are brothers because of our common participation in the same labours. We have a bond that holds us together. We are immediate friends with another Mason. We have this special relationship with each other. This relationship does come with responsibilities. We must be just in our dealings with each other and we must always act in certain ways towards each other. We must refuse to speak badly of each other. We must promote between us an attitude of goodwill and harmony.

### **Brant District – 13 Lodges**

**R.W. Bro. Allan R. Haggith**

The Lodges in Brant District have experienced a very busy year, beginning with the Dedication of a new Lodge building for Brant Lodge No. 45 in Brantford and most recently the burning of the mortgage for St. Johns Lodge No. 82 in Paris.

Many lodges have experienced an increase in membership this past year with many younger men seeking to become part of the Craft. A great number of awards were presented throughout the District this year including 50 years a Past Master, 60 year, 50 year and 25 year membership recognitions.

A District Lodge of Instruction was held in early spring which was well attended, Most Masters of the District are continuing to promote proper protocol and etiquette along with the importance of practising the ritual as contained in the Book of the Work. There has been a noticeable improvement in the conducting of Degree work in many Lodges following the Lodge of Instruction evenings which is good for the candidate and for the long term growth in our Lodges. Many of the Lodges are very active in their communities.

The visibility of Masonry in Brant District is improving as these Lodges are hosting many events open to the public along with open houses, Friend to Friend evenings, MasoniChIP sessions, Blood Donor Clinics and a presence at community events. Many of the Lodges have been very active in support of local community causes, Masonic Charities and Benevolence.

The long term viability of most Lodges in Brant District is very good as many have a long term plan in place and a dedicated membership. There are however a few Lodges in the District that continue to struggle with declining membership, inactive members and financial concerns. Masonry is alive in Brant District and overall is seeing resurgence in many of the lodges.

As the District will be celebrating a number of 100 year anniversaries in the next couple of years the Brethren will have the opportunity to share the history and legacy of their Lodges with many Brethren throughout the Jurisdiction and their communities.

I look forward to a very promising future, the road ahead will not always be smooth and free of curves however with the continued support of the Brethren, Masonry will survive and grow in Brant District.

### **Bruce District – 12 Lodges**

**R.W. Bro. Thomas C. Whitcroft**

Bruce District continues to excel in visiting and support of district events...especially DDGM Official Visits. Our District Chairmen were enthusiastic and reinforced to the brethren the importance of Grand Lodge programmes and District events. Membership initiatives and attrition remain at the forefront of District concern. As in 2010-2011 where communities are growing - lodges are growing, and in rural areas - membership numbers

remain stable or are in decline. Lodges are becoming more adept at promoting interest in the Craft through community involvement and volunteer enterprises. Fraternity and community spirit continues to thrive in Bruce District through the many social functions, dinners, rib cook-offs, steak fry's, evenings dedicated to our significant others and cherished widows, curling and golf events for Masons and community members. Lodges with candidates continue to share their good fortune and have other lodges assist with degree work. Numerous 25, 50 and 60 year pin presentations in Lodge and at several Senior's complexes and homes. Visiting shut-ins and promoting reintroduction of absentee members back into Lodge has been a project.

The brethren of Bruce District gathered over \$4000.00 for Children's Hospital of London, due in no small part to District fund raisers, BBQ's, and an impromptu challenge at an Official Visit by one mason to who offered to shave his head for \$500.00. The brethren raised over \$1000.00 that evening. Our District theme "My Brother: My Friend" served children of the area well, as several MasoniChIP programs were organized and extremely well received.

The main challenges facing Bruce District include declining membership through attrition, and therefore a steady reduction in members prepared to take part in The Work during Degrees. Strides are being made to incite a desire to learn within each lodge. Continued use of the P&E Essentials, monthly Masonic Education and individual lodge mandates regarding memory work within and without the Chairs will ensure a positive evolution of The Work.

Being the Grand Master's representative in Bruce District has been the highlight of my Masonic career. I look to the future of Bruce District with excitement and anticipation of great things to come.

### **Eastern District – 16 Lodges**

**R.W. Bro. Dennis J. Tyrell**

Overall Masonry in Eastern District is doing quite well, our membership has declined slightly mainly due to suspensions, demits and Brethren passing GLA. On the positive side we have welcomed a good number of new younger candidates into Masonry. The new Brethren are showing great interest and dedication to the Craft.

We were very fortunate this year to have M.W. Bro. D. Garry Dowling attend three different functions in our District, the first event was the International Plowing Match in September 2011, which was held at Chute De Blonde near Hawkesbury Second was a daylight Lodge meeting on March 10, 2012 hosted by Hawkesbury Lodge No. 450 at the Ingleside Masonic Centre with the theme "Hands Across the Border". The Grand Master M.W. Bro Paul Mailhot was in attendance representing the Grand Lodge of Quebec, this event was very well attended and congratulations to Hawkesbury Lodge. On June 7, 2012 M.W. Bro. Dowling officiated at the amalgamation ceremony between Cornwall Lodge No. 125 and Corinthian Lodge No. 669 which formed Cornwall – Corinthian Lodge No. 125.

Most of the Lodges have been very active in community and district events over the past year. Our district functions include Divine service, Curling Bonspiel, Golf Tournament, District Ladies Night, Blood Donor Clinic and District Picnic. We also have individual Lodges who host there own Remembrance Day services, Robbie Burns nights and Ladies nights which are well supported by the Brethren around the district. We continue the MasoniChIP clinics, which are very important to have the exposure in the different communities to show the good work we do.

The DDGM'S project this year was continued on from the one that was initiated in 2010 – 2011 which was raising funds to help the four Hospital Foundations in our district. An extensive renovation at the Ingleside Masonic Centre was completed in January 2012 and the official opening ceremony was in April 2012, which was well attended by the community and local dignitaries.

It was and honour an pleasure to serve as the Grand Masters representative in Eastern District this past year and I would like to thank everyone for their support.

**Erie District – 8 Lodges****R.W. Bro. Paul M. Barber**

Masonry in Erie District ranges from holding steady to huge growth. The quality of work in every lodge is good or excellent and only minor improvements in execution or protocol are occasionally needed. Every lodge is financially sound and lodge buildings are either in good repair or undergoing improvements. The amalgamation of Parvaim and Central lodges is proving to be a success with several new members, through both initiation and affiliation, providing to be an encouragement to the stalwart, long-time members of the predecessor lodges. The two oldest lodges, Thistle and St. Georges, have had their hands full moving candidates through degree work while Pelee, the youngest, has enjoyed a large number of affiliations, principally from St. Thomas District.

Grand Lodge programs are in wide use. However, the interest expressed in the Cornerstone Project has yet to be translated into action. We can only hope that this will become an important focus of every Erie lodge in the coming year. Likewise it is hoped that the community presence of each lodge will take a higher profile, especially among the lodges that have had few or no new members this year.

The greatest success in Erie District is in digital communication. The district e-mail list has expanded considerably, allowing for wider and faster dissemination of Masonic information. The DDGM's weekly e-publication of events, education and motivational messages has been very well received. Publication of lodge summons by e-mail has increased dramatically and the prospect of every lodge engaging in this practice now seems realistic.

My recommendation to each lodge is to ensure that they have a Committee of General Purposes actively meeting throughout the year to constantly monitor the state of the lodge, plan for improvement, and set their sites to become a Cornerstone Lodge in 2013.

**Frontenac District – 16 Lodges****R.W. Bro. Roland A. Morrow**

It has been a pleasure and a privilege to serve as District Deputy Grand Master in Frontenac District.

During this past year there have been numerous celebrations: in early September, the Widows Sons Visited Royal Edward of Cataraqui No. 92; in November, Prince of Wales Lodge No. 146 celebrated their 150<sup>th</sup> Anniversary and in March of this year Union Lodge No. 9 turned 200 years young. The Masonic Anniversary Weekend celebration from May 25-27, included a Masonic Museum display, a lodge meeting and a ladies' program, followed by a banquet and a District Divine Service with a Sunday lunch. The brethren were most pleased to have M.W. Bro. D. Garry Dowling and Lady Wendy in attendance during the weekend. Presentations of significant long term Masonic service pins, investing Grand Stewards, and welcoming people to the Masonic tent at the International Ploughing Match were some of the highlights.

Visitation is one of the joys of Masonry, and would not be complete without the many Masonic breakfast, dinners, ladies' nights, birthdays, and pancake festivals, many of which I was accompanied to by my wife, Colleen. On a sadder note, the brethren have attended Masonic Memorial Services for our dearly departed brethren who have laid down their working tools.

There has been a revitalization of membership, with over forty new brethren joining Craft Lodges in Frontenac District. Individual lodges have held emergent meetings to address the increased applications. Many of these applications are directly due to Friend to Friend events and festive events in which the brethren participate.

The Masonic Association of Frontenac District remains very active in providing assistance to the District. I have been most fortunate as D.D.G.M. to have such a supportive management structure. We have, as in any family, experienced some bumps along the way. The district web site is undergoing some changes. With the electronic media, the long standing hard copy newsletter, Ashlar, has decided to take a rest.

As community outreach, many lodges offer bursaries and scholarships to deserving students. Individual lodges participate in children's fishing derbies, highway clean up, floats

in parades, laying wreaths at the local cemetery and cenotaph, donate their time and blood at Blood Donor Clinic, volunteer for and participate in walks and festivals for charity, donate time and money to support swim programs, relay for life, Special Olympics, and senior citizens' homes.

Lodges and individual brethren have given generously in support of the District Project, Juvenile Diabetes. I had the pleasure as D.D.G.M. to join a delegation as a cheque was presented to the Limestone District School Board for their Automatic Electronic Defibrillator program for schools as last year's District Project.

New this year was a Strategic Initiatives Workshop organized by R.W. Bro. Bill Bowick where brethren from throughout the district gathered for presentations, then were asked to visualize the future of Masonry and its timeless vitality in Frontenac District. A team then set about visiting each lodge to present findings and receive further input. Follow up activities are being prepared for this fall.

My journey shared with W. Bro. Craig Alderson, District Secretary, has been rewarding, fruitful, and extremely enjoyable. I thank each brother in Frontenac District for your intentionally inviting manner, and in particular, the brethren of Union Lodge No. 9 for their support. Colleen and I thank you for the warmth you have afforded us and wish you well in your Masonic journey.

### **Georgian North District – 10 Lodges**

**R.W. Bro. Robert W. Broom**

I wish to thank the brethren of Georgian North for making me and the District Secretary welcome at every visit this year and for their tremendous and warm hospitality. There is great enthusiasm for Masonry in this District and new members are joining at a phenomenal rate. I have had the opportunity and, indeed, the privilege, to speak to these men and have been impressed, without exception, with their intelligence and desire to serve. Most of the lodges are conducting the ritual well with one performing at quite a high standard and a couple that are struggling somewhat. I believe that with more practice these shortcomings can and will be remedied.

There was an effort begun a few years ago to increase the amount of Masonic Education at meetings and this has continued this year with positive results. When candidates leave the lodge room the brethren enjoy a brief talk about Masonic philosophy or history instead of calling off. Lodges in this district have been involved in County Fairs and Festivals where Masonic Information booths were set up, generating interest in the Craft and resulting in new members. The MasoniChIP Programme has enjoyed great support here in Georgian North and more sessions are being planned for the near future. We were able, due to the diligence and dedication of a couple of masons to get the Blood Donor Programme going again. I was pleased this year to see our web-site greatly enhanced by the inclusion of photographs and more detailed information.

Each year in June there is a Fraternal Visit with lodges from Carnegie Pennsylvania and this year our American brethren are coming to Orillia to exemplify a first degree. It is always great to renew old friendships and make new ones. On the same weekend many of us will enjoy the District Golf Tournament in Coldwater Ontario. This is always a lot of fun and is well attended by members from Georgian North and South Districts.

The District Project, a 2 year project, is for Camp Huronda in Huntsville Ontario. This is a camp for children with type 2 diabetes and we are pleased to have more than doubled what we had hoped to raise for the camp! Our Education Committee was busy this year conducting seminars that were well attended and very informative. Huronia Lodge No. 348 in Midland moved into a new location and was able to once again host a banquet before Lodge. In May we joined in with the congregation of St. Paul's United Church in Orillia for our District Divine Service.

I wish to thank the brethren of Georgian North for putting such trust in me this year. It was an honour and a privilege to serve them in this capacity. I also would like to thank the Committee chairmen for their hard work and dedication throughout the year.

**Georgian South District – 10 Lodges****R.W. Bro. John W. McKillip**

Georgian South District is situated in the South end of Simcoe County and consists of 10 Lodges situated in Barrie, Stroud, Creemore, Alliston, Cookstown, Beeton and Tottenham. We continue to enjoy the resurgence in interest in the Masonic order in Georgian South and have had approximately 40 Initiations across the whole District.

I had the honour of participating in the presentation of a 70 year, two 50 year and a number of 25 year membership pins along with a 25 year Past Master pin in various Lodges in the District.

The Lodges in the District are very active in Community events such as Festivals, Blood Donor Clinics, Highway Cleanup projects, providing School Bursaries, and support of local youth groups and other organizations in their communities.

Congratulations to the Lodges who are actively working towards achieving the Cornerstone designation this year. At least three Lodges have already completed all aspects of the program or are in the process of doing so.

We have held a number of Lodges of Instruction in the District this year and although the number of participants were not as high as I had hoped, nevertheless they were all well received. They covered various topics ranging from Degree floor work, Ceremony of Installation, Mentors Program, Cornerstone Project to the Masonic Memorial Service.

The District is very active with the MasoniChIP Program with four clinics being held this spring and summer. This is a great program to raise our Masonic profile in the community.

Our District Project this year is to raise funds for the Heart and Stroke Foundation of Ontario and the Southlake Regional Health Centre Cardiac Clinic in Newmarket. Our goal is to raise \$ 20,000.00 for these two good causes and we have held a number of successful fundraising events and with personal donations from our members we are on track to achieve or hopefully surpass this goal.

I would like to sincerely thank W. Bro William Walter, District Secretary for all his support, guidance and assistance over the past year. It has been a pleasure working and traveling with such a dedicated brother and good friend.

I would also like to thank the brethren of the District for all their support at the Official Visits and Installations and throughout the year at all the District events.

A final thank you to my sponsors V.W. Bro Robert Brethour and W. Bro. Richard Downey for their continued support throughout my Masonic career for without it I wouldn't have achieved the position of DDGM and enjoyed the best year of Masonic Career thus far.

**Grey District – 12 Lodges****R.W. Bro. Stephen M. Doney**

Grey District had a very good Masonic year. There was a lot of visitation and fellowship in the district. Some of the lodges that have been struggling have had some improvement. Most of the lodges in the district are rural lodges and their communities have not grown for a number of year. A couple of communities have some building of new subdivisions and thus they expect some population growth in the near future. We have 916 members in the district which is down from 950 in 2010. The district had 23 members pass to the Grand Lodge Above this year.

My visits this year included my official visit, a fraternal visit to each lodge and installations. I saw at least one degree in each lodge and the work was performed very well. Some of the Masters had their books open, but most were well prepared and so were the officers. A Lodge of Instruction was held for the district that included an overview of the 3 degrees and some of the changes that have been made. We also had a Lodge of Instruction for the Secretaries, Assistant Secretaries, Warden and Masters. We invited Wellington District to participate with Grey and we had 40 Masons in attendance.

There were lodges that took advantage of Grand Lodge programs such as Friend to Friend and Masonic CHIP program, but most were running on a small number of members who were active in the lodge and thus could not take on any more than what they are doing.

Some lodges are doing community programs and there was a increase in attendance at District events such as Grey District Ladies Night. The problem with visiting in the district is that the younger brethren are working and share family responsibilities and therefore find it difficult to do more than the one night a month meeting. Most lodges do not have a finance or long range planning committees due to a lack of people to sit on these committees. There is also a need to increase the dues in some lodges.

The biggest recommendation that I have right now is to put together a Grey District Long Range Planning Committee. This will bring a select group of current and future leaders in the district together to address the future of the lodges in the district and the district as a whole. We are certain that we can grow and be financially viable, but it is going to take some planning and implementation of those plans to make it all work. Grey is also fortunate not have had any lodges go dark.

### **Hamilton District A – 14 Lodges**

**R.W. Bro. Nick W. Ellis**

The overview of the condition of Masonry in our district continues to be healthy. The relationships of the 14 lodges convey a strong genuine feeling of camaraderie among the brethren enjoying each other's company and enjoying what each do. All Official Visits have been completed with two Installations remaining in June. The overall membership in the district is 1,310, a decrease of 27 or 2% from last year. Demits and suspensions accounted for about 45% and the balance of change was brethren passing to GLA. There continues to be a strong resurgence in the interest of Freemasonry in the district. Lodge trestle boards for the month of May shows 16 candidates awaiting initiation and 217 degrees to be conferred in the district.

In January, Newly Installed Masters and four Senior Wardens attended a half day "Worshipful Masters Orientation Session" to better understand the requirements in office, expectations, duties, leadership and administration. Manuals were provided and numerous publications were forwarded electronically for them to create their own reference library. Publications received electronically from Grand Lodge were forwarded to the brethren with e-mail addresses. The new members welcomed the communiques and hoped transmittals would continue.

For a second consecutive year Oakville No.400 was awarded the distinction of a Cornerstone Lodge. Recipients of long service Pins were five 60yr., thirteen 50yr., one 40yr., four 25yr., and two Past Master 25yr. One Bursary on behalf of The Masonic Foundation was presented to a student at the Davis Campus.

The Charity of choice was MasoniChIP Program and \$3,175 was raised in partnership with The Masonic Foundation Ontario, Project No. 2451. Clinics were held in Burlington, Oakville, Milton and Campbellville areas and several more clinics are scheduled before the end of the year.

The six Temples in the District are managed by Boards or Corporations. Financially, the lodges in the district are sound and long range finances are monitored. Grand Lodge of Instruction was held for Hamilton A B C and Brant District. Lodge Masters need to impress upon the Wardens and Deacons to attend these seminars where the most benefit will be gained.

The Fall Divine Services was held at The New Nativity Anglican, Hamilton. The Spring Divine Service was held at the Carlisle United Church, Carlisle. Both events were a great success with over 280 attending, represented by Hamilton Districts A B C.

I thank each and every brethren for the support making this a fun year. It has been an honor and pleasure serving as District Deputy Grand Master, representing The Grand Master, in Hamilton District 'A'.

**Hamilton District B – 12 Lodges****R.W. Bro. Louis M. Domjan**

The condition of Masonry in Hamilton B District is good to very good and in a few cases excellent.

Quality of work and protocol is very good to excellent. Participants take pride in their work and Worshipful Masters are encouraging newer members to take on ritual work with much success.

There were 44 initiations and 9 affiliations with most attending regularly. Average member attendance at regular meetings was over 22. It is particularly satisfying to see how well so many Lodges in our District work so well together to ensure the timeless vitality of Freemasonry in Ontario.

All 12 Lodges are financially sound. 8 of the 12 Lodges utilize a Long Range Planning Committee, however only 4 have a written plan. Lodge interiors are well maintained and clean. Exteriors are well maintained and illuminated with adequate parking. Lodge furnishings and regalia are in good to excellent condition. Banquet facilities are well maintained, spacious and clean.

12 Lodges mentor new members and officers, however only 9 Lodges have a Mentor Committee. Only 4 Lodges use the Friend-to-Friend Programme. 6 of the Lodges use the Brother 2 Brother Programme.

Lodges are very involved in the community through regular donations of time and money. The District has an excellent Blood Donor program which is highly rated and recognized by Canadian Blood Services. There were two Divine Church Services.

The District Benevolence Project is "You CAN make a difference" with 12 major food drives at each Official Visit to fulfill an increasing need within our communities.

One recommendation is for Lodges to strengthen their visitation and social programs. I also recommend Lodges carefully consider what they can do to better serve the needs and desires of their current and future members.

In closing I thank the District Lodges, their officers and members for providing me with such a wonderful opportunity to serve such a great District. I also thank the many dedicated members of our District Team and Grand Lodge for their strong support and guidance.

**Hamilton District C – 14 Lodges****R.W. Bro. John K. Johnston**

Hamilton District 'C' is continuing to grow with a resurgence in the younger members starting to take a greater interest in the running of the lodges and the work involved in this. The enthusiasm and expertise of the Worshipful Master has been a great asset in keeping the District on an even keel.

Education has also increased with many of the Lodges taking time at each meeting for a time of "Masonic Education" This has been well received by the brethren as they are being instructed.

The overall membership went down by 2% from 1139 to 1111 and this can be attributed to losing a few members to Grand Lodge above, and suspensions. It is encouraging to see that the trestle boards of the lodges are quite full and many degrees are being performed both at regular and emergent meetings.

As of June 1<sup>st</sup> all of the official visits have taken place and there are 4 Installations remaining to be carried out. I had asked that the bar be raised in regards to the "Work" and it was obvious in the ritual and the floor work that this was accomplished.

The District charity this year was the Hamilton Wentworth Chapter of Autism Ontario and the support from the brethren was tremendous. It was important that the awareness of this terrible disorder was increased and that the district was able to assist these dedicated people to achieve some of their goals.

The brethren of District 'C' also stepped up to the plate in that there was a total of 1,341 units of blood collected for the Canadian Blood services. This was the largest number of units donated in the last 20 years. The plan are in the works to amalgamate with District 'B' on this event to enable us to better serve the community and increase the units donated.

There was a 3 District Memorial Service held November 2011 in the Scottish Rite Cathedral, and was well supported by all lodges. It is hoped to make this an annual event as well as the 1<sup>st</sup> District 'C' Picnic to be held in June.

I had the pleasure of presenting several 60 year and 50 year pins throughout the year. It is rewarding to see the dedication of these brethren to our wonderful Fraternity. It was highlighted by the presentation of the 50 year Jewel from Cherryvale Lodge, Belfast. Northern Ireland and the Grand Lodge of Ireland to V.W. Bro. William Stanfield, and also him having his family and many friends present.

We had a Grand Lodge of Instruction held on September 27, 2011 which covered the ritual in the 3 degrees. This was attended by over 100 brethren. A deacons Floor work seminar and Officers Progression seminar were held and very well attended. On February 25, 2012 the Grand Master M.W. Bro. D. Garry Dowling and the Deputy Grand Master R.W. Bro. Donald A. Campbell attended a Town Hall meeting in the Stoney Creek Temple and from all reports it was a tremendous success.

I would like to personally thank the masons of Hamilton District 'C' for allowing me to serve as District Deputy Grand Master and also my wife Ann for her continued love and support.

### **London East District – 16 Lodges**

**R.W. Bro. Bradley D. Fickling**

The Condition of Masonry in this district continues on a solid foundation, but with minor differences in ritual and protocol depending on active membership and time allocated for rehearsals. Overall, the degrees and installations presented were performed in a manner consistent with Grand Lodge expectations. A historic and memorable event was recorded when more than two hundred Masons met together in open Lodge at Kilwinning Lodge No. 64 with the Grand Master of the Prince Hall Lodges and our own Grand Master of the Grand Lodge of Canada in the Province of Ontario. The London East District continues to support a new Master's orientation program and provides guidance and instruction on lodge management, protocol and etiquette. There have been thirty-five new masons initiated in the last Masonic year.

There were two excellent presentations made on Grand Lodge Programs, a Lodge of Instruction and a Lodge Resources Committee presentation. The regular publication of the Protocol and Etiquette Issues was also widely distributed electronically throughout the district. These programs do seem to have had an impact as most Lodges have reported an increase of their use compared to previous L2 reports submitted in previous years.

The district project, "Coats for Kids", donated more than 200 items of winter clothing to charities. Participation in the Veteran's Memorial Highway cleanup, Remembrance Day Ceremonies, MasoniChIP Programs, and a District Divine Church service increased the public awareness of Freemasons. Many of the lodges Ladies Nights, dinners, breakfasts and picnics were also open to friends of Freemasonry to attend.

Nine of 16 lodges report having a long range planning committee, but only 3 of the 16 actually have a written long range plan in place.

Recommendations for improvement would be to request a long range planning seminar from Grand Lodge to assist in developing the written long range planning process. I also recommend that the Masonic web site for the District and those developed for any lodges should be in accordance with the standards set by the newly improved Grand Lodge web site.

### **London West District – 12 Lodges**

**R.W. Bro. William Booth**

The ritual for the most part in London West has a very high standard. With the Past Masters encouraging the Lodge officers during the many practices of the year. Thought my visits to the lodges in the district, I could not help but be impressed by the attention and detail paid to floor work by the brethren. Brother to Brother is also ver evident in the Lodges. There is one Lodge has taken the Brother to Brother and Mentor program to the highest degree and have set a shining example for other Lodges to follow.

During the year every lodge in the district experienced a resurgence of new members applying to join. It was not uncommon to read a lodge notice where one, two or more applications were received. To date over 45 initiations have taken place with applications still pending reports so it would appear from the number of Initiations that there is a keen interest in the fraternity in London West. This is evident by the young officers in the chairs of most lodges. Hopefully the days of Past Masters occupying chairs are behind us.

During the year two lodges in the district amalgamated to form Harmony Lodge No. 388 and from all indications they are becoming a very strong vibrant lodge where harmony prevails. Recently they initiated a new member with a team of former members of the order of Jacques Demolay.

In a joint effort between London East and London West Districts a campaign was conducted to raise "Coats for Kids" with over four hundred items being donated to various charities for disbursement on behalf of the Freemasons of both districts. Every lodge in the district participated and is commended for their efforts.

Numerous 50 and 60 year pins, widow pins, Lewis Jewel presentations were held in the district during the year and I am very proud of how well each lodge honoured the recipients by ensuring they were the most important person in the room. Masonry is alive and well in London West.

#### **Muskoka-P Sound District – 8 Lodges**

**R.W. Bro. Stephen R. McIntyre**

It has been an honour and a privilege to serve the masons of this district. I will be eternally grateful for this opportunity. There have been many highlights during this year. From the Grand Masters fraternal visit to Powassan Lodge, to the resurrection of a curling funspiel and many more in between. There have been over twenty new members join our great fraternity, with at least half a dozen more applications to process. All new members received a Masonic lapel pin and the Grand Lodge Resources, Practical Guide for the New Mason booklet.

The work in the ritual, has been very good this year, with many new members taking part admirably. The overall attendance at lodges seems to be lower this year. Hopefully with many lodges looking to enter the Cornerstone program attendance will again rise.

I had the honour of presenting two fifty year pins and two sixty year pins. The lodges of this district are strong in ritual, protocol and community involvement.

Several lodge are trying new events to raise the profile of Masonry. From breakfasts at senior centre's to Christmas dinner prepared by the local High School. I hope that this trend will continue and grow.

Unity Lodge was a gracious host for a lodge of instruction this year which was very well attended. They also hosted the Grand Lodge resources team for a presentation of Retain Revitalize and Renew. All lodges were represented and will take this information back to strengthen their lodges. This year the District project was Parkinson Society. The local Society representatives gave a very informative and moving presentation on this disease, which touches the lives of many of our members.

I wish to express my appreciation to those brethren who joined me on my official visits and installations and supported me throughout my year. My sincere thanks to our District Secretary, W. Bro. Terry Taylor for all his work in making this a most enjoyable year.

#### **Niagara District A – 15 Lodges**

**R.W. Bro. Joseph M. Zoccoli**

As the 2011-2012 year nears the end, Freemasonry in Niagara 'A' District is strong and doing well. The brethren of this District are committed and enthusiastic Masons who are accepting the revitalization of Freemasonry.

Some of the Lodges are struggling with declining membership, but as a District we are directing our energies towards these Lodges. Masonry in Niagara 'A' District is well-received in our communities, as the Lodges are involved in various charities and local events.

There has been an influx of young dedicated men in the past couple of years who are bringing life back into Masonry. They have new and innovative ideas and are committed to seeing projects through. We have committed to high quality ritual and that hard work is paying off. We have seen a great improvement in most Lodges and these younger members are taking on the bigger parts.

I have focused this year on breaking the 'status quo' mentality that has been prevalent throughout Masonry. There is always a little push back when change is presented. It is, however, slowly being accepted as we move forward. Through quality education and mentoring, we can offer the new Mason a chance to learn proper ritual, protocol, and etiquette in a controlled environment with proper explanation as to 'WHY' it is done like this. With this knowledge, the new Worshipful Masters and their Officers have a wide open road to take their Lodges forward, with new and innovative ideas. We had a couple of very exciting events that took place in the District to illustrate this. Some examples are: a proper Festive Board, Ladies Nights, BBQ, golf tournaments, children's Christmas parties. These events brought families and children out to make new friends and rekindle old acquaintances. With people's time in such short supply these days, these quality events give the whole family a place to go and relax. I feel this is critical going forward, as there are many options for families to choose from.

The winds of change are in the air and it is refreshing and exciting to be part of the revitalization of Freemasonry in Ontario. With great leadership from Grand Lodge and a committed and energetic membership, the future looks bright and I, for one, am glad to be part of it.

#### **Niagara District B – 11 Lodges**

**R.W. Bro. Larry Williams**

It is my distinct pleasure to report that Niagara B is in many respects the epitome of a small district doing great things; however without looking inward and implementing positive, informed change, there can be no progression. At this point, it is recommended that each Lodge utilize the Long Range Plan developed by this year's Chairman – which has been developed as an easy –to-follow guide, and look towards the future sustain ability of the Craft.

With the implementation of the Long Range Plan comes a forecasted increase in membership. A survey of Brethren present during official visits suggested that lack of attracting a new membership base is a challenge that needs to be mitigated. Accordingly the Long Range Plan was developed with this objective in mind. It is anticipated that if each Lodge implements such a plan, new membership will increase; and therefore a proactive approach to retaining new and old members and fostering an active membership base will be required. As such, there should be precedent placed on B2B programs and Mentorship Program.

Importantly, it is strongly felt that regular Lodge of Instructions should be held in order to prevent new members from feeling alienated from other members due to a larger learning curve. A more informed and knowledgeable Mason will have the confidence to take upon himself more responsibility in the initial years of his Masonic Career – and in doing so create a self-perpetuating Lodge of ambitious young Masons.

It is also believed that a continued implementation and promotion of Grand Lodge Programs is essential to the long-term viability of the District, as our most successful Lodges continue to demonstrate the utilization of said programs.

It is likewise recommended that for each official visit, the Masters travel with their Junior and Senior Wardens in order to prepare them for their future duties in the coming years. This will improve upon our already exemplary rate of inter-Lodge attendance during district visits and Degree Work. Truly the vast improvement (an increase of 40%) of inter-Lodge attendance during the official visits cannot be understated.

Additionally, it is the goal of this DDGM to contribute directly in the coming year by visiting each Lodge one month prior to each official visit in order to ensure that all officers are comfortable of the upcoming proceedings and each subsequent official visit is carried

out smoothly. If the strong improvements this year are any indication of the future of Niagara B, surely this is an exciting time for the Craft in the Niagara Region.

### **Nipissing East District – 7 Lodges**

**R.W. Bro. Dusan Mihailovic**

Nipissing East District consist of seven lodges, four in the south in North Bay and Sturgeon Falls and three in the north in Haileybury and Elk Lake. All the lodges are financially sound and they own their lodge buildings with the Masonic Building in North Bay being operated by a Temple Board and housing three lodges.

As in most lodges in the Province every lodge in the District has a core of highly motivated Masons who run the lodge affairs. Except for two lodges in the north, large number of general membership in the other 5 lodges participate to a various degree in the lodge activities. This year has been very busy and rewarding and the District Secretary and I visited every lodge at least twice usually accompanied by a number of brethren from other lodges.

The highlight of the year were two visits by our Grand Master, one in the fall to present a William Mercer Wilson medal to a brother from the North Bay Lodge No. 617 and the other one in the spring for a "town hall" type of meeting in Sturgeon Falls Lodge No. 447.

I was privileged to participate in the presentation of one 50 year pin and two 60 year pins. Silver Lodge No. 486 in Haileybury hosted a Lodge of Instructions in September and our District's Annual Divine Service in May was held in the Calvin Presbyterian Church in North Bay and was well attended. There were also two widows luncheons held in North Bay, one by the North Bay Lodge No. 617 and the other by the Nipissing Lodge No. 420.

The participation in the Grand Lodge Programmes varied from lodge to lodge with MasoniChip Days being organized in just about every community by the local lodge. The brethren from different lodges took an active part in them. The Nipissing Lodge has fulfilled all the requirements for the achievement of Cornerstone Lodge with some other lodges intending to follow their example in the future.

Membership still remains a problem in our lodges as elsewhere and the lodges are actively considering various ways to give Masonry a higher profile in the communities as well as motivating the passive members to attend lodge meetings. This year every lodge had new initiations and we hope the next year will be even better.

In closing I am pleased to be able to say that Masonry in our District is alive and well.

It has been a great pleasure and privilege for me to serve my brethren as their DDGM in this year and I thank them for bestowing that honour on me. Their warm receptions and generous hospitality I received wherever I went are greatly appreciated.

### **North Huron District – 10 Lodges**

**R.W. Bro. Ronald M. Duncan**

The Condition of Masonry within North Huron District during 2011 and 2012 was as varied as in recent years. One Lodge St. Johns Lodge No. 284, Brussels, amalgamated with Wingham Lodge No. 286 thereby reducing the number of lodges in the District to ten. Another Lodge, Old Light Lodge No. 184, Lucknow is preparing to go dark in the very near future. Quite a few degrees were done in a number of lodges, with Northern Light No. 93 Kincardine being the most active. The work carried out was varied from excellent to fair. Many Lodges have the senior positions filled by PM's.

All Lodges participated to some extent in the Blood Donors clinics with a total of 2490, which did not include one lodges contribution due to Secretary not being available to present the totals. Four Chip programs were carried out in the district with four lodges having one each.

We had two major events in the District with the District Curling Bonspiel in March and the Grand Masters Reception in May. The annual Past Grand Lodge Officers degree night in Fordwich was well attended and enjoyed as usual. The Annual Divine Service was held in Knox Presbyterian Church, Tiverton, and was also well attended with the Grand Chaplain R.W. Bro Jeff Hawkins conduction the sermon.

I attended every Lodge in the District a number of times and observed degrees in most of them. A number of 25-year pins were presented and also a 50-year pin. Masonic Education was presented during many of these visits. A few lodges are preparing to participate in the Cornerstone Project next year which should help lodges become better prepared.

I feel the greatest strength in the District is the fellowship found when ever you visit a lodge. One is always made very welcome by all the Brethren, making one feel that the visit was worth the travelling.

### **Ontario District – 15 Lodges**

**R.W. Bro. Douglas E. Galt**

The Masonic year 2011-2012 has been a year of change in Ontario District. Congratulations to the Masons that have welcomed innovation and have made a positive difference for the brethren of our District. Although we belong to an organization with ancient roots, to enable us to move ahead with the current needs of society, it is necessary to embrace and welcome change without disturbing our Ancient Landmarks.

During this year the brethren of our District have promoted a new visitation program, table lodge, newsletter, different format for the Grand Master's Reception and a tour of the Dog Guide Centre (the district charity project). The Web Site has been upgraded and a District Photographer has attended all district events and has posted the photos on that Web Site. During the year, on a five day a week basis I have emailed to the district a motivational thought of the day called "Make Their Day." I have been pleasantly surprised with its success.

A large number of the brethren and their wives attended and enjoyed the 150<sup>th</sup> Anniversary of Lebanon Lodge on October 1, 2011 and the Grand Master's Reception held on May 4, 2012. The Gala in March was a great success with a sellout crowd which raised close to \$4,000 for the District Charity Project.

The little Salem United Church was filled to capacity for the Divine Service. M.W. Bro. Raymond S. J. Daniels held the brethren spellbound for over an hour at a Lodge of Instruction held in late February and M.W. Bro. Allan J. Petrisor, in early February, capably assisted with the Initiation of a Past International Director of Lions Clubs International.

The Ganaraska DeMolay Group held their Installation on January 15<sup>th</sup> with over 80 members, Masons and guests in attendance. Our District Pipe Band is growing and has performed at the 150<sup>th</sup> Anniversary of Lebanon Lodge, the District Divine Service and the Grand Master's Reception.

Thank you to all of the brethren in Ontario District and particularly to the brethren of Colborne Lodge No. 91 and Maple Leaf Lodge No. 119 for your enthusiastic support during this past year. Congratulations and best wishes to our DDGM 2012-13. I look forward to assisting him and our District in the future.

### **Ottawa District 1 – 15 Lodges**

**R.W. Bro. Anthony C. St. Dennis**

Out of fifteen lodges in Ottawa District 1, there were four master sitting for a second term. Two others had previously held the office, one in his own lodge, the other, an affiliate. The quality of the ritual work in every lodge was very well done. The masters are all organized and well skilled in the running of their lodges.

I visited each lodge in the district at least three times during the year, failed by one. Doric Lodge No. 58 meets the same night as Mississippi Lodge No. 147, my mother lodge. Protocol during my official and fraternal visits to all lodges was exemplary.

To this date, the lodges have reported 51 initiations and 14 affiliations. Total current membership reported is 1814.

Three lodges still offer life memberships. The district has a total of 203 life members. Arrears of dues 12 months or more is 65. This being said, all lodges are reporting finances in the black.

All but two lodges claim to be making use of the Mentor program. Nine are using the Friend to Friend and eight use the Brother to Brother. Here I say "claim". My suspicion is

that most don't use these programs due to the fact that the district chairman has only received five reports from "participating" lodges.

There were two Mentor, B. to B., F. To F. and Cornerstone seminars held for both Ottawa Districts, one conducted by the District 1 Chairman the other by Grand Lodge. In both instances, there was a rather poor attendance.

Half the lodges in this district are involved in community projects which include participation in remembrance services, Lodge tours, High School bursaries, pan cake breakfasts, Christmas parades, Christmas parties for underprivileged children, blood donor clinics, food bank assistance, barbecues and dinners, trophy presentations at summer fairs, and supplying clothing to young men in need. All Lodges invite their "special ladies" to yearly Lodge events taking place.

A year ago, the district adopted a nine point long range plan which was off to a good start, however this year, the plan appears to have fizzled out. All but two lodges are using a long range plan. All but two other lodges are directed by either a Temple Board or a Corporation.

I recommend revitalization of the long range plan in this district. Get it back on track. Attention to having lodges commit to USING the Grand Lodge programs. Clean up the backlog of dues in arrears. Visitation is an asset in the educational process of the individual Mason in making a daily advancement in masonic knowledge.

#### **Ottawa District 2 – 14 Lodges**

**R.W. Bro. Philip S. Easterman**

The highlight of the year was the District Devine Service held in conjunction with Ottawa District 1 in Almonte ON. The Devine Service was very well done and attended by tow hundred and forty six members and their families.

I visited every lodge in my district three to four times this year. On my official visits I was received using proper protocol and etiquette and the degree work for the most part was excellent. On my other visits I spent my time speaking with our newer members and younger officers to attain their views on Masonry and their Lodge in particular. The sentiment from most with was that they liked the formal setting of the lodge, the degree work completed in it and most looked forward to completing work in the lodge.

The major concern of these younger members was that they were very busy in their business and personal lives and that the older lodge members were suspect of their commitment to our fraternity. Some of these brethren had entered the chairs of their lodge and some were thinking of it, but some had dropped out due to the pressure that they felt from other lodge members on not been able to be there all the time and the quality of their work.

The condition of masonry in Ottawa District 2 can be described as variable. Some of the Lodges are in great shape with excellent attendance and participation all members in lodge work, management and with social and educational events. There are still a few of the lodges where past masters refuse to change or the transfer of control of the lodge to the younger members as they become competent. The lodges as a hole are putting a high priority on education.

I still have concerns with our country lodges as these lodges have become bedroom communities.

There is also one lodge that will be in darkness in the next few years if great changes are not made to attract new members and retain older ones. The brethren of the Lodge are aware of the problems and have started looking to amalgamate with a strong lodge.

It should be noted that most of the lodges now have a long range committees.

#### **Prince Edward District – 13 Lodges**

**R.W. Bro. Leonard G. Bedford**

It has been a great year in Prince Edward District. I would like to take this opportunity to thank the members of Lake Lodge and all members of Prince Edward District for their support. We are still experiencing an influx of new members in the Lodges, but unfortunately we have had a number of deaths of our older members. My condolences are extended to their families and Lodges.

Attendance at the Official Visits and Installations has been excellent with support from not only District Chairmen and Masters but the membership in general. Attendance at all regular meetings has been good with a few exceptions.

Prince Edward Lodge achieved their Cornerstone designation for the year and it is expected that this will continue with more Lodges of the District taking part and achieving this certification.

W. Bro. Jack Hellberg is to be congratulated for his "District Events Calendar" and the development and implementation of a District Directory of contact information of all Lodge Officers for all Lodge Officers in the District.

My thanks are extended to W. Bro. Jack Hellberg, Bro. Peter Molenkamp and the participating Lodge Reporters for their efforts in acquiring, submitting and maintaining up to date and pertinent information on our District Web Site, a job well done.

W. Bro. Don Clare and Frank Lodge are to be congratulated on the initiation of Don's two sons with their grandfather W. Bro. Ivan Clare (a 60 year members of Madoc Marmora Tweed Lodge) conducting them through the initiation as Jr. Deacon, a memorable event in the history of Frank Lodge.

I have had the honour of presenting several long service pins (Sixty, Fifty, and Twenty Five year pins) all of which were gratefully and humbly received. It was also a pleasure to present several new Masons with a Masonic maple leaf pin. It was also privileged to present some of the Masonic Foundation bursaries presented to sixteen students at Loyalist College totalling \$15,300.00.

During the past year the Past Master, Masters & Wardens Association and several Lodges have held Ladies nights and other functions at which funds were raised for the District Project "The Journey of Hope" (Transportation of children to Shrine Hospitals) and local Lodge Projects.

It has been a great honour representing the Grand Master, M.W. Bro. D. Garry Dowling for the past year, my best wishes are extended to those who follow in my footsteps and I trust that the members of the District will support them as they have supported me.

### **St. Lawrence District – 17 Lodges**

**R.W. Bro. Ronald P. Cross**

I would like to thank the Brethren of Lyn Lodge No. 416, the Brethren of St. Lawrence District and the Grand Master for the privilege of serving as DDGM. Although I am almost out of steam, I have enjoyed my year and will remember this year as a memorable one in my Masonic journey.

The Brethren of St. Lawrence District are very supportive of all Masonic events. At the District Divine Service in November, Brethren filled Christ United Church Lyn.

Many Masons in several locations throughout the District participated in wreath laying on Remembrance Day.

The Blood Donor chairman had two very successful clinics. This year many Lodges held ChIP clinics. It is still a challenge to get accurate information about this worthwhile programme out to the public.

The chair of Masonic Education and Officer Instruction had a busy year visiting thirteen Lodges which generated numerous questions and provided new learning for everyone involved. This programme needs to continue to provide continuity within our Lodges.

There are still three district events to take place before the year is over. They are the District Golf Tournament, Quarry Lodge and the family day picnic all to raise awareness and funds for the local food banks.

The Golf Tournament will be a fun day.

The Annual Quarry Lodge is 12 years old and is always an enjoyable weekend.

The family day picnic is a wrap up of the charity fund raising. I am so proud of the support and generosity of the Brethren of the District towards the nine food banks that we are supporting. In my talks this year I have stated many times that in this great country of ours it is a shame that we have to have food banks. But, they are necessary to give a helping hand to many in need. I sincerely thank the Brethren for their efforts (volunteer time, building shelves and storage sheds, food collection, donations etc.) in support of food banks.

Twelve Lodges (10 teams) were represented at the annual Masonic quiz. This event is becoming more competitive as some Lodges have teams that study and practice throughout the year.

In closing I would like to recognize the skill and efforts of the new Masons that I have met and observed this year. The future of Freemasonry in St. Lawrence District will continue to be in competent hands.

### **St. Thomas District – 10 Lodges**

**R.W. Bro. T. Bilardino Segui**

Freemasonry in St. Thomas District is in fair condition. Of the ten lodges, seven have first time Masters, but most are still utilizing Past Masters and affiliated members in the line chairs. A few of the lodges have begun to feel out some of their younger members in an attempt to encourage them to take an office. Deaths, suspensions and demits continue to outnumber initiations. Eight lodges have been busy with initiations and degree work. 2 lodges did not have any initiations during the year.

Two lodges are attempting to complete the requirements for the Cornerstone Project.

The degree work in the district is satisfactory, Brethren from sister lodges are often stepping forward to assist with the work. One lodge required having several degrees farmed out to other lodges, as they were getting backlogged and concentrated on doing the first degree.

The lodges mentorship program is working well, as all candidates for advancement have been very proficient with their work.

I had the privilege of presenting several fifty year and twenty-five year membership pins.

All ten lodges appear to be in good financial shape, with several having recently raised their dues structure to reflect the increased costs of operating. The three St. Thomas Lodges and Port Stanley are going together to purchase a building on one floor and hope to have possession by the fall of 2012. This action is hoped to assist in meeting future provincial legislation in regards to accessibility.

The brethren are active with blood donations and have also planned several MasoniChip programs for the district in various locations.

The St. Thomas District Masonic Foundation continues to support the Tatem Blackwell Fund and has started a second fund for eleven-year-old James Dunn of Wallacetown. This young boy lost his leg, above the knee to cancer. The 10 lodges and the District finance committee raised in excess of \$12,000.00 for the fund.

The Official visits were well attended throughout the district and I was privileged to have several neighbouring DDGM's attend the official visits also. I attended several neighbouring districts and was warmly received each time. St. Thomas and Sarnia Districts continue to exchange a traveling gavel between the two DDGM's at official visits and the gavel changed hands six times during the year.

I wish to thank the District Chairmen for their support and attendance, with a special thank you to W. Bro. James MacIntyre for his tireless work during the year.

### **Sarnia District – 15 Lodges**

**R.W. Bro. J. Douglas Hoelzli**

Freemasonry is doing well in Sarnia District. We have seen over 30 new members this past year, with most of our 15 lodges contributing to this number. As well, many of these new brethren are younger men, which is important in maintaining our long term viability. Visitation has been tremendous this year with the brethren enjoying the fellowship that occurs as a result. I'm encouraged to see that degree work, for the most part, is being done well. However, some lodges can do better. I have recommended that regular practices and a focus on mentoring for our new members can help to correct this problem. I have stressed that it's important that we take pride in our ritual and set a good example for our new members to follow.

Most of our lodges are financially sound, but some are facing challenges. Demographics are changing and we may need to have some amalgamations in the future. I have been actively promoting the Cornerstone Project this year and I'm pleased to say that we have

three of our lodges participating. There is great potential in this program and I'm sure that the experiences of these three lodges will encourage the others to participate.

We celebrated the 150<sup>th</sup> anniversary of Burns Lodge in October and presented several 25 and 50 year pins throughout the year. In April, we were honoured to hold a Town Hall Meeting with the Grand Master that saw a good turnout of brethren from the district. Several issues were brought forward, and the brethren I spoke with afterwards said they appreciated being able to meet with him in a less formal atmosphere to engage in a frank and open discussion.

Overall, it has been a great year in Sarnia District. I would like to thank the brethren of Sarnia District for their support and for allowing me the opportunity to serve as District Deputy Grand Master. It has indeed been a great honour and a part of my Masonic journey that I shall remember always.

### **South Huron District – 11 Lodges**

**R.W. Bro. David A. Cousins**

There were several significant events that took place in South Huron District over the past year.

The Grand Master attending Tecumseh Lodge's sesquicentennial celebration in November was definitely a night to remember. The history surrounding the lodge's namesake was both enlightening and enjoyed by all.

The District Warden's night held in St. James Lodge was well attended and the camaraderie within the District was enhanced by the event. Having the Grand Senior Warden in attendance was appreciated and enjoyed.

The traveling gavel proved to be a source of both fun and fellowship. Several 25, 50 and 60 year pins were presented and it was a tremendous honour to be present.

These milestones are a testimony to the dedication of great men to the institution of Freemasonry.

The Lodges of South Huron District conducted many degrees and I look forward to seeing the brethren progress in the Craft.

Sadly, there were several Masonic Funeral Services to attend to as well.

I would be remiss if I did not mention tornado that tore through Goderich late last summer. In true Masonic fashion, the brethren of Morning Star Clinton Lodge immediately offered the use of the Lodge building in Carlow as long as needed. The lodge building in Goderich was extensively damaged, and appeared beyond repair. The Master, Officers and brethren of Maitland Lodge have helmed extensive renovations. The District Secretary, District Senior Warden and I attended an open house in May. While the finishing touches are yet to be completed, the efforts of the Maitland brethren have paid off. Good job, well done.!

Overall I have found the ritual, floor work and enthusiasm for Freemasonry is improving steadily over the year. The brethren, who assisted me from every lodge and of every rank, have proven that Freemasonry is alive and well in South Huron District.

I would like to thank the brethren of South Huron District for allowing me to be the Grand Master's representative and I will always be truly humbled by the experience.

### **Sudbury-Manitoulin District – 9 Lodges**

**R.W. Bro. Saliem J. Khoury**

My greatest honour and privilege has been to serve as District Deputy Grand Master for Sudbury-Manitoulin District. My sincere thanks to all Brethren for their assistance and support which has made my year extremely enjoyable.

Some highlights of my year as DDGM are: (a) Receiving the Grand Master on a Fraternal Visit to our District and accompanying him to visit Sturgeon Falls Lodge No. 447 in Nipissing East District. (b) Attending the 100<sup>th</sup> Anniversary of Porcupine Lodge No. 506 in Temiskaming District and the Installation at Penewobikong Lodge No. 487 in Algoma East District. © Presenting Brother G. Loughheed Sr., at his home, with his 60 Years a Mason Pin. (d) Attending the 70<sup>th</sup> Wedding Anniversary Celebrations for V.W. Bro. W. Ashick and

his wife Luella. (e) For the first time in our District we had two Feedback/Communication Meetings, one in Sudbury and one in Little Current, both of which were well attended. The focus of these sessions was based on my observations the Work and Protocol during my Official Visits. There have been 24 initiations to date.

1. The printed word makes life much easier. A current Book of the Work enables Officers and Brethren to complete Degrees well and to follow Protocol. Masonic Memorial Services have been done to perfection.

2. Applicants should be clearly informed of the memory work, time away from families and financial obligations which are important considerations.

3. The finances of the District Lodges appear to be sound and there have been no amalgamations.

4. Grand Lodge Programmes are actively being used.

5. The Java Guild welcomes Masons and non-Masons for lunch and fellowship every Tuesday. Our District Newsletter, Website and Tracing Board are widely used by the Brethren to improve communication. The annual Veteran's Appreciation Night, hosted by various lodges, invites Brethren and the community at large to attend.

6. Several lodges have Long Range Plans that they are implementing. The district Long Range Planning committee has prepared a plan that is available to all District Lodges.

7. Senior members should always use current Grand Lodge materials and not rely on their memories to present work and provide guidance to new members. All committed Masons, regardless of age and seniority, contribute to the well-being of Masonry in the District.

#### **Temiskaming District – 6 Lodges**

**R.W. Bro. Kian A. Jensen**

Masonry in the Temiskaming District continues to struggle. Fifty years ago, the 9 Lodges had a total membership of 1602 masons while 10 years ago 9 Lodges still existed but the membership decreased to 721. Currently, the District has 6 Lodges with a total membership of 430, a decrease of 33 from the previous year with an averaged membership of 71 and an averaged monthly attendance of 13.

Several of the lodges have held events to promote Freemasonry at community events, open houses, annual dinners or BBQ's. The efforts of several of the Friend-to-Friend have resulted in 10 applications. They are encouraged to have this as an annual event to offset those Brethren who have taken demits, suspended or have past to the Grand Lodge Above.

All Lodges of the District need to have and implement a Long Range Plan with annual reviews for the improvement of the Craft and the vitality of the Lodges. The finances of the Lodges within the District are split between secure and in position of concern. The lodges must have a financial plan in place and review those plans on a regular basis. The avenues to become financially stable requires. (a) increasing membership, b) increasing dues, c) decreasing operational costs, and d) intensive fund raising.

The Ritual continues to be preformed with dignity and enthusiasm. However, several of the Lodges must rely upon the assistance of the Brethren of the District in order to complete the degrees. What I believe is required is devotion, dedication and time. Protocol for the most part is excellent throughout the District.

In 2012, the District's Northern Ontario School of Medicine - Charter Class Bursary Fund will see the fruits of their labours with the graduation of the first medical doctor and we are hoping that his residency will be within our District.

Masonic Foundation of Ontario Bursary was presented to 2 deserving third year Electrical Engineering Technologist students at Northern College, Porcupine Campus, Timmins.

The Grand Master, M.W. Bro. D. Garry Dowling and Grand Lodge Officers will be present for Porcupine Lodge No. 506 100<sup>th</sup> Anniversary celebrations. The District will host a Grand Master's Reception as part of the celebrations.

### **Toronto Don Valley District – 19 Lodges**

**R.W. Bro. Elliot S. Zovighian**

The theme of “Responsibility, Accountability, and Value” was developed over the past several years through conversations all throughout Toronto Don Valley District, and the Grand Jurisdiction. The message of holding oneself accountable to their responsibility of creating the value of Freemasonry that one wishes to experience was enthusiastically received by newer and older Masons alike who at times differing ideas as to the future course of the Craft.

We wanted to change of the Masonic mind set, and endeavour formed the basis of this year’s education and charitable events. Our goal was to supersede anyone’s expectations, and raise the sphere of consciousness in every Mason so that going forward the groundwork would be laid.

Our District Education Chairman, W. Bro. Joe Demello designed 4 excellent events catering to every type of Mason, culminating in a “Town Hall Forum” attended by the Grand Master. Although the events could’ve been better attended, we believe we provided top-notch presenters and content, which blueprint will ensure quality and value for future occasions.

The highlight of the year was “A Hero’s welcome,” the inaugural Spring Formal Fundraising Gala, which was held at the Toronto Westin Prince Hotel. W. Bro. Art DiCecco and his committee of over 20 Masons put together an event that was of a twofold nature. One to restore the elegance and class of Masonry, the second was to hold main fundraising event for the District charity The Soldier On Fund. We were pleased to have close to 300 guests including over 20 military personnel. We were also joined by many dignitaries, which included our keynote speaker Former Ambassador of Afghanistan, and current Parliamentary Assistant to the Minister of National Defense, MP. Chris Alexander. We were also fortunate to have had letters of recognition supporting the event by The Prime Minister, the Premier of Ontario, and the Mayor of Toronto and others.

In lodges throughout the District, there has been a focus on improving the interview process, and insuring that potential candidates are good for Freemasonry. While most agree that number of candidates is not as important as the quality of candidates we initiate. There is also a growing sentiment that we should focus on those who attend over those who don’t. This trend hopes to address attendance and participation issues that have affected every lodge in some varying degree. This decline that I believe is cyclical to the Craft in general, has led to one amalgamation in the District this year. I believe further amalgamation in the future will ensure proper leadership and mentorship in lodges, as well as a pool of talent that will keep Officer lineups full of keen and eager Masons.

We continued to monitor the use of the District Facebook page, attempted to promote District and lodge events on the District website, [www.tdvmasons.org](http://www.tdvmasons.org). I was somewhat disappointed at first of the quality of posts started on Facebook, but as the year progressed, and with careful attention, worthwhile discussion grew. The website was to be the main source of information for all members of the District, but lodges are not yet submitting information regularly to maintain it as much. I hope that this improves in the future.

Our District Librarian, V.W. Bro. David Fernandes, with the assistance of Books Galore, were able to offer an amazing array of books for brethren to purchase at Official Visits and other events. Bro. William Thomson, the District Historian continued his excellent work in recording the events of the District and including them in a “time capsule” for future D.D.G.M.’s and travelling gavel winners to view.

I am very honoured to have had the opportunity to be the representative of the Grand Master in Toronto Don Valley District. I am extremely proud of all my chairmen for sharing the vision, and dedicating themselves to this year’s success.

### **Toronto East District – 19 Lodges**

**R.W. Bro. Keith Jones**

Our District, comprised of 19 lodges, meeting in 4 temples, from East Toronto, to Ajax in the east and Clarendon in the North, presents a nice variety of urban, suburban and rural lodges to be enjoyed.

The Condition of Masonry continues to be strong. The solid foundation of Committee Work and Education has continued this year, enabling us to emphasize stronger lodge management and fraternal relations. We enjoyed tremendous turnout and support at Installations, Official Visits, Lodges of Instruction, Receptions and Divine Service. The spirit of friendship and brotherly love was heartwarming and continued to grow throughout the year. The primary catalysts were positive interactions and inclusion of members through active communications such as our e-mail network, website and newsletters.

We were proud to start this year by celebrating the election of R.W. Bro. Donald A. Campbell, from Scarboro Lodge 653 to the position of Deputy Grand Master. We were then blessed to celebrate the culmination of a wonderful year with tremendous attendance at our District Gala where we honored our ladies and presented our District Awards with M.W. Bro. Allan J. Petrisor, P.G.M. as our guest speaker.

Most lodges took proactive steps to fiscal responsibility. Many reported no members 12 months in arrears, renewing emphasis on timely dues collection, active budgeting, increasing dues to address rising costs and balancing budgets. The District Secretary, W. Bro. Peter J. Sialtsis received cooperation and support from all District Lodges. Our planning processes are also coming to the forefront. Many lodges either continued or introduced long-range planning committees, coinciding with the institution of our District Long Range Planning Committee. Most of our lodges continue to enjoy an influx of new members.

I have reminded the brethren of the District that Freemasonry is not a charity, although we do charitable work this is not our prime function. There is a difference between charity and relief that as Masons we are called upon to provide. Before we can provide relief for others, we have to make sure that our own financial houses are in order. This means making sure that our dues are sufficient to run our lodges efficiently and that the shared expenses of the temples are adequate to ensure that the temples are well maintained and kept in a manner of which we can be proud.

Just like the saying "charity begins at home" this year's District Charity was the support of our local Masonic youth initiatives. Through the tremendous efforts of our Chairmen and the overwhelming response of our membership, we were able to make two substantial donations in support of the Horace Mundy Chapter of DeMolay and Toronto Assembly No. 2 of the International Order of the Rainbow for Girls. In addition to providing financial support, we were also pleased to have many members from our District attend meetings and Installations for these wonderful Masonic youth organizations.

Our District continues to remain active within our communities through a variety of events including Remembrance Day Services, Parades, Masonic CHIP, Blood Donor Clinics and participation in Doors Open.

We have enjoyed active participation, support, effective management, active planning, continued committee work and community involvement. I am confident in reporting that unity has really prevailed among our brethren and lodges. Freemasonry is alive and well in Toronto East District.

#### **Toronto H. Valley District – 20 Lodges**

**R.W. Bro. James G. Vasko**

A year ago, I acknowledged the great honour and privilege it was to be entrusted with the Administration of Toronto Humber Valley District, and to represent the Grand Master in 2012. Today I can honestly say those words barely did justice to the immeasurable experience it has been.

Toronto Humber Valley is a vibrant and diverse District consisting of 20 Lodges and Masons from many different nationalities and cultural backgrounds. The District continued the trends of the past few years by experiencing a rise in its fraternal spirit, sense of brotherhood, inter-lodge relations and cooperation, visitations, initiations, and education. Our Lodges supported a variety of charities ranging from research and treatment of disease, Sick Kids' Hospital, community shelters and agencies serving special needs communities. In addition to traditional community service, the Masonic Chip programme had a record year, and the District B2B gave 225 turkeys to needy families during the Holiday season.

The District experienced a historic event this winter, when Past Grand Masters occupied the 4 principal chairs on the evening of a long service presentation. In addition, the Grand Master and Deputy Grand Master visited THV to recognize and celebrate 50, 60, and 70 year service presentations, as well as the William James Dunlop Award for outstanding service to Craft in Ontario. The distinguished Masons who received these honours exemplify the character and dedication that have inspired many men to transform Masonry from a fraternity to a way of life.

W. Bro. John Romano did an exemplary job of supporting the DDGM and serving THV as District Secretary. The Committee Chairs and Co-Chairs, together with numerous brethren from our Lodges deserve highest praise and congratulations for making the District shine and contributing to a very successful year. I also congratulate the THV Brethren who serve Grand Lodge in various capacities, for their keen interest and leadership in the Craft. I was especially delighted to have the companionship of the Grand Steward, the Grand Standard Bearers and the Assistant Grand Chaplain on so many occasions.

This year has truly been the most enlightening and uplifting experience in my Masonic journey, and provided a valuable lesson that "one does not climb the mountain to be seen by the world; one climbs the mountain to see the world better".

I look forward to supporting our future DDGMs, and continuing to ensure that our District remains vibrant and full of vitality. The warmth and hospitality of our brethren and Lodges will remain with me forever. Thanks THV, for all the memories.

#### **Toronto West – 23 Lodges**

**R.W. Bro. Jan Kawenka**

First, I would like to thank all the Brethren of Toronto West District for their support and encouragement during this Masonic Year. Special thanks must go out to all of the Advisory Board brethren for their commitment to the district and for their profound guidance to the District Deputy Grand Master as it allowed me to proceed with the confidence to be successful.

Masonry is alive and well in this district and I am encouraged to see so many new masons in every lodge I attend. They are being mentored and involved in all of the lodges activities, these new masons have created a work load of degrees to perform and the Masters and Officers have tapped into this new resource to enable them to complete such a large task and they are doing it with the professional quality that shows in every degree performed.

The finances of every lodge has been scrutinized and found to be very favourable in most cases, a couple of lodges will require supervision and encouragement to learn some skills in fund raising and monetary management. There are no amalgamations planned or being discussed this year in this district.

Many of the lodges have effectively incorporated various Grand Lodge programmes to enhance problem areas they have encountered. A number of lodges are involved in Community Services. Long Range Planning, within the district is on track. The chairman and his committee update plans yearly to keep the continuity of the efforts begun by their predecessors. The brethren support one another and other lodges for installation and degree work, when called upon. The Warden's Association in this district offer and presents an excellent two year leaders' program which prepares Wardens and Masters to manage the ruling and governing of their lodges, this association is a great credit to our district.

Freemasonry this year has improved considerably within this district and you can tell that it has been a labour of love for all of the Masters and Officers, I therefore, personally offer my congratulations to every one of them for providing those improvements and I am sure that they are all proud of the work they are doing, it has shown itself in the exemplified duties and performance they have achieved.

#### **Victoria District – 14 Lodges**

**R.W. Bro. John W. Elburg**

Victoria District is comprised of fourteen small town Lodges. One of my first duties was to have the pleasure in investing V.W. Bro. Robert Mann of Arcadia Lodge No. 440 with is regalia as Grand Stewart.

During my Visits I noticed that hard work and practise has made a difference in many of the Lodges. When attending, we see, although sometimes shared between the Lodges, good work and well presented, which enhances Masonry and has ensured a strong bond between Lodges and keeps masonry alive and well within the District.

I presented each new candidate with the blue forget-me-not lapel pin and a small writing of the significance of it, which has proven to be a memorable event for them.

I had the extreme honour to assist our Deputy Grand Master in presenting one of our brethren, who now lives in the Humber Valley District, with his 70 year pin. Also presented five 50 year pins to loyal and outstanding masons within the District. This year there was several C.H.I.P. programs held within the District. Also a Lodge Resources seminar at a central Lodge to make it convenient for all members to attend.

District events such as, Curling Bonspiel, Lades Nights, Christmas Parties, Divine Service and B.B.Q. Also hosted the Grand Master's Reception to honour M.W. Bro. Garry Dowling in conjunction with our District Ladies Night. All these continue to bring Victoria District members, families and friends together for fun and fellowship.

It has been an honour and privilege to be the Grand Master's representative for this District. As my term as D.D.G.M. has come to a close, I wish to thank each and every member of the District for the warmth and friendship you have shown me this year. A very grateful thanks to my committee Chairmen for taking the time out of their busy schedules to accept this demanding post. Also a very heartfelt and sincere thanks to our District Secretary W. Bro. Stephen Sission for his companionship and especially the work and effort he has done to make this year a success and memorable one for me.

#### **Waterloo District – 15 Lodges**

**R.W. Bro. Brian Lowery**

The condition of Freemasonry in Waterloo District is in flux. We have some Lodges with many applicants and others with only one, to the extent that two Lodges in the district are looking into amalgamation. This is not new to the District. The new members are younger in age than previously encountered which in itself is double edged. It is good to get younger members but they have young families which will require their attention in the very near future. We have had some Lodges effected by the movement of members in the workforce both in and out of the District.

We continue to improve in doing ritual and mentoring of officers. Some Lodges are better at mentoring than others but all lodges appear to be doing their work well and I have watched all three degrees being performed at various times. Only first and second degrees at Official Visits.

The attendance by Masters of the District has improved greatly with twice the number of Masters visiting and attending Official Visits than in previous years. However the attendance at Official Visits and Installations by the rank and file is not good and is dropping. This could stem from my previous statement of the younger member and their commitments.

We have held a Lodge of Instruction in the District under Dispensation from the DDGM and have held education sessions on all three degrees. The First Degree was held in September and March the March one being better attended. The Second Degree was held in November and April and the Third Degree was held in January and May. The education sessions have had mixed reception although all who attended said they learned a lot and enjoyed the presentations. All the sessions were taken from the three degrees in Beyond the Pillars.

We had a number of fund raising events this year for the District charity (National Service Dogs) and have raised in excess of \$6000.

Many of the Lodges in the District are involved in the Corner Stone Project and seven have received Corner Stone designation this Masonic year.

#### **Wellington District – 12 Lodges**

**R.W. Bro. John R. Thomson**

It has been a pleasure to serve as DDGM under the leadership of our Grand Master, Most Worshipful Brother D. Garry Dowling whose theme is "I Believe in the Future of

Freemasonry in Ontario". I have attended several Grand Master's Receptions and Lodge anniversaries and always come home with the Grand Master's words ringing in my ears.

The charity which I have supported this year is the N.R. Richards Bursary. The Wild Game Night at Wellington Lodge contributed over \$3,000 and the Wellington District Curling Bonspiel contributed \$500 and approximately \$1,000 from other means. I am duly thankful for all the donations. I presented two Bursaries to worthy students at Center Wellington High School in Fergus. There were five bursaries in total presented.

The lodges in Wellington gave me tremendous support. Many Worshipful master and members travelled some distance to be present with me at Official Visits and Installations.

On November 17, Trillium Lodge No. 724 had Brother Joe Curry, who was Junior Warden at Canada Lodge in Kandahar, give a talk on some of the interesting events that happened during Lodge meetings while he was on his tour in Afghanistan.

Our Divine Service will be coming up on June 3<sup>rd</sup>. Also coming up on June 26, Walker Friendship Lodge No. 321 will hold an emergent meeting on board the HMCS Haida in Hamilton Harbour. This will be a very auspicious occasion as the Master is an officer in the Canadian Navy.

I believe that Wellington District should investigate Grand Lodge programs such as 'Brother to Brother' and 'Friend to Friend'. I think that with this effort they could increase membership and improve friendship among the brethren. The lodge take part in the Mentor program to some extent but not completely, particularly among the members in Guelph.

I wish to thank Royal City Daylight Lodge No. 742 for supporting me in my efforts. I especially want to say a big thank you to the District Secretary, Worshipful Brother Alvin Gillies for his tireless help in steering me through the maze of problems associated with the computer and with his knowledge of Masonic matters and protocol.

## **Western District – 10 Lodges**

**R.W. Bro. Warren O. Copeland**

One of my main objectives this year was to improve Protocol and Etiquette in all Lodges within the district. This was successful for the most part. One Lodge needed some improvement and was followed up prior to year end.

The condition of Masonry in Western District is not healthy. Most of the Lodges are solid, with active Past Masters who help provide training to new officers and are financially sound although increasing cost such as taxes, heating, electricity etc. will keep pushing up costs and increase membership dues.

There is recycling of Past Masters in most of the Lodges, one has over fifty per cent Past Masters. There are only two or three Lodges who are initiating new members to maintain a constant membership.

All Lodges are having trouble getting the new members to fill the offices. This is mainly due to the economic times. Both parents have to work to make ends meet. Younger members have trouble to commit time due to their children's activities. Western District has been hit hard with the decline of the Woods industry. For those remaining in the mills, shift work precludes attendance on a full time basis.

An aging membership creates problems for the Master of the Lodges. There is at least one maybe two Lodges that may be in serious trouble within the next five years. Due to the distance between Lodges, one hundred and fifty to four hundred kilometres, members affiliating with a second Lodge is of very limited success.

One big problem or challenge in our district is keeping the Lodges with smaller memberships viable. These are lodges with fewer than fifty members, especially during winter when members relocate to warmer climates. Amalgamation of Lodges is not a viable option again due to distance for travelling and an aging population.

All Lodges have been competent in their work and I have had very few items that I have had to bring to the Worshipful Masters attention. The Lodges are holding monthly practices and practice degree ritual whether they have a degree scheduled or not.

There is a Lodge of Instruction being scheduled for September 2012. It will be held in Kenora with the Custodian of the Work in attendance.

### **Wilson North District – 11 Lodges**

**R.W. Bro. Waldo A. Redekop**

The 11 lodges in Wilson North District are located in Oxford County which is centred by the City of Woodstock. Every one of the lodges submitted their Letter of Intent to take part in the Cornerstone Project for 2011- 2012.

The Cornerstone Project is encouraging the lodges to try different ideas to keep the brethren interested in attending lodges, visiting other lodges and remaining active in the community. We have had at least three Masonic Divine Services plus a joint Divine service with the Wilson South District.

The Alzheimer Society of Oxford is the District Deputy Grand Master's project this year and has been well supported by the lodges for which I thank them. Nine of the 11 lodges had a walker entered in the Alzheimer Society Walk for Memories this year, which counted toward their Cornerstone requirements.

There have been quite a few brethren passed to the Grand Lodge above this year as well as some demits or suspensions. However, most lodges have gained new members.

Our lodges were invited to attend two Lodges of Instruction in neighbouring districts, including one for incoming masters. Some of the lodges also held Lodges of Instruction. It is good to see that some brethren are trying to learn to perform the work correctly. Most lodges are following the rubrics in the new Book of the Work.

Many long-service awards were presented this year, including 50, 60 and 70- year pins, both for membership and as Past Masters. One Past Master opened the lodge the month that he turned 100 years of age.

In this district we have some excellent forms of communications. Our district newsletter is published four times a year. Two lodges have newsletters and some lodge summonses contain interesting Masonic Education.

I thank the brethren of the district and especially Blenheim Lodge No. 108 for their support and encouragement throughout the year. The district team chairmen and the district secretary, W. Bro. Glenn Anderson, have done a wonderful job. It has been an honour and privilege to have represented the Grand Master as DDGM this year, something I will never forget.

### **Wilson South District – 10 Lodges**

**R.W. Bro. Paul B. Woods**

It has been a distinct honour and privilege to serve as District Deputy Grand Master, in Wilson South District, as well as to represent M.W. Bro. D. Garry Dowling, Grand Master of Grand Lodge of Canada in the Province of Ontario. There is no doubt, it has been one of the busiest years that I have had in Masonry, but also one of the most enjoyable, where I have met many new friends.

A heartfelt thank you to W. Bro. Peter Kirk, the District Secretary, for all his assistance and support in the past year, as well as the District Chairmen and all the Masters & members of the Lodges in Wilson South District, for their support and warm welcome, that was always extended to me, whether it was an Official or Fraternal visit. I also say thank you to all that accompanied me on each and every Official visit.

Let me address to you, that I make no mistake, to say that each and everyone of us have strengths but also weakness in our day to day lives. I have put my strengths and leadership values to the test to ensure Wilson South continues to show viability and an urge of communicating the values to all masons on the vision to set goals to make Freemasonry what it is today. On the other hand, my weakness, on an issue where I was not clear with a section on the Book of Constitution, I would get advice from a Past Grand Lodge Officer, namely the Grand Secretary to ensure the proper procedure was in place.

This year our oldest Lodge in Wilson South, Norfolk Lodge No. 10, will be celebrating its 200<sup>th</sup> Anniversary and Erie Lodge No. 149 its 150<sup>th</sup>, with plans underway made by their members to celebrate such occasion.

Masonry in Wilson South District is for the most part alive and well and the ritual is performed to standard in all Lodges. Last fall I made arrangements to have R.W. Bro. Steven E. Warren attend Frederick Lodge No. 217 to speak on Long Range Planning and also have R.W. Bro. Gordon Crutcher do a presentation on the Lodge of Instruction, in the proper

protocol, on the three degrees to assist the brethren, in each of their respective Lodges. Both presentations were well received by both Wilson North and South. The books are kept well and minutes of meetings. Are entered accurately, and precisely, as the secretaries have in most Lodges done this job for a few years and have got a good handle on it. Buildings are all in a fair state of repair, and there were none that were I real bad need of maintenance. All Masters oversee the condition of their Lodges and anything that requires attention I find that they act upon it in prompt form in order to correct the problem.

Membership in Wilson South is on a slight increase, with the exception of one Lodge, that is looking to put their building up for sale and seek avenues this fall of going in with another Lodge to cut expenses.

We have had one valid request for benevolence which was handled in prompt form. MasoniChIP continues as Oriental Lodge No. 181 will be doing a MasoniChIP in the very near future and the Blood Donor Clinics for some areas of the District do better than others because of location and population.

Visitation is very important with the District, especially among our Senior Members, More must be done to impart to our new members the importance of visiting. I must add that while visiting many times in Wilson North, I say thank you for your kind hospitality, to all the Masters, as well as their District Deputy Grand Master, R.W. Bro. Waldo Redekop. Wilson North has continued support of our District by their visitation, as well as attendance to the Joint Divine Service and Camp Trillium Rainbow Lake. Thank you! I was very impressed on my last Official Visit where I had FIVE District Deputy Grand Masters and One Present V.W. attend. Thank you again.

Our project for this year was Camp Trillium - Rainbow Lake - Project #2468, where we did a presentation on presenting a cheque in the amount of \$5,000.00 to such a worthy cause. Thank you Grand Lodge for your 10% donation on our total amount and a heartfelt thank you to all the Lodge members that made a contribution. Without your efforts this project would not have been successful. This project has been left open until the end of June, at which time any monies that comes in will be presented to Camp Trillium at the end of June to close off account.

All my Official Visits have been completed in full as well as the L1 L3 & L3 reports submitted to R.W. Bro. John Hay within the 14 day time limit from the date of the Official visit. There were no late submissions.

There are three Installations pending the last one on 25 June 2012. We have had our fair share of Masonic Memorial Services and hopefully there will not be any more during my term.

Dispensations have been clearly made by the respective Lodges as well as myself in due from through the Grand Secretary and I appreciate the manner in which they were received.

In closing, in my view, each of the ten lodges in our District must not look at just the next year but to gage themselves to a long range programme of 10-20 years an ask themselves, where will our building and membership be then. Remember...you get back from Masonry what you put into it...this is team building and on that note I cannot stress enough that some Past Masters must step up to the plate and encourage the new members, as they progress through the chairs and give them the same opportunity as you originally had, to be raised. Lets not be selfish but just be yourself and care for one another...that is what masonry is all about.

## **Windsor District – 7 Lodges**

**R.W. Bro. Thomas J. Moffat**

I have had many notable events within the Windsor District. The one that stands out the most was the 100<sup>th</sup> anniversary of Rose Lodge No. 500 held at the Masonic Temple in Windsor on March 24, 2012 with the M.M. Bro. D. Garry Dowling in attendance.

I have had the honour of presenting six 50 year pins to members. Five to Great Western Lodge No. 47 and one to Windsor Lodge No. 403. I have attended E.A. Degrees and M.M. Degrees supporting our candidates and brothers. I have encouraged better visitation by supporting each other through attending respective Installation and Official Visits. I have

encouraged members to become more involved in the Windsor District Masonic Association so they can have input and bring back to their lodges the concerns of the district.

There were two District Lodges of Instruction held on Oct. 19/11 and Feb. 15/12 led by R.W. Bro. Randy MacNiven and R.W. Barry Evans.

Windsor District will be having the second annual CHIP Program on June 16 & 17 at Devonshire Mall in Windsor. We hope have a good an attendance as the last clinic where 443 children were processed.

As to our Community involvement and Charity Events, the District has been involved with Warm Hands, Happy Hearts, Tim Horton Camp Day and the annual Good Fellows Paper Drive. Warm Hands, Happy Hearts assists many children through out the community with the gifts of warm hats, mitts and scarfs. Tim Horton Camp a year raises funds to enable deserving children the opportunity to go to camp. The Good Fellow Paper Drive helps needy families in our community year round.

The annual Divine Service will be held at the Anglican Church of Ascension on June 3, 2012.

I want to take this opportunity to thank W. Bro. John W. Cherwak for his invaluable assistance as Windsor District Secretary.

I have enjoyed my year as the Grand Master's District Deputy and want to thank the members of the Windsor District for the confidence they placed in me for this year.

## **York District – 19 Lodges**

**R.W. Bro. Johnstone D. Trotter**

York District has had a great year. Every meeting was interesting, fun and meaningful!! We have been happy ourselves and we have been communicating that happiness to others. We have been making good men better and improving our wonderful fraternity.

Every lodge in YORK district is doing great and special things. It is amazing. The tone was set early this year with an OUTDOOR LODGE and first degree---- on the shores of Lake Simcoe. What a night—it will be a special memory for everyone present at Malone Lodge.

Since then we have not looked back. Special degrees for Father's and Sons—For Twins. Special fundraising nights for brethren in need. The wonderful District calendar. EMS degree teams. Huge Lodges of Instruction. Lodge of discussion. Chili night. Receptions for Grand Stewards and for myself. Presentations of trophies, Swords, plaques, pins and regalia. So many special nights.

The York communications system (Y.C.S.), chaired and operated by Bro. Majid Juma has helped a great deal this year. The YCS is an e-mail system that allows rapid dissemination of information to many members at one time. Members and officers from each district lodge are represented on our e-mail list.

York's Warden's association, the CORNERSTONES, have built on last year's success and raised the bar. This wonderful group of Wardens has enjoyed putting on degrees, planning degrees and practising!! They have found out how much fun it is. When they become Masters of their own lodge they will reap the rewards of their hard work— while basking in the glow of established friendships.

The District Chairmen and their committees have worked very, very hard to give the Brethren first class events. Such wonderful times as the Fall and Spring District Meeting and steak BBQ, Robbie Burns Night, The Curling Bonspiel, the Ice Fishing tournament, The District Church Service, The Ladies Gala and our golf tournament have all been sold out. Each event was a success and a fun time. Each event set records for attendance and funds raised.

Each of those great events contributed to our District Charity, Families of Spinal Muscular Atrophy - and its number one fundraising event of the year — Rebecca's run. Anyone who was involved in the event last year, knows just how special and heart touching a time it was. York District is again this year a PLATINUM sponsor. This has resulted in a lot of great public relations attention.

The many Official Visits and Installations have been well attended — and usually crowded. The competition for the travelling gavel has been fun and impressive. Eventually Simcoe Lodge No. 79 won the year. Each crowded OV benefits our gentle craft.

Our Grand Lodge Officers this year include myself, RW Bro. Eugene De Beaupre (Grand Registrar), VW Bro. Harvey Rideout (Grand Steward) and VW Bro. Maroun Hajjar (Grand Steward). They have been a comfort and a support at every turn.

I want to pay special homage to two bright lights in York District. The immediate past DDGM, RW Bro. William Boyle and the District Secretary, W Bro. George Pohle. Both of these fine Masons have distinguished themselves this year. The District has these two Great pillars to thank, figuratively and literally, for our stability.

York district has been having a great year and let me tell you who reaps the benefit of all of this hard work, enthusiasm and fun..... Our candidates!!! They are having degrees with full lodge rooms, excellent ritual, great fellowship and wonderful memories. This will result in excellent Masons as the years roll by.

Finally we come to me, the District Deputy Grand Master of York District. I have had a wonderful year - been shown such great times — been given The Grand Honours - been brought into every lodge under the wands. I hope that everyone who reads this experience the brotherly love and the warmth that I have felt every moment of every day of this year. I have worked hard and been very pleased to do so. I have given all that I could but I promise to do more as the years go by. I have been given the last word, in every lodge of YORK district, at every meeting and now I give the last words that I want to end this message with that will sum up my year .... Thank You.
